

# 524th Knowledge Seekers Workshop February 8, 2024

(Quick Index 20pp, , Topic Index, Proofing done ; Need to do; Key Phrases, Words)  
(Auto transcription from Elias)

Breakthrough in Cosmic Ray (CR) continuous production - endless supply; System running testing KS in this KSW - unknown; Create pure plasma environment; Proven plasma is DC - matter state switch to AC; Create wave on top DC - travel Cosmos; New Cycle open Arizona - 100 researchers - of new CR technology - financed by Markray; 3 Centers AZ - Iran - China - fields cover planet; Join research 24 hour work; Show CR in Sanya; Because Iran has achieved multiple nuclear warhead T at supersonic - no one can match - biggest fear - only for deterrent - peace to Middle East; NASA obsolete; Americans prearranged bombing for elections; All T to China one-sided - now share with world 3 Centers; Fulfill in 2024; Systems can control Soul - make P follow - Soul control P; Pocket size transmutation device; Fish absorbing energy - transmute; Zebra Fish CR can reproduce heart - use for tests; Scalar Waves - concepts; Connect systems together create environment; CR different than Cosmic radiation - bring change; CR create organs; B12 radiation source U; Fish came back - dead; KS panicked - Soul trusted; Mitra & daughter; Virus like music; Plasmatic computers - brain & Soul - transition; Put system in body as Chip - transmute; Musk copies KF T - works with Israel

## Topic Index

KF produced M fields exactly like U; Partially understands - replicate creation Cosmic Rays (CR); Produce continuously - not depend on a source - endless supply; New cycle of knowledge & T; Testing every day; Monitoring KS in this workshop right now - without you knowing - you are interacting with us; New D of Space T; Testing individuals and groups; Proven a lot of things; Can create a pure plasma environment; CERN spends billions to create - for particle acceleration; We create plasma like Cosmos does - natural process by understanding creation of CR; Can change it to any size - measure plasma fields within - outside & in-between structures; Achieved breakthrough - scientifically proving plasma is DC - have always said; AC is when switches to matter state - proven DC by measuring up to 2 meters; Only DC inside system - total plasma - no matter state; CR travel span of U on DC of plasma - when come in touch with matter state - creates additional wave on top of DC - have both DC & AC; DC at Cosmic level; Can measure parameters of reactor or spaceship without physically having it - by measuring the fields; Work of past 40 years completed - breakthrough that makes KF public; We always share T; First cycle of teaching KS 2013 Cinzano Italy - achieved 129 Tesla; Entered a new phase; Signed large scale agreements with Chinese government - concerns - all T in single nation; Open Center in Sanya; Share today's breakthrough - bring balance of power sharing among nations; A single nation not exclusive; Open KF Center in Arizona with John - second cycle of teaching KS; 3 year commitment to do research and development (R & D); Not "9 to 5 job" - 24 hours a day - total commitment to T; A center outside China; 90% research and 10% teaching; Another center in Isfahan - Iran; 3 KF teaching centers across world; Start June or July 2024; Accept only 100 scientists KS as base core; Register and pay fee to become researcher; Decide if you want

