

# **500th Knowledge Seekers Workshop** August 24, 2023

(Quick Index 24 pp, , Topic Index, Proofing done ; Need to do; Key Phrases, Words)  
(Auto transcription from Elias)

Milestone 500 KSW; History of KF and troubles & successes; BRICS; CIBRIU; How Soul interacts with Soul of planet - galaxy - U; New "Interactive Sessions" - make fingerprint to advance T - discover where come from in U - get home; Bottled water from world changes emotions thoughts; Nuclear power stations Europe overloaded; Teaching what STM & STP are all cells - all organs; re-grow organs; Grow food quickly desert without water - need to chew; Water all over u not same - different energy levels,

## **Topic Index**

Milestone 500 teachings - first rung on ladder K of U; Gives historical background of KF and troubles; In 2000 started website - observed traffic; Started 2 guys on kitchen table and gradually built up to powerful scientific organization in world; Power of knowledge comes through KS; Come out of obscurity in West; Withstood challenges of kings & governments; Can never win against Creator; 1970s England Queen Mary College - professor Leslie; 2004 was to sign arrangement with Minister of Defense for England; 2000 stopped working on business concentrated on research - flying system; Asked for nuclear material 2004 meeting in Military Museum - they were watching him since college; Invited to Farnborough military hardware fair - MI-6 tried to arrest him as spy - mistake then British pushed to Lockheed Martin - then wife was Belgium spy took him to Belgium where they tested the T found it to be correct; King Phillip tried to steal T - assassination attempts - fake court cases - escaped Belgium to Italy - later to China during fake Court case in Belgium; KS came and eager to learn T - started teaching - then start KSW; Signed agreements with China collaborate on delivering T change course of humanity; Nations recognize KF - stayed with BRICS in Brazil - secret meetings with governments; KF is not obscure - we are correct with T; Go forward with CIBRIU - Nov 11th; Iran provider of space T; UFO has been made by some nations and they will show it - they cut the Internet he never completed talk; Lost millions in past two years was setup by same people - pushed us to Chinese bigger position beyond imagination; Teachings - How do we as a Soul - part of plasma - interact with Soul of planet - galaxy - U; New Monthly flight session - "Interactive Soul" - on KF website; How you handle parameters that we change from outside - test collectively - bring all to same level; Need pH tester & later sugar level tester; "Interactive sessions" cornerstone for feeding man in Space; Confirm if you have diseases; Setup next step in T; New T in Manchester never seen before; Interactive sessions means you test yourself - part of colonization process; Chinese government colonize Moon by 2030 - not in spacesuit; Indians land craft on South side of Moon - last rocket before new T; Rapid space development China - Iran - Brazil; Will lose many people in making tests to live in environment of Moon - but free Souls; Have to learn how to transmute there & get you back; Need hundreds of people to do interactive tests - understand combination of fields; Through Interactive tests will tell where you come from in U - if Passenger of U - your star origin; Every Soul has fingerprint of where come from understanding energy levels; August session - got

fingerprint of Soul; Tell where bloodline of man comes from; We are part of Universal Community; Use Souls who joined as benchmark; Use your fingerprint to take you back home - GPS of U; We get knowledge of your world; Understand how Soul leaves P and where it goes - test before hand see if you like; Use interactive session to evaluate your conduct - where Soul will go - can change life -heaven & hell in our hands; Man responsible to evaluate his STM; Learn how to be comfortable in Soul for rest of existence; Have to establish peace - KS are fingerprint of peaceful people - benchmark; Have to observe how you change using Interactive session; You have to understand so it's not a magic; Already have knowledge inside you; Teach how to tap into Knowledge of U - can do everything through Soul; Found H in materials test with Chinese - gather field strength of it; Water on Moon will not have same energy fingerprint as water on Earth - only common denominators; Similar to "shaking" water in Homeopathy to create different energy; Drinking bottled water from different parts of Earth - changes behavior & emotion; Teach more later; Would drinking water on Moon change you; Example of Pakistan Moslems - aggressive - and Indian Hindus - peaceful; Join Interactive session - build database of knowledge of humanity.

