

460th Knowledge Seekers Workshop; November 24, 2022

(Quick Index 31 pp, Introduction topic I Transcription, Proofing done; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Diseases like Parkinson handled through Mobile system - Satellites - Wellness Centers in each country; Process Genetic Defects(GD); 2 Young Boys with GD - raise 2 million for KF; Create "Addiction Line" to free from drugs, sex any addiction; How T was tested in Belgium - History; No intermediaries between Earth and Sun - none needed for STM - end of religions; Calls on Ayatollahs and Popes to step down; History of reversal of GMO back to original grass - same as with human GD; KF defrauded by KS - threatened by Mossad - Now KS have to support KF; British Monarch biggest drug cartel; How emotions are created between STM & STP; Unknowingly dome built over where Methi lived; Vaccines never tested on Covid- gene modification; Receive food fields through Mobile system; Inert Gases do not mix - space flight; Marriage has soul - divorce separates STP - free; New version of Corona - suicidal; Russia bombing Ukraine utilities; Gans for agriculture special knowledge; Gans's deplete when energy used; Italian water contamination; About radioactive materials - depends on condition - extra fields - any element can become radioactive give extra fields; H to black hole.

Topic Index

Bring universal revolution; Mobile system used for wellness part of T - Parkinson's - Alzheimer's etc; Taking flight will change diseases; KF Wellness Centers divided in different area of world - handle by your own doctors - payments to national KF companies setup; Build up Satellite Souls to few hundred - become Centers for handling specific diseases; Satellites gather energy to become like Servers where people connect to and receive energies; Receiving lot of emails for help with diseases; KF does not provide medical treatment - handled by doctor online - KF provides technology; Work with genetic defects and immune system problems; KF doctors think they can handle number of cancers; Genetic defects (GD) are a pattern setup in the brain - don't disclose; Parents bringing children with GD; 2 young boys have GD and will die in young age; From mother's X-Chromosome; KF takes up challenge - we don't use medication - fields of U; Need to raise 1.8 million for the work; KS responsibility to help boys with T; A second work will be to broadcast fields to end addictions; You put on headphones - listen to Silence - changes your emotion and life - free to support KF with what you spend on drugs; "Addiction Line" Blueprint Day; Addiction does not come back - brain sets up a match for itself; K worked for British Drug enforcement years ago; KF can do what the governments cannot; Belgium's persecuted KF for 5 years to stop this T; Gives history of Belgium's involvement in early discovery of the T; Belgian Atomic authorities given 3 bottles of Gans's - did all latest tests and wanted more Gans; Personally went to top secret labs - Cosmic Rays (CR) were demonstrated - King of Belgium knew he had most advanced T on planet - but couldn't understand it; Produced CR in Queen Mary College - professor - "Mehran you shine"; "A knowledge you can't understand"; Belgians told him not to write in way for everybody to understand; Open a channel for all addictions - you tune to the silence of the Soul - walk away from addictions and many other diseases;

There will be different days for different diseases you can tune into; Changing Genetic Defects was discovered and proven the same way as reversing GMO seeds back to original grass; Seed experiments done around world in 2009 - used GMO seeds which are coated with chemical to change genes; Wheat back to original grass has 20 stems; Humans and plants use same AA from atmosphere; Chinese government to sign contract with KF for reversal of GMO - can't replant GMO seeds - Chinese to become independent from GMO; Our system for elevating the planet is also made from the Satellite Souls and those who came for the flight tests, and all the Gans's we made - this is how we link up so fast; One of the richest people who listens - daughter took own life - need to raise 2 million to help these boys; We can change pedophiles with our T - Vatican report on abuse of children by priests for 2021 - don't dare show other years; Give headphones to priests before Mass; Person with Parkinson's not shaking anymore; Gans's and Patches are not enough - have to know how U works; Use for coma; Give interview on international broadcast; Boy with GD felt going to Moon - could sleep; KS addicted to cocaine in Tijuana - put KF to shame; Cannot allow governments and selfserving pharmaceuticals to stop this T; New systems can't be hacked; Threat from Mossad against K and KF; Defrauded by millions - not take from programs ; GD caused by wishes of the ancestors; British Monarch biggest drug cartel and traffickers; KS stole millions - now we come to you; Show pictures of 2012 Seed experiment reversing GMO; Taught too freely on NASA Chats - got banned;