transmutation or spaceship; 32 different languages as KS - each language appoint 3 people - group can sponsor someone; Arizona is setup with manufacturing and Wellness Center; Called upon American government to join - also Chinese & Iranians; Everyone break through knowledge in one go; We have already reached physical transfer in transmutation; Those who want collaborate to make UFO's - bring change; Stay away from being directly connected with governments - we'll collaborate; Use Markray to support & finance building Space Centers in US and Iran; Open doors and hands to both governments; Prearranged bombing of Iran for American public - handshake for peace; Researchers register now for Arizona Center - want KS to be part of it - you supported us to where we are today; Arizona is privately owned between John and myself; Go in the stock market through Markray; We will be choosy about people who join me in first phase of Arizona; Europe too small - not have capacity to support future structure; All the nations can join in Arizona - 3 from each language - 3 year commitment; Expect full transmutation by end of year; 3 teams work together - plus main group in Austria; Make NASA, Russian Space Agencies, Iran, and Chinese obsolete; Brought forward because of American bombing of Iran - for 2024 elections - no real damage only show; Solves a lot of problems; Iran achieved nuclear weapon's technology - multiple nuclear warhead delivery - no one can match - not American nor Israelis; Iran has hypersonic speeds of Mach 25 plus; Everywhere in Middle East is vulnerable; Opening KF Centers - share knowledge - bring control through new T - wars stop; Iran will announce in the coming weeks - biggest nightmare for world to hear; We give news in advance; This technology only for deterrent - not use; Bring plasma T forward - makes nuclear T obsolete; Plasma T become available to everybody; Americans used 100 missiles but no injuries - collateral damage - how precise our information is - we are part of all the negotiations; Iranian government guarantees only as deterrent (to Israel who could threaten nuclear) - now bring balance and peace to Middle East; This is reason Americans kept bombs from Iran border - told if they bomb - Iran would use the weapons - same thing came out of Kremlin; Will see containment of war in Middle East - soon end Gaza situation - pressure negotiations - collaboration through Iran - Qatar - others and Chinese; Gaza reconstruction - next 3 months; KF responding with gift of opening the Arizona & Isfahan centers; Change nuclear perforation to Nuclear Plasma Space Technology through Iranian, American, and Chinese centers; Chinese government agrees we can show T in Sanya; First Cosmic Ray Universal System for flight and transmutation; Separate registration to sit in new system - feel it for 2 hours - connects you to Cosmic Rays - transmute and cosmic flights; Already shipped huge amounts of T to China - similar system to Arizona and Isfahan - first need agreement with Iranian government; Arizona researchers have to share T with nation and scientists - cannot remain silent - teach while you learn; Make Live tests and share between Centers; Fulfill what we promised; Americans have to keep promise gave in background to Iranian government - will not touch Iran; Now Israelis not only nuclear power in Middle East; More powerful warheads ahead - can wipe out whole state of Israel; Iran gave assurances will not use; Up to now Iran has kept all agreements; Arizona is reward to American government for "correct conduct"; Arizona fee around 20,000 euro per year; Markray is set up; KS involved in technological development in 3 Centers; No "sideliners" everyone working - advancing; Started testing seeds with new systems; Produce protein AA within systems - different combinations through plasma conversion; First two volunteers to transmute into

Space; Tests every third Friday of month; All equal at KF regardless of race - religion - color - creed - nationality - language; Your responsibility to join us in Arizona research; China alone would have been one-sided & now Iran's nuclear development another one-sided situation; 3 Centers bring a balance; I thank John for all his support - CEO of Markray; KS are developing transmutation - change every aspect of life on planet; Giving everything to China was heavy load on my heart and head - now bring balance across world; American military and government would use for warfare - create new "Cold War" - can't have that; Received financial support from Chinese - if American government and Iran would like to support KF - no problem - same with other countries otherwise use Markray; We would not have taken this step if not have achieved creation of Cosmic Rays - can show every nation; Next step for KS - learn how to use this plasma - purpose; Breakthrough in past few days; Part of test on December 22nd - you all - part of it - KF built on back of KS - rely on your support; Americans kept word - no damage - Iranians will do same; Iran is nuclear nation - from mining to delivery of Space Technology - nuclear (plasma) materials to KF; European nations too weak to be involved in this - consider Europeans and Americans as one group; Iran and the Middle East; China and Far East; Don't need licenses to transfer T from one group to another; Fulfill promise of change in 2024; Numbers add up to "8" - prosperity - good luck; Have reached point of completion of what we came here to do; I'll be traveling between Iran - US - China frequently - make sure T shared equally; Communication lines set up between all centers - KS share the minute they discover something with the others; All nations stay equal; Invite Israeli scientists to join Tehran and rest; Bring balance of power; No nationalism in 3 centers - work as part of KF - for peace and development of the Space T; China first nation signed agreement with us - show T first in Sanya; Some T stay with Chinese government & military; Iranian and Americans responsible to catch up on development; Race for peace starts through T - 40 years to get here; KS with me for 20 years; Join us for 3 years - stay for rest of life; When arrive go directly into research; Transfer T to John in Arizona; We set course - governments will follow; Not anymore 'Gans making'; Plasmatic M fields and Cosmic Rays - knowledge has not been shared before; Tested and confirmed in Austria; Think can transmute a fish - not sure - test again; Bringing change through T - equally & fair-handedly; Needed backing of major nation to start - China; Promised never to leave Iran out; All nations will have access - becomes a collaboration; Had to produce Cosmic Rays - teach you about Soul; Fulfilled all promises of all Holy Books - all men will be equal - access to everything U freely gives like food - energy - medicine - transportation - transmutation - understanding science of Creation; 3 centers will be watched Live by the others - learn by seeing each others mistakes; Communication will be as 'One Nation'; Keep out of hands of governments; Chinese agreed to allow other nations to be a part of; See system in Sanya - never imagine existed; Feel Live the Cosmic Rays - understand how to transmute; Gave 'good news' of every February; Have reached a pivotal point; I'll try to be in all 3 centers as much as possible; Negotiation with Iranians - because they don't trust anyone; Americans want to match Chinese and Russians; Start a "peace race"; Nobody has more advanced T than Creator; Collaborate and make One Nation out of this planet; I thank you KS for supporting us so relentlessly over the past years - I have given you what you've been asking for - but we still have to achieve - the rest is in your hands;

