Topic Index

Start learning to be part of Universal Community; In dream live in Soul - Now teach to live in both Soul and physicality (P) dimension (D) in daily life; Like having 2 different mobile phones in hand same time; Collaborate Soul & P in daily life; Taught two "Curtains" last Friday Session - first in P - trees & people around - Second Curtain interacts with Soul or entity - common denominator to both; Switching between 2 Souls taught to 25 of 200 by Mr. Keshe - beginning taught face to face; Open "eyelashes" see through P; Open Soul cannot lie - live through both D - biggest challenge for Man cannot do wrong; Do not need to sleep to "dream" - live in reality of dream all time; Not easy - at first confusion; You will know when somebody is lying; Second Curtain opens during sleep; In D of Soul just see lights - dark lights of stars - shapes & colors - when interact change into personalities; Don't need Prophets or Ayatollahs or Popes; When you understand scriptures - walk out of Church - ask Soul of Christ directly - don't need false intermediaries; In front of lover same - will know if lying - Soul & P engaged with another; Man lives schizophrenic life 2 characters - Soul & P; Learn to multitask - coordinate with Soul & Soul of Physicality (STP); Tomorrow should see Soul of abusers; Dream & reality will coexist same time - if reach meet Creator - He exists in both D; Very few in U have managed to see Creator - not impossible understand Totality - no intermediaries; We don't tell you to listen to us & believe in heaven - resurrection and all that rubbish; When think about & it happens - the Soul gets STP who gets P to do what Soul wants; Works both ways STP can get Soul to do also; Don't need to write - Souls pass information to lover - they respond without telling; Speak less - understand emotion & fields of life; True partner is "Soul Mate"; Speaking is just confirmation of Soul talk - like giving a rose; When Soul hugs - P does too; When Souls meet will feel it physically because STP creates emotion; Emotion is only connection between STM & STP - become one - see everything at same time - see Soul inside another - tell if sincere; Mr. Keshe experiences a lot people in front of him lying; One time P noticed he became aware - want to jump off balcony - not hide truth; This is life when open Second Curtain - can see color of Soul; Need to live Universal Life; Many lives only energy pack like virus in U - has own intellect & Soul - will man accept - can harm or become part of you; We decide what to do with virus - give or don't touch can bring demise; Space of U cannot be contaminated with viruses - bacteria's etc; Viruses are energy packs that attach to amino

acid (AA) - exist in U Community where P does not exist; Why did some get Corona and others not - Souls decided not to share energy - others agreed to share but stay alive; Viruses are non-dimensional - have Soul & STP within them - intelligent - they decide if interact with you; If viruses manifest inside P become parasite - would we allow them to enter us; What trusting Soul to Captain means; You as Soul & STP are within another energy pack - like a womb of mother - carried across somewhere then released - they can do because carry deeper field strength in Soul shielding; You are inside their cocoon - have to trust you don't manifest while inside them - as parasite; Up to governments to announce agreement with KF; Totality of knowledge passed through Soul - but need educators translators in D of P; Knowledge shared through fields of U; When the STP is cocooned inside STM brain changes into plasmatic fields connected to STP - but weak enough to not connect to STM; This way no matter state AA protein will be within the brain beyond this planet - not endanger STP; Because of this it's guaranteed Man can manifest in any D of U; On Earth Soul has a picture of origin - can re-manifest same anywhere on planet; If you change shape your mother will still recognize you by your Soul - was tested; KS will learn how to switch between Soul & P through Second Curtain; When sleep blood pressure reduces Soul goes out of cage - interact with other Soul call it dream; Value of STP it can open Second Curtain with field strength of STP - wishes of both Souls become in unisons; First Curtain is physical eyelashes; 2 ways to open Curtains wish through fields - & opening eyelashes; If wish is sincere Second Curtain opens automatically even if First Curtain still closed; Become true dimensionless being - Passenger of U - dream becomes reality; Used this to know lady lied - betrayal & adultery - STM spoke truth; Practice this don't need EU nor spaceship; Don't be afraid of living in both D; Last Friday started teaching to open Second Eye; When interact with races not as advanced don't call yourself a Prophet or dictate your will on them; Happened to Aztecs in Mexico; The Knowledge makes everyone equal; We gave knowledge unconditionally to everyone; No one should claim themselves supreme and then make rules and kill others - like Ayatollahs and so forth; We tell truth to world and religious leaders regardless of outcome; Suicide forbidden - prevents Soul from elevating; No one will take crown to judge another person - we are own king; We control & lead own Soul to final destination - if reach purity - see Soul of Creator & physicality of Mitra is U "I made Man in the image of Myself"; STM in center manifest itself as STP and then P - Soul of Creator is within; Interaction of Creators fields led to manifestation of STP; STP is essence of emotion - P is Mitra; This is beginning and end; Through P we confirm Soul is within us; If no Soul to radiate & create emotion - then no P; Through love of Creator manifest ourselves in variety of races shapes & sizes; When we meet world political & religious leaders they will take "turban" off - just be men; We'll confirm to leaders their power is nothing compared to Creator; No kings - every king will be king of STM; It's not about us - you try to practice being your own Soul - STP in D of P - we are not Prophets - just teachers to bring you to expand & elevate Soul; For you to find correct path and stay on it - we just show you; No heavens or hells - it's how you come close to Soul of Creator through your actions; Try to close physical eye & bring emotion within to interact with STP - will see light of Soul - then darkness - pass through extension of Soul of yourself - first will see lights - then shining Souls - then hear every Knowledge & Voice in U; Tool and easy process to open Curtain - feel heartbeat - clarity of feelings & emotions - reach point of Servitude - open Soul to give & not to take or

