Topic Index

8 Question Survey of 80 participants of "Dining with Creator"; Can use system to "feed" energy in mass numbers; 75% salivated during session - plasma water created within body - changing salinity of saliva absorb different energies like apple or banana - this is huge knowledge; Through same structure can give you energies to process cancer - schizophrenia - Alzheimer's - any virus in space; Confirms fields of system interact with people; 77% reduced food consumption - means we can feed you with System; Setting up Comprehensive Policy by KF to feed you; 83% felt better & were happy following week - means Man can move away from killing - won't worry about where next food is coming from; The 10 to 20% who didn't respond - takes time like Nano coating wires of house; When feel energetic means plasma is transferring energy; 33% lost weight - find balance at 20% less weight - only take what need; 80% felt they can feed without killing another life - means man is realizing there is another life in frig or on shelf - don't want to know because need for survival; Whole purpose to see if man can change habit - become peaceful calm - vegetarians don't think they are killing - chopping every piece of life in celery to bits - taught plant life doesn't have value - eat without guilt; Means man ready to move away from killing; Every life of plasma fields has value - can't kill in Space; 93% said learned more about themselves & came closer; Man is ready to understand another way to live - have energy without killing and feel better for it; If we provide you the fields to live - would there be any cancer or psychosomatic diseases anymore?; Large percentage said they would give up Soul or share it for another life to exist - was confusion - you will not lose your Soul - would have gone to 95% yes; This is attribute of Creator to give unconditionally; No jealousy or hierarchy in STM; Jealousy is backbone of existence in physicality (P); Mankind ready to become "Man of the Universe"; This was about understanding essence of Soul of Creator - which is you; KF wants to hold meeting of world religious leaders in Temple of Mitra in Iran - place where religions originally started - all trying to reach path to Creator; Tomorrow in meeting with world leaders - are KS ready to assert position - demand peace; First links between U Community and leaders of planet; President Xi of China met in Moscow - lead based on ethos of Chinese culture - Taoism - a leader of peace; China offer to rebuild Ukraine in exchange for wheat; Making peace is profitable - making war only a few profit; If agreement with China only need to be peaceful - we provide knowledge - survey shows can feed nation without grain - health care through headphones; Shift employment to Space program; We'll help China to colonize Moon & Mars; Would travelers of the Soul to Moon still believe in hypocrisies of religions - would priests believe in reincarnation

when already "reincarnating" himself; True science will end religion through knowledge; Transfer so much knowledge to China in next 2 years - force peace; KF open system to elevate Soul of Leaders - like during 2 weeks of feeding - details not set; Most important is for you to make connection through Soul to world leaders - as equal - your wish as good as theirs; Those participating tomorrow bring change - waiting for generations; KF offering huge package for peace; Planet bleeding 85 million barrels of oil a day - have to stop; China first nation to receive T - and T never before been revealed to mankind; China has power to enforce peace bring ethos of Taoism; End suffering - make life pleasure to live; We only facilitate change - not create it - you are creator of change - we give you access to world leaders; U Council members will understand new position & responsibility tomorrow; They'll be enlightened according to their understanding; Today's teaching planned months ago to be ready for change; Through strength of your Soul you'll lead humanity - sharing of Soul; Remain humble even if you see your influence - don't be attached to your P; More of you join us to trigger what is to come; Learn how to share your own Souls - as much as we have shared with you;

Transmutation brings you to Moon instantly; More Ceramic Cups in Store; Make last batch of Knee Gans; Received sponsorship for 100 medical cases of any condition to expand our knowledge - sponsors want to have higher number of test trials; We don't do genetic deformation - prosthesis's like heart transplant - shoulders or whatever; KS pay 3,000 Euros minimum to cover doctors; Will do session on mental conditions; KF has open positions for 10 doctors also in different languages; After 100 cases go to 1,000 cases; Contact us ahead before you come to Linz - so we can arrange; Organ transplants have two different plasma structures that of recipient & donor - have to match field strengths - system not yet ready; We provide knowledge - doctors decide about medical case; We want to expand knowledge to broader spectrum for Space travel; Knowledge is getting spread to everyone so no pharmaceutical or anybody can claim it; Tried to work with Syrian earthquake victims - government officials too corrupt - want bribes; By spreading knowledge we are destroying the control of "knowledge" by patent and fraud - as deception we've seen in pandemic; Have not signed nondisclosure agreements with doctors; Nobody shares knowledge with public like KF - everybody benefits; Handing over years of research to doctors; Worked closely with American doctor - he went to Russians and ?? Med Beds; Conditions for knowledge transfer to China very clear - no place for war - peace only option - told officials what we expect; Deuterium Gans made from CH3 - test with magnet; New T has to be released slowly to humanity - have 20 years of solid base knowledge development and sharing; Good that Belgians kept us out of news - you could learn the knowledge - not fashion - now have to wait for right time; We want to understand knowledge - make change in life; People don't believe if not on television; There was a huge knowledge release over past 6 months - now can understand about fields and how Head Units work - before it would be laughed at; Survey proves that we can feed you with plasma fields; Future there will be "Food Take Away" by dialing number and receiving fields - but exactly how you like the taste; So called "conscious" people not ready to accept T - will change when everybody else starts using it; Supermarkets will become obsolete; The STP says no, but the Soul says yes; STM chooses his own position; God is not a communist - that He makes everybody the same - , beauty in variety; We are small part of collection of flowers of Creator - just a speck of

dust - so much to see & learn - why stay so long in P; Soul has bigger pleasures than P; Tomorrow is a very big harvest; I have lived long enough as a nomad; Long discussion on pedophiles who infiltrated KF through ex-wife; Child abusers think they have right to abuse; Shares personal experiences with ex-wife how blinded by love couldn't see it - when eyes opened took 2 years to get rid of "snake" inside KF - he lost his son - she is part of biggest pedophile group in world from childhood - long crime record; They go after your IP address and attack you later - interested in people with daughters; Mr. Keshe never let IP address out of KF; But people who associate with her are in danger with the least contact; Will teach children how to move Soul so P can't be abused - have to teach before going to school and having first contact with bullying; Parents have to teach children about Soul than nobody can abuse them; Plants & animals will also benefit by new T - not kill; Will teach how to build with plasma and not bricks and mortar; President Xi decided to use T for peace CPC memorandum for peace last week - we respond accordingly - if they break the rule - we break our point; You'll never get diseases if you don't have a fear of life; Maybe if T expands through China this year it will come out; Children have to become aware of their potential - cannot be abused; Pattern of planet is to take energy from others to live - will change for whole planet not just man; Lion will lie down with lamb - see as companion not food; Humans are not more important than animals and others - only think so; Do you want me to sell the KF to others for billions of dollars - then you will have no control - won't get educated anymore - that's why we still battle with things to keep going; Criminals are paying for their crime but you can't see - live always in fear; Energy Units are in process of independent certification then send out; KS got vertigo from not eating - have to find reason to advance T - why not enough saliva for conversion; We come from the origin of the Creation through plasma - every condition has something to do with the plasma of Creation.