Understand how important MaGrav system are in Space T; Understand what and where you missed the knowledge on the MaGravs.

## Part 2

KF Livestream to Vimeo - KF TV; Try complete Gas Units by June; System - "fail-proof"; Condensed to size of small travel bag - with generator; Plasma system taught today - creates energy - gas and everything else - limitless energy source; Power Plasma Units going through certification; KS - become plasma researcher in Arizona - learn "hands-on" - 24 hours work; PhDs - same level all equal - KS to teach scientists; Teach Soul - 'Central Energy' - no professors in 'University of Soul'; Cosmic Ray Plasma Communication Unit are for communication; UBESUS (Universal Body Enhancement Spaceship Units) Head Units are for Wellness; They are connected totally different; Reduce to pocket size; Speak to someone feel person's emotion - like with your lover; Carry in pocket - can transmute; Cooperation between Iran, China, US - break down borders; Maybe Americans and Chinese try to control systems from allowing transmutation into their countries; False report - Keshe recruiting spies in China - KS supported it; Change to structure of 'no spies' - spies for Creator; Deliberate damage by KS; Gradually all nations receive same; Transmute using system size of phone - problem for governments; Systems lead to cooperation with governments; Been testing you for past 20 minutes without you knowing - connected to Cosmic Rays - monitoring Souls and behavior; Some might feel different; At this moment you are being monitored through your Soul; Explains graphs; STP and P battling - have touched your Soul; Governments & citizens will have a say in use of system; Graph shows when P dictating to Soul - wants this and that; I can call you to have a Coca-Cola - you'll be searching like crazy for a Coca-Cola; Power of new T; Through Soul - dictate what your P will do; I can control the dream; Shown this to you many times already - asked you to see your uncle - go to the Moon - it's same; Connects directly to your Soul - can have you change things; Don't announce anymore when come on KSW - for loyal KS; First time in (pure ??) plasma system; Think about what emotions you've had; Observe how you change over next days; Fulfill my promise to make man peaceful; No government can control this; Advertising makes you buy Coca-Cola; We deliver through Soul - like a slave to it; Soul decides - body follows; This is why you have to be in Arizona, Tehran and China; You don't eat Plasma Food - absorb fields satisfies emotion energy; Feed you anything - anywhere in U - 24 hours a day - links onto Cosmic Rays (CR); Promised - no hunger - deliver it to your Soul - absorb energy from Cosmos - feed P - P doesn't need to kill; All beings receive same energy - man - animal - tree - man in Space; Not release data from Friday sessions; Invite KS test privately; Not show how to replicate it; Could not replicate MaGrav; System opened military and Chinese authorities - same with Americans and Iranians; Systems combination of flight - living structure - planetary system - create motion - food - everything - like the Earth; Fish hardly eating - getting energy from system - learning to absorb energy - AA on surface; If P goes rebel - System brings back in line; When come for KSW - part of research; Can monitor Soul individually; T advanced because continuous connection to CR and Universal links; Tesla Scalar Waves means same wave coming to or going away from - only use different names; Can't put Scalar wave in a Faraday cage - different strength - goes through; Faraday cage - decide