steal - then see white light coming towards you; Many ways to open Soul make it transparent; Body used to using "eye holes" in skull; Once learn how - can be Soul of Stone - big as star; "Soul of understanding the Totality" is the responsibility of every Man on his own - doesn't need any Prophets to steal from Soul; Why don't you dream all the time - not times you want - or only of certain people; Sometimes always in touch with Soul; KS send him tokens of Soul communication; Do you need to sleep to dream and let Soul out; Soul interacts with other Souls; Many names for same thing gravity- salinity - pH; Flickering of eyelashes - sign communicating through Soul; Infants up to 2 years don't flicker eyelashes much - doctors say Dopamine; Babies communicate through Soul; Dopamine not allowing Soul to extend beyond P; Our love fields smell the lover across the world; When STP & STM at equal levels - no interaction - pass through Second Curtain; When STP does not lie to STM - no interaction - openness think good first rule of Mitra all 3 perfection; Man already been "Man of U" from the second his Soul existed - denied it with "eyelashes" of P - chose to be prisoner of P; You are the Messenger of your own Soul; Cycle of man complete - already part of U Community - denied it with his P; STM should have taken the man and shown him U; STM says as the STP has punished him with P when the STM gets free says "I'm not taking you with me - the STP can dream of it"; All teachings up to today brings both D together; Elevation of STM is by the man himself; STP cannot lie to STM - because both use same field strengths of U within themselves; You are only one who can open the Second Curtain - done through clarity between STM & STP - will see both dimensions.

Advice about using daughters wisdom tooth to make Gans and give to others yes & no - be aware of what is really being passed on to others - carries part of Soul - has it reached maturity or still in abusive mode; Cultures don't allow giving body parts - can't manipulate; Brother wants to bring other brother out of coma since early childhood - is it morally right - will he be able to cope or suicide; Different when coma after maturity; T brings new responsibility and questions of morality for Soul; Could also elevate Soul to give knowledge to cope with missing time; If you go to planet where they are superior in knowledge or inferior - understanding responsibility of STP & STM; Save Gans of tooth for daughters future; STP & wisdom tooth - near STM - is there wisdom in wisdom tooth - does Gans carry it; Even matter state has soul - tooth created from interaction of STP with Soul of person - what about organ transplants - carries Soul of donor; Only 5% of KF work in public; Went for MaGrav to save 20% electricity missed 100% Soul elevation; Breathing & eating take energy to elevate Soul; Cu in MaGrav connected to muscles in body - elevation of STP & STM - structure of Cu comes from Soul of Earth & U; Denied Soul from opening to U; I gave MaGrav for you to get energy for your Soul; Child playing with box toy came in - haven't understood how to play with MaGrav; Do you have right to transplant Soul of tooth of daughter?; New phase of teaching have to face these questions - can't say I didn't know; Transfiguration in Bible about Jesus 40 days before crucifixion - made up - Bible changed to suit certain dogmas; If Jesus knew would not have gone to cross; Different sects of Christianity made up things in Bible for leaders to rule and create different sects; Christ said his work will be divided into "72 ships" or interpretations; Bible written 300 years after Christ; Koran 40 years; Only Bahauallah wrote the words himself; New teachings of KF you hear with own ears and interpretation - Books 1 to 3; First edition original words of Mr. Keshe with English