Teaching with drawings about creation of emotion in brain - interaction between STM and STP - M field strength creates a point in brain for that emotion; Brain cells absorbing the rays of the STM - why see different textures and densities in brain; Sun has to be in center of solar system (SS) - so too STM is in the center of the brain; SS has Sun Earth and planets - so too the STM has organs and shape of man - it's same structure; There are no intermediaries between Earth and Sun to tell Earth how to behave and feel - it knows its own dimensions and parameter - so too the Man doesn't need intermediaries of Ayatollahs and Mullahs to tell you how you should feel in relation to STM, STP, and your physical life; Ayatollah Khomeini of Iran, walk away from that. Otherwise, I bring you to a shame - enough abuse; Iranians are Zoroastrians - know how to live correctly; I challenge you to show in Koran time of Methi has come - verse by verse - scientifically; Same with Pope & Vatican; Rabbis in Jerusalem; and the rest; Now the Man has a direct connection between the Soul, the Soul of Creator, and STP of the Man; Only way to stop wars is to stop fallacy of religions; Not even a ray of Creator's light has reached A. Khomeini - that he should claim to be of it; Same with Pope; Life at risk for saying this; God is an amalgamation of the Souls of the humanity; No intermediaries - same with Buddhists and the rest; All religions become one; We are all connected back to the Source - like Earth is connected to Sun; As Messengers we come from and go back to - billions of years; Without knowing they already built a dome over the place Mr. Keshe was raised - Soul of creators work; In space have to understand correct behavior; Learn to give and expect nothing in return; You support me, I support you -you betray me, you betrayed yourself; Satellites are already aware of changes to come; Man will spend his time understanding the fields of the U; Man has matured enough in numbers to bring change - carry the rest; Learn how to bring fields of STM & STP to work together - don't need brain; No brain between Earth and Sun; Many enemies to bringing change; Try to

understand what emotion is; Emotion is a field strength of condition of P together with interaction of STM & STP; Create same field strength in your STM that in interaction with STP get same emotion - then both Souls are aware of everything; Have to learn what it means to live by Soul; Children will be educated with Knowledge of U from birth; When children created from STM - no imperfections - the time has come for it; Viruses can be transferred out of body - an energy pack relative to conditions; If you want measles protection - tune to a channel and receive that energy; No more vaccines - autism from mixing vaccines; receive food through the channels - don't need to kill; Satellite Souls are needed to spread the energy of the channels; Next step learning how to attract CR and reject what don't need; We will govern this planet through the Soul; Bring the change by love and creation of new conditions; Main objective of today's teachings - you do not need intermediaries anymore for your life; Religions have come to an end - you can understand scientifically; Try to discover the knowledge - be precise that you don't need intermediaries to abuse you; God is within you - you need to have correct conduct; Headphones were for anxious people to calm down - but they go direct to STM - you can just listen to it with speakers - same with cats and animals; People will try to copy KF work but their systems won't work - we have universal knowledge; When you dream still connected to physicality; Can replicate a physicality in your dream - but not the same kind; Beautiful People - each Soul can manifest own P; Person at top of KF was schizophrenic with 4 characters each responds to own name; STM is not monoenergetic can fit into anywhere in U; All elements in Periodic Table in body of man - uranium etc; Cosmic fields converted to matter in body of man; Gans's of U in body; Can use universal fields to create more Gans of body if needed; Don't need to look for materials in mines - look for new materials in body; KF does not treat diseases or practice medicine - doctors online handle that part - we provide knowledge; Have to pay expenses for use of T - KS defrauded KF of millions - we have to cover for it to make T available; Whatever KF receives puts back into KF for you - giving to yourself; Payments made to KF companies in own country where setup; Klaus put life on KF- you would dream to be him; Propaganda of pedophiles; 15 years I paid everything - now you have to support T to bring out - your responsibility; Billions of grandparents want grandchild to be healthy; Few KS come to serve and give freely like Rick - most come then want money; Best thing happened was divorce for betterment of humanity; Marriage has a soul and a STP - divorce separates that STP and you're free; Trying to bring mass delivery of T for illnesses; Paid millions to Americans to setup factory - defrauded; Bombarded by people for help with diseases; No financial schemes to pay for T - do not want to involve - if you want T find a way to pay for expenses; In future won't have to pay for T; Gans around house stop fighting; Fighting is to take energy from other; People feel change instantaneously; Need both headphones and microphone on for Mobile system otherwise you don't receive back - 2 way flow; Before getting in touch with us - make sure about your finances; We don't go to your body - handle the fields of Universe in your body; We are not in field of medicine; Brazilians cannot buy e-Books on Amazon; New version of Corona - it's not a mutation - becomes stronger - moved from the physical strength to an emotional strength - depression and suicidal thoughts; Add Mg; Teaching on different layers and sections of brain man never knew about - Emotions - Disabilities - Interaction with U Community built into brain - Soul of Creator - Death layer - finally STM; This is very important teaching to study; How your Soul dreams and finally leaves; STM doesn't