Advanced systems already obsolete - T jumping over 30 years in 1 year; New systems make fingerprint of Soul; Manchester confirm transmutation; Chinese top scientist chosen to work with him - is man of vision - open huge doors for humanity; When build trust transfer knowledge unconditionally; Not just China - do with others as well; Manchester receive most advance space T ever created by man; Interactive session participants - feel difference in T - knows energies & Soul - start transmutation; Job of KS to bring T to governments - insurance companies & organizations to spread; Chinese can financially back T in nations; Interaction between China & Iran with T; If you find interest in T - we will back you & China will show collaboration with KF; KS inform ambassadors & governments about London Meeting - invite; Nov 11th show new T to ambassadors - shake backbone of science - first hand experience - cannot doubt - bring back to leaders & nation; Silk Road Policy to spread T; Huge radiation exposure in Hungary - not confirmed; Problems in Ukraine with radioactivity - testing weapons - getting rid of old nuclear shells - IAEA covering up; Huge danger from nuclear power stations in Ukraine; Western Europe nuclear power stations overloaded because of high cost of fuel - accident waiting to happen next 3 to 5 years if continue overload; Using nuclear continuously instead of as backup during peaks; Not telling public; Death of Wagner leaders - rebels in Ukraine without leadership - trouble; Keshe Universal Plasma Insurance Policy - provides all energy needs - prices will double - be supplied by China; Warning to American ambassador & Biden - have moved enough T into China - if anything happens to me they will spread T rapidly - stop thoughts of assassination; KF insurance policies provide energy by tapping into universal energy - no meters - as much as demand; People in Interactive sessions - maybe electric meters stop taking in energy - appliances still run; If you purchase KF Policy receive small unit put in house - powers all appliances wirelessly - AC easier to transfer energy; New cycle of T much more advanced; These T already in patent 15 years ago - realize now; Most powerful system based on work of U - release in 1 year; Soul carries RNA - body DNA - will start in Manchester; Leave Manchester totally different - Soul wise; Understand difference between strength of fields of emotions of Soul and P - do step by step otherwise

magicians; First a few will understand then gradually grows - bring change; 2012 released Key to governments - lot of KS accused him of betraying humanity - left KF; 2017 gave Key to public - KS come back - but have done nothing with T; American receive Key - shelved it; Europeans tried to destroy it; Chinese tried to understand if it works; This is why we work with China; America has been part of the physical testing of T all along - downed Drone by Iran - battleship in Black sea; and destroyed American base in Iraq - they know it works; Once Chinese publicly announce collaboration with KF - KS will become "gold dust"; Gradually T will come out; Mankind already knows how to communicate through M fields - but denies it - you say it was an accident; Enemy of man are religious people - Churches - Mosques - want to continue to enslave man; When we understand Soul won't allow them to abuse us anymore; Many of us are attached to being weak - needing someone else to pray to; They made us believe that having a Soul is wrong - Satan; Enlighten ourselves to Knowledge of Creation; Teaching on what STM & STP are; Hotspot in all organs are actually Soul of that organ; STM is collection of fields of every cell; STP is collection of the souls of each part of body - organs - muscles - etc; They are two different things like Mass & Weight; STP is Spirit collective interaction of all parts of body - when interacts with environment become the Body; Body like solar system if Earth is destroyed other planets move to adjust - same with organs when fields get changed and other organs get repositioned - leads to disease - correct position disease changes; If lose kidney - reposition fields and kidney re-grows; Don't need heart surgery or valve replacement - change other fields that effect heart; Water in lungs - interaction of 2 fields create "rain" - change fields no water in lung; Understand how fields of STM & STP are connected to each other - how they manifest problems - then can fix; Gas Units are still good to buy - phase T gradually in so don't damage world economy or bring mayhem to governments; China replace Ukraine as breadbasket and American grain market & GMO control of world food supply; China will use T non GMO and organic food supply world; US has drained ground water supply to grow food - in 3 to 5 years dried up - China take over supply; Can grow grain faster don't need 6 month cycle - skip stem growth & flower phase - grow in Gobi desert - don't need water; Use Chinese satellites to deliver fields; Still doing agriculture because Chinese said their people need to eat physical food, not just fields - creates social stability part of culture; develop T for emergencies then will live from fields; Saw this in Belgium helped a lady get off 20 pills a day - but she didn't have to eat because fields from process fed her - but she wanted to chew something; KF has to accept Chinese culture - not just to show can do with T; Salinity for 5 Cups in instructions; If remove Ca from water for Gans Box the salinity more accurate - Ca changes salinity; Depends on what you call Chakras - energy point - can make 5th Chakra to work as 1st - you control them can change externally or internally; re-establish & complete "5plus1" in Manchester, 500 weeks of nonstop sharing knowledge.
