

494th Knowledge Seekers Workshop July 13 2023

(Quick Index 20pp, Introduction, Topic index, Proofing done ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

July session 2 headphones - free to experiment; Key is expansion of Soul & emotions; Details about what happens in Space travel; Whole families transmute; Ant on another planet - societies like man; Knowledge automatic through Soul; Knee Gans testimonial; Helix of AA; Leader shown T beyond imagination - nuclear weapons obsolete; KF Wellness programs; Skip transition time; Electric car scam; Governments don't allow new T in; Soul aware of each other; Same machine feed whole planet; No "Critical Mass" in plasma - field balancing; KS connects without headphones; Depression; Biden puppet - elevate Souls behind; Governments have to do TV; Support us through Soul

Topic Index

July Sessions 3 hours each 4 - need at least 2 headphones - you decide what you want to work on; Update KF after each session what you expected and achieved; Want to see how Soul expands in dimension (D) of satisfaction of emotion & physicality (P); Sessions are pre-test for Space cities built on Earth - no sickness or hunger; Testing many things in background; Developed systems that know how you feel don't need survey; Better to attend all sessions as a whole; Call upon KS with expertise to join KF; Special training for 25 in Manchester; Now putting structure to Books 1 to 3 - speed & size of U; What will happen to you when arrive at destination as human plasma of Soul - would emotion let you transmute; Integrate emotion of P to emotion of Soul; How will manifest P depending on state of surface liquid - gas or solid; Soul takes knowledge from citizens of that planet - through Soul - not schools; Dictate manifestation by interaction of STM - STP - Soul of Planet & Inertia; What are consequences if lose control of transmutation - learn in July - need to be able to repair if get damaged when convert to P - or go back to Soul and come out again; This is where all teachings come into effect; If land amongst given species in U - how to interact - not be in body of man AA can't manifest there; We are not only citizens of this U; What if population looks like ants - get over shock - may have buildings & societies like humans - science & T not exclusivity of man; Do not eat other beings in U - get energy from Soul of that environment - don't kill - take energy from fields of U; We have to learn to convert from Soul to P and back to Soul - teaching in Book 1 Ch 1 fully explained; You create yourself in time & place through emotion; Flip STM inside out where STP now inside - arrive at destination reverse process STM goes back inside; Strength field of Soul interacts with environment; Field strength of Soul interacts with environment - not skin; When STP manifests on planet would it be ant or dinosaur; We have to teach you all these things to prepare - no use using system if you don't know what it means to travel U - have to understand implications of it - how to apply knowledge; Man leeches off Soul - game changer - Soul will leech off P - learn how to switch over; Whole families can transmute - they know each other - but others don't know they are from another planet; No language school - tap into "Soul of Knowledge" of planet - soon teach us; July sessions & Oct conference about learning transmutation - what effects it will have; Learn how to switch STM from inside to outside

- travel to destination - reverse back let STP & P come out - like pulling skin inside out - will have a different shape than on Earth; KS will replicate these conditions on Earth in seconds; Learn how use emotions of P in conjunction with emotion of STP & emotion of STM - these interactions create transmutation; Book 1 is P - 2 is STP & 3 is STM - 3 Books contain knowledge of transmutation; Arrive and interact with "Soul of destination" & "Soul of citizens" of destination - from these interactions create new P - allows you to live - work - be part of that time & place; How to learn what energy means - not man's definition - each field has different strength & emotion - all come together on field lines of U; Learn how STM becomes holder of P and interface with STP - next travel by speed of light of U - man thinks light of U is dark - but it's the knowledge of enlightenment; Have to be able to manifest yourself at destination; When meet your Mother in D of Soul who died 20 years ago she will be different - now in new D - your Soul will recognize her field but not P - we do this in dreams - interact in D of energy; Teach in great details - no calculations - God doesn't use scales - we become creator - use strength fields of U; Have to learn to create fields through emotion; Told in Health Teachings not blood flow - but flow of emotions - you look at redness - we look at strength of fields; Human Race's fingerprint is its field energy - no blood in Space - field flow through emotions; Have to explain everything for you - for you to understand - prepare you to transmute by yourself; Already transmute in dreams when P resting; Only have emotions of P - STP & STM - this allows you to manifest new P; No instrument to measure emotion in U; It's fear that holds back from jumping off cliff - "jumping cliff" from P into STM - emotion of STP holds back; In sleep hide between blankets & bed - tell STM to go travel U - then call it dream to deny capability; Sandwich STM between P and "Soul of Environment" - then STP create new P; Have 3 plasmas of STM - STP - Soul of Environment - put the STP in the middle of two it will manifest P; First time we create new P we'll panic because not used to another body - strange feeling but we know it is us; We allowed you to experience these things in EU in Linz - but it was not you - you are part of Soul of Human Race - knowledge embedded in every human - tap into - ready for transmutation; Stored all the emotions of the 500 who came to Linz - all races of Earth; Take knowledge from "Soul of Citizens" upon arrival at destination - not from schools; On Earth the education system lies and cheats to indoctrinate to create a structure for a few to control; Interact with Souls of people of U - transparent no lies; From outside see Soul as light - not as king or peasant - no difference in Souls all equal; No hierarchies in U - nothing to hide; Learn language of fields - emotion of language - everything else - as if you were born in that society; When transmute through Soul on Earth you will know the language & culture of country you arrive at - arrive by fields of emotion; Tested this in Elevation of abusers session - P on graph showed straight line while STP & STM found balance - means no abuse - or elevated Soul of abusers; It's time for you to transmute through Soul - you already understand transmutation; Teachings shorter but more intense; Mix energy of STM with STP and P and see what you get; Gradually over years as you study teachings one by one you will transmute - you'll learn it by yourself; When we teach whole U taps into Soul of Creator.

