## Topic Index

At 65 life work just starting; Been on Earth long time education Man to understand purpose of life - Creation; Have created 20 elements from fields; Explains meaning of "Cycle of Creation" video - how Soul creates new cycle; Will write scientific paper about creation of matter - confirmed theory of Book 1 with real tests - shown to high ranking military officers; Mankind to understand how life begins through fields; In 5 to 10 years as get close to 1,000 KSW - find field strength leads us to Creator; Can teach today but not ready for it; It's written in Book 2 - you looked at light - but it is "light of Creator" - His Light has become all of Creation; We are the light of Creator - essence of His Creation - I am you - You are me; Understand this - understand transmutation; Transmutation occurs through speed of different lights each has different field strength; If find strength of Creator's light - find Soul of Creator - understanding His structure understand our own; Some of us come directly from Source of Creation - Light of Creator becomes Mitra and Children of Mitra; Every single field of U has Common Denominator field strength - field strength of Creator - why we can do "MaGrav Positioning" with everything because it is connected; Every Soul has a specific strength that comes from Creator - has knowledge & love of Creator; Scientists & wise men of Creation understand this find path to Creator - not banging head against Wall in Jerusalem or floor; Scientifically shown energy into matter - shown structure of gases - life without matter - metallic elements confirm life; Teach how life can be confirmed through energy fields of non-matter levels; Energy of STM can confirm P manifestation; Create elements man not imagine exist; Universal Order of creation of matter & energy the same - why can create matter from energy & matter back to energy; But present science burns elements to get energy; In Creation we can change matter - add to & elevate it - not annihilate it; This is difference between Plasma & matter state - can create new life; Graphs of July flight sessions show when STM is 180 degrees opposite to STP & P - they are in Balance; It's like Yin & Yang or Infinity Loop; Graphs indicate emotional & psychological problems with STP; When STM & STP on one side and P on other indicates problems in P; Knowledge from graphs very deep; Can see if creating

own cancer; Flash of light - do not have knowledge to absorb light; Graphs show behavior of STM in respect to STP; How STP behaves in physical life; Can detect emotions - see if we are harming our P; In group - see if giving strength to others - all move together; August sessions work individually see own graphs - see behavior of Soul - get fingerprint of Soul; Give to Souls to elevate; You sit quiet for 3 hours - we are gathering huge information; Can see if one falls out - work collectively or against Soul; When put in system you'll fix yourself mentally - for Space travel when alone; By elevating your Soul you can go to Mars - send love to yourself - find peace; Soul passes over STP - remedies everything that is short in STP; This will change science; Shared knowledge with Iranians - change has come; Share T with many governments - November Ambassadorial Meeting bring change; Publish material creation as paper - understand new position; Officials & Military invited - share how they did tests - man trusts government officials; August sessions you receive graphs of how your Soul - STP & P behaving - and how to increase strength - mirror image of each other; Learn how to synchronize all 3; Elevate Soul through behavior of STP; Man tried to find elevation through "banging head on Wall" - now scientifically can do; November conferences will open new science to mankind; Instead of ultrasound - get image of how Souls are behaving - then elevate own Soul - find peace; Monthly sessions to prepare for deep space travel - physicians in Space don't take blood tests - evaluate behavior of Souls and elevate them - you do this yourself; In Linz this was Chairs 1 - 2 & 3 - now you understand; P can still be entangled with things - but Soul at peace - in time change P; We can change strength of Souls - find path to Creator; In Space with systems can evaluate & understand life forms we come across - what they are made of; Materials tests - interested in what energies attracted those matter elements - energies don't have to be part of that matter - can be different; Through papers you'll understand how your Soul will create new cycle of life through interaction of the fields of itself; Teaching of 10 minutes takes centuries mankind to understand; Teachings becoming rapid; The graph will give recipe for life of your Soul - not P - elevate own existence; Taught in Manchester - knowledge of own existence - elevate own Soul then help others elevate; You'll become masters of transmutation; Totality of understanding Knowledge of Creation within reach of man; August session - understand Soul for first time - become own physician; Misguided by STP & P; Teachings entering new D of understanding energy; Energy means D of Soul - M fields in motion; Soul stronger by magnitude than Hiroshima; Elevation of STM - responsibility of the man himself - comes by strength of emotion; System for seeing Soul become part of normal life - standard way to diagnose own problems; Best gift to see your own Soul - find a way to elevate it - no need for Prophets; Need teachers to teach Knowledge of Creation; Mankind waiting for this for thousands of years.