strength of matter state to block it; Combination of Nano coating systems - build barriers; Using Wellness units - treat like spaceman - connect a million to system; Connect systems together - create an environment - Arizona - Tehran - China cover everyone on planet - feasible in next 5 years; Cosmic radiation different than CR - knowledge not yet shared; When share Cosmic radiation - see changes - lot of knowledge needs to be learned first; B12 & B9 are radiation sources - use M field radiation in Wellness Centers as sources of CR - same as B12 - U makes in abundance; CR are different than cosmic radiation - two different things; Soon this knowledge in hands of man - first become peaceful; Have CR in body; Organs created from cosmic radiation; Functions of different organs have a corresponding field strength in CR; When CR hit a condition of life - CR convert their strength into an organ; Doesn't have to be human AA - why all animals have these characteristics - fields come at the strength of the CR & Cosmic radiation - it's not RNA & DNA; (Huge knowledge on Creation - comes out of CR); Cosmic radiation doesn't carry this - transformer - fairytale to man; Why AA carries this; Package of plasma of CR - takes P shape; Now we can control this - why we can reproduce a brain - heart; Example - Zebra fish reproduce heart connected to CR - used in Ghana; Test transmutation - if leave heart behind can adjust system; Can't explain everything to KS - not deep enough; Knowledge - not magic - understand science of it; A fish died during test - other fish gave "kiss of life" - back to life; Research is very deep; Share knowledge with KS across world - so no government can touch - belongs to humanity - governing needs to be changed; Scalar Waves - "junk DNA" - just terminologies of ignorance; You can use it or abuse it; We can control a lot of things with new T; Our team - battling out with your fields - not doing anything with it; No scientific organization will share what we share with you; We can dictate where fish will go chose one to transmute; When told we are monitoring you - all panicked - thought you were being spied on - but center line remained - knew it was in safe hands; P not trust - but belief stayed solid - no abuse - created mayhem for yourselves; If short - take energy from us; P will drop - ready for transmutation - we choose which one of you; Transmutation through another link; Why we call you to come to Iran - Arizona - China - become part of research; Earth rotates within fields of Cosmos - creates life - energy field called love - real and can be touched; Have to nourish T - freedom of man from shackles of P - hunger - everything else - kingship; Kings will beg to use T - feeble - Mr. Charles has Cancer; Only solution is to feed through the Soul - all diseases come through unbalanced energies; Let your Creator feed you - stop pinching other lives; Pinpoint Soul through field strength - 100% accuracy - satellites can't do; If Soul is pure enough Mitra & daughter come to you; Appear as light; Mr. Keshe meets them frequently - honor and privilege; 104th KSW - virus in form of music - noise; Field interactions at specific strengths create friction - light - noise - viruses have same; Can assess strength of it - decide how to respond; Viruses have different strengths when they touch our Soul; Already know this - , for thousands of years chose matter state; Learning how your fields react; KS becoming aware of power within themselves; 5 to 10 years put these systems as Chips in body - Soul and thoughts transmute; In Arizona - not called "beginner" get "hands dirty" - study day and night - catch up; Have to be able to make fee - day and night work - be devoted to knowledge; Support others to participate; Setting up bigger structure with equipment - machinery to develop new Space T; Finance with Markray - already sorted out - bring back into operation - I'm majority shareholder; Centers next to desert - good for flight

tests; Transition time from conventional computers to plasmatic computers - collaboration between the two; Already exists - brain and STM - 7 billion plus all animals; Cannot steal - make Souls open & available to whomever wants to take it; Our Souls have access to knowledge in all other Souls; People felt power of systems in KSW today; Need time to switch off systems - adjust back to normal - not drop in ocean; KS afraid of Chip in body - you will be asking for these Chips - plasma Chips - not like what Musk and governments do to control; Israelis already Chip high ranking people; Musk works closely with Mossad - their T - he is used for different things - applications; Musk follows the work of KF very closely - new Tesla batteries using KF Nano technology - tried to copy MaGravs - called 'energy units' - has a team working on KF T - financed by American (?? government) - but doesn't understand; Emotionally touched by systems - you change.