allow blood into brain because M fields create distraction; Find field strength of other souls to communicate with them; Repetitive dreams what they mean; Never frighten children of the dark - becomes psychological pattern; Dream military - have to change way you give - become Satellite ; KS in Ukraine suffering by having energy and water destroyed - hell; Those involved will have to pay through their Soul - if they knew they would stop; Military man walking away in Iran; Uncle soldier planted million trees; Need to understand knowledge to use Gans in agriculture - specific way - not just CO₂ & Zn ; If land is more hungry takes all energy - have to understand; Nano materials create more growth - but metals can contaminate following year if not understood; Can remove Nano layers from inside; Inert Gas teaching - they keep separate - can use gas layer as a separate reactor for physical flight - important teachings; Half of females become pregnant when start working at KF - effect of fields; When people receive energy from Gans's in bottle, the level of Gans's goes down - need to refill; How you get addicted to chili and spicy foods - just like cocaine - salt content Gans's ; Ocean are salinity containers dictate what life can live there; Big water contamination from chemicals in Italy - only plasma can change by neutralizing ; He doesn't buy Italian olive oil or wine from certain areas; Contamination also in China- US - India- third world countries cover up; Pharmaceuticals most opportunistic groups in the world - injections - Pfizer heads refused to attend questioning in European Parliament - lady said we never tested on Covid - it's only for gene modifications; Not for virus protection; Bill Gates game - billions made; Nobody educated in viruses - afraid of what don't understand; KF not allowed to come out because won't be able to give injections; We get hit with flu - but quickly handle it with T; People poisoned by spraying pesticides for companies many years ago - metals in body - effecting physicality and emotions at same time; Nose is where everything passes to come inside body - can test for contamination; Gradually mankind becomes One Nation; Knowledge already released in 2022 - mankind has to apply; 20 to 30 years for the change - not tomorrow - but more people becoming Soul travelers - changing; Radioactive materials on Earth may be opposite in another part of U depends on conditions; Tritium is not radioactive in 80% of the Universe; With knowledge of U any element can be made radioactive depends on how you use the fields; Radioactive materials are subject to the understanding of the Man - it's position, time, strength, and field dependent; Radioactive at cosmic level ; Have to redefine radioactive as an extra energy to be given or dynamic fields available in respect to environment; What we call radioactive is just extra energy; Can make H into a black hole - have to know how to play.