Every 5 years KF releases a portrait of (work of Foundation); Reaching 500 KSW nonstop 10 years in a row - massive breakthrough; KF is a collective work from humanity; Knowledge has to come in a certain way that it doesn't become magic - we bring it step by step - Soul by Soul; Will be accepted naturally; Other new T also come out - not only KF; Man himself is schizophrenic - has 2 Souls STM & STP; When STM lives call it dream; Hides work of Soul; Schizophrenics have multiple Souls in one body - need to be respected; Different from multiple characters created by emotions; Worked for

years with schizophrenics - can't hide other Souls; Doctors inject schizophrenics with medication & tablets - they are the crazy ones - we give them power to imprison them - we are criminals to lock them up - don't understand their condition; In system we can show graphs of different Souls to prove condition; Doctors stupidity and crime to lock up and drug "beautiful People"; Prove it and put Medicine to shame; Systems can show number of Souls in body; Technique for elevating Soul; Knowledge is within us - elevation part of daily life - we ignore it - sleep through transition from Soul to P waking up; If manage to stay awake will feel transition of Soul; You add energies to it - correct conduct of P elevates Soul; We do it by absorbing different field strength in body - but not aware of it - during rest time; Transition or "switching" occurs for microseconds - can add to Soul - don't notice - it's a "zero-point"; Switches occur during 4 hour sleep pattern - lungs switch sides - nostrils - kidneys - ovaries - testicles; Specific way to elevate Soul at zero-point; few times in life all organs switch at same time - can elevate Soul; Happens more frequently when older; Natural death occurs in a switching point; Zero-point of planet polarity reversal - Solar system - galaxy & U happens too; Switching of STP - all organs together - heartbeat misses; Show how to calculate time of switch - elevate Soul; When Prophets accept mission - switching occurs - enlightenment; everybody can do - measurable; Feels like in strangers body - know received elevation; Many KS who did Monthly Flight Sessions reached this point - shows on graph as "glitch"; Brings totally new understanding of things; Can set systems to tell when switch will come; To expand Soul and transmute have to understand emotions - know difference between emotions of P & emotions of Soul; Emotions during dream are Soul emotions; Soul receives all of emotion - P can receive only parts; If emotions of P and Soul equal transmute easily; "Tickle factor" test devised to measure strength of M fields of Soul of reactors; Twitch in body same as twitch in emotion when STM expands over STP in the brain - we can feel shiver - warmth - or whatever when Soul takes over; Biggest indicator for expansion of Soul is when the vision becomes blurred - world looks fuzzy; Many ways to expand Soul - rhythm of breathing - thoughts - emotions - other ways; Drugs and alcohol not good get intoxicated and addicted; Good to understand the fields and expand Soul - can go through dream cycle; Expansion allows us to transmute; Best way is to serve others - servitude - will transmute; STM serves STP - or STP serves STM - but must understand true meaning of service - not physical understanding of body and human life; Body automatically expands Soul when we go to sleep - in daytime - called day dream - traveling around U; We train ourselves to do this - doesn't happen by chance; People expand Souls in our systems; Transmutation on large scale - not compulsory - loveable education; Samsung & Huawei will also make transmutation machines - mass produce - becomes a reality; Not CNN - for American power - world television; Nobody watches TV anymore - need to spread T in different way; Youtube - 13 billion views; Tested plasma media systems without you knowing - not brainwashing - elevates Soul to knowledge - gift to Soul; No sign language with Souls; Souls will teach themselves and each other - then elevation spreads; Biggest enemy to stop T are religious people - lose control over people; No intermediary between STM & STP; STM & STP are not exactly like Yin & Yang - have to learn how to interpret data; Putting 10 babies in circle they will not match up; In graphs from Monthly Flight Sessions - when STM is 180 degrees opposite to STP - means balanced with each other; Graphs are very deep knowledge shows a lot about Souls and P - 3 Ethos of Mitra - STM - STP - P; Shows when

harmonious and when one changes - others also change; Mostly same participants in Monthly session since December - graphs show amazing changes - they have elevated themselves; In Jan STM & STP on one side of graph - now opposite - means have found harmony peace within; People around you say you have changed; You are now ready for transition - transmutation - before couldn't trust Souls - now you can; Graphs show how you expand Soul; It's a science & T - not theory; Graphs are like ultrasounds of Souls and energy; In August session individual attention - will see how your Souls function; Linz type space flight cannot do anymore - new way of flights; We'll monitor changes over time after sessions; Job of Prophets like Jesus to lift up Soul - our job too; Soul of Prophet is same Soul for all Prophets - true essence of all messages same - religions fake - don't need wars anymore; Time gaps between manifestation of Soul of Prophets in different cultures; Question about our Souls coming to Earth & reincarnation; We are a collection of fields; Different types of Souls - Directly from fields of Creator and not recycled fields are Prophets - Mitra & Children of Mitra from Creator's fields; Human Souls created from fields of parents and Earth are recycled fields not the same as Prophets; (Added discussion on meaning of reincarnation - confusion); Future give radical teaching on Souls creation - beyond man's expectation - to end fears; Teach step by step so not become magicians - gradually accept knowledge; In U Community no birthdays - don't know where Soul is created or from which part of U - manmade tradition.