Can use either headphones or ear buds that go inside ear; Testimonial on Knee Gans - emotions changed then P; Not in business of Health - we do Wellness - change conditions to make you feel better - we do not use medicines; Gans's are certified in China - all

natural products - made specific way to create specific conditions; Converting fields into energy and matter; Physically see helix structure of amino acid - bring in new D materials and products; KF merged with one of strongest nations on planet as a collaborator - setting course to bring huge changes "the giants of power & science have finally met"; Government has to announce collaboration; He used Knee Gans on own knee - no surgery; This is how I share my knowledge & T; Large scale test of field interactions - come out in few months; Large range of products to be released; Collaborator to feed whole nations with fields in 2 years - not farming - resolve Africa famines; Provide Wellness care; Feed through KF Apps; Pushing T forward because rapid advancements; Cost 3% of GDP to feed whole nation; Collaboration is in writing; Wellness Centers in Arizona - Uruguay - Germany; Not sell our systems - collaborations; Lost lot of money but opened up new work with governments - they'll handle operations we focus on research; Every product will carry KF name - not hide; KF T has advanced way beyond Apps for feeding etc - costs too much time & money to develop - jump ahead into more advanced T; Can't use Apps in space or if battery dies & no connection - new T through Soul - tap Universal Energy; If by-pass transition time go straight into advanced T government save lot of money developing - convey this in Oct ambassadorial meeting; New trick with electric cars - huge profits to governments - oil companies & refineries - use unrefined crude oil - 100 times worse for environment - governments don't care; Governments won't allow T where don't have to charge battery - lose revenues; Won't allow KF to shake "apple cart"; Not easy for KF to enter market; Knee Gans - doctors & pharmaceuticals lose money - block; Governments not allow new T in - this is how advanced KF is; If tune to your Soul through headphones & we feed you - do we need headphones?; We can reach your Soul and feed it; Test in space where no food - then flip satellites around 180 degrees feed Earth directly through Soul; We have T & knowledge; Past 2 weeks showed Government and leaders T that can't imagine exists - not in sci-fi movies; Scientists & leaders baffled by what they saw & experienced; I can feed man without satellites - but man has to learn so don't repeat mistakes in Space; Demonstration has change political - financial - power structure on Earth - gradually change a lot; Governments have to find way to convert T to nationals and planet - we have shown it - not talk; Early KSW quote - "if move my pen - war mongering & killing stops" - I have moved my pen in past few days - take time to reach other leaders and into villages of Africa; KS witnessed standing shoulder to shoulder with powerful men - the T and its beauty; They have to implement it - this T is for Space travel; You remain connected to Earth when on other side of U - can feed you through these field lines; London conference bring in massive changes; We will know Mr. Keshe if meet in another part of U - will remember; Souls don't "bump into" each other - they are aware of each other; KF structure will stay same - operation & delivery of T will drastically change; reason left Austria - new position with collaborator - Their strength will open new doors - nation become more powerful & peaceful: American "Gun Policy" over - nuclear weapons of US obsolete; Iran showed power of T in Iraq 2020 - stopped Trump and son-in-law in Tell Aviv's plans for Iran - weapon sales to Middle East useless; Same machine can feed whole planet - as "Soul of Creator" feeds whole universe; When man becomes peaceful progress faster in knowledge; The promised "heaven" has arrived - we only needed to show power of T - its beauty & peacefulness; By showing the T nuclear weapons have become obsolete; Aircraft carriers for children to play on; Humanity fed up with killing -

just a few leaders create all this mess; We have taken the power out of their hands; All become equal & comfortable citizens; Takes time but this time T transferred to scientists of a government - not be shelved; Oct 28th bring shocking news and T which none imagined existed; Deliver T to all at same time; "Critical Mass" in nuclear when reaction breaks down runs out of control - "China Syndrome" - cannot happen in Plasma T - finds balance; If fields cannot hold together then share or split - fission; Have "outer surface tension of fields" inner gravitational field forces cannot hold - separate according to strength - but they still carry their outer surface strength - means plasmas cannot penetrate each other; KS able to connect to KF systems without Zoom or headphones - contact with his son; KF system only a tool - otherwise don't need; When go deeper - teaching will be in silence; Main part is expansion of the Soul - once learn to link don't need intermediaries; Will link automatically; Causes of depression - cannot achieve expectations; Easy to handle with new T; KS wants to spray Biden with "Peace Gans Water" - won't help only a puppet - real power hidden in background - only way is to elevate Soul. Television doesn't work if they don't allow you to spread T; Soon KF will become fashionable - all stations start speaking about plasma T; When KF popular careful not to lose ethos; Most do not watch TV anymore; Mass communication needs to be done by the governments - can handle abuse from organizations; How to elevate someone causing problems but don't know who they are - reach through Soul of those who know him - they have phone number at Soul level; You have reached the Soul of the leaders - it has worked and you will see the change; Leaders have direct link to the ones who put them in power - reach their Soul that way; Easiest way to change is to elevate Soul; KF tries to be open and upfront about things - stay that way; Working on massive changes - don't stop until we achieve; Need you to support us through your Soul - getting very close now - huge hope has arisen - becomes reality in short time.
