

548th Knowledge Seekers Workshop July 25, 2024

(Quick Index 19 pp, , Topic Index, Proofing done ; Need to do; Key Phrases, Words)
(Auto transcription from Elias)

Manifest Spaceship from fields in Iran - not metal; Transmute from ship to planet surface; Transmute physical objects; Permanent life in Space; Transmute inside planet; New Science begins; Create matter from Energy; Plasma like Onion layers - tight in center; All Creation made from same pattern - atom and orbits to U with galaxies; Micro & Macro; Atomic orbits according to strength; Need correct strength to jump to different layers in U; All atoms have same structure - not different electron orbits - fallacy of science; Transfer - Book 1; Transmutation - Book 3; Light from one to other; Entire U Community learning new Knowledge - not just Man - not become arrogant - all equal; New created Beings have Knowledge from birth - not go through Man's suffering; Daughter Mitra last Friday - everyone can reach Knowledge; Make UFO from suitcase - plasma fields but in D of P; Truth about position of electrons; Gap between galaxy - M fields interact Twinity System; Unpredictability of electrons - really MaGrav positioning; Will give more on Star Formation; 2024 evolution in Science; KF Youtube channel - Live watch KF system worldwide - like 129 Tesla; KS spread knowledge to everyone; Show UFO creation in Iran - before your eyes; Spaceship from fields; Decide future of Mankind; Support KF to stay independent; Absorb energy for others - what they want to give - don't kill; We decide what behavior is acceptable - belief's; Government trial KF T - prescription by doctor - pharmaceuticals; KF Wellness change; Can't answer medical question - not medicine; Knee Gans; Bone regeneration; Changes made to body by Soul not painful - in P pain; Scientists now afraid of KF - won't approve; Governments afraid of change - not speak to KF; KF pushes ahead release of T; Plasma Wave unit - deliver products factory to house; Bring One Nation own way; How to interpret meters on Youtube - new system; Govern ourselves; O in lungs - Bends - Gans cylinders; Comes from family medicine men - grew own herbs - never studied - know fields; Chinese Medicine effective - change; History of race in RNA; Gans change - only take certain fields; Personal experiences through own emotions; Plasma feeding in Gaza - ongoing; 105 KS abuse Gaza system; Unicose system for transmutation - completion.

Topic Index

There is physical and energy side of knowledge; In Iran show both physical Transfer & Transmutation; Use Transmutation to easily go to surface of planet - spaceship left in outside atmosphere; Manifest P in shape of that planet; Objects have Soul - transmute and transfer physical objects; In Iran physically transfer body in space craft; Requested American government to allow landing of spaceship from Iran; 2025 show Transmutation in Washington; Key to permanent life in Space - able to Transfer and Transmute back and forth - like rest in Space do; Transmute inside planet - understand worms and ants life; Last Friday's session - experienced different D life - tree to a stone; Slowly getting used to; Transmutation & Transportation becoming part of life - show it in Iran; New Age of new science here - KS part of it; World was part of 129 Tesla experiment - successfully showed power of plasma - Energy is M fields in motion - not dependent on

matter state - how play with fields of U; Matter state limited - cannot go beyond - condition of environment in matter Inertia state; Observe when motors rotating Gans reactors stopped - saturated with plasma fields; Soul of System take over P; Plasma energy - in D of fields of U - stronger than matter state - plasma steps down in strength; Example of peeling an onion; Outer layer softer - in center field strength is tight - small - how plasma looks; Compared to different galaxies in U; U is like an atom - proton in center - amalgamation of many energy fields - number of electrons on different rings - different orbits; Unicose has same structure; Creation uses same structure; Central seed make up central line of U; Galaxies positioned in different orbits according to strength; Same a "S-rings" Nuclear terminology; Fancy atoms like Plutonium - Uranium - same structure; To travel Space need different field strength energy to go from one layer to another; Not so easy to cross; Man makes assumptions - Einstein - mess everything up; What is in macro - in micro - vice versa - same process of creation - interaction of fields; (All) M fields interact same way - no matter where in U; Scientists make up ideas about Creation - not true; Go through imaginary M field rotations; Why electrons and positrons - relate to galaxies - 'atomic rings' of U; See structure way it really is; KS responsible to understand - Transmute & Transfer - become energy without either; Transfer is Book 1 - Transmutation is Book 3 - Light goes from one to other - breakthrough - cross limitations; Present science full of fallacies; This problem is for whole of U Community (UC) - going through same commotion as humanity - learning same as humanity; Knowledge of Creation being spread across U; Not dependent on intelligence of man; We are Universal Teachers - humanity physically sitting in classroom - rest of UC learning same time; Line of Universal Communication to reach Souls outside classroom; Mankind will be equal to UC - not become arrogant - needs to become humble; Knowledge will be given to all newly created Beings in U; New races not have to go through whole evolution & pain Man went through; Born with Knowledge; People felt Daughter of Mitra last Friday; Monitored it on system; Means Knowledge of U can be reached by anyone; Understand all Knowledge not just parts you like; In UC no one will be higher than another; In Iran show manifestation of UFO - not from metal; Created fields of U - can travel in P in Craft; Use Soul of System to connect transmute inside; New flight system manifest in P as if came from nowhere - convert fields of U into matter state Craft - can fly in D of matter; Have to transmute to get onboard; No doors on these spaceships - transmute through wall at field strength of Craft; Revolution in science and T - Man never seen before; Create matter from empty space - fields of U; Invite all of you to be part of presentation - collectively understand change; No nation will be superior to others - find solution; Stop mayhem Mankind created for himself; Knowledge given to every nation at same time - no superiority; Nuclear weapons obsolete; Energy is M fields in motion - doesn't need matter state source; Truth about position of electrons - why take different positions in different rings; Can't cram 3 electrons into inner ring and put 25 electrons in second ring - wrong understanding; Every atom has same structure; Understand gap between galaxies - how interact: Understand Twinity System - how M fields interact - MaGrav positioning; Look at atomic field combinations - not matter state of it; It's copy of orbital motion of U; Difference between atomic structure motion & plasmatic field motion - where these touch they create motion of electrons; Unpredictability of electron motion in rings - is really MaGrav positioning - field plasma of radiation - two interact; Can't predict electrons - not understood center of M fields -

radiates like spiral - jumps from one to next; Nuclear decay - interaction of fields from inner plasma field strength - nothing to do with electrons - nucleus; Collectively interact - dictates position of electrons; Half-baked knowledge of atomic structure; Like Weight and Mass - effect of Inertia on totality - structure more complicated; Understand atomic structure of U to be able to transfer & transmute within it; Transmute to different layers of Onion; Understand how to create M fields; Never understood principle of Star Formation (SF) - process & creation of plasma; Revisit SF - hope American scientist who put in patent will understand - gets his Nobel Prize; Bring next step of evolution; 2024 - year of evolution in science - T - peace on this planet: Beginning of next step; Creation of everything in U follows same principle; If don't understand make dogmas in science like today - falsify everything to make fit - never works out; Nobel Prize should be given to every man - for understanding process of Creation; Only way off this planet is Transmutation & Transfer - become citizen of U; Time to reach this point; Mankind doesn't need to kill - live harsh life - get sick; Every need of Creator is met by Creator; You're in one of the orbits of Creator.

Part 2

Important news - KF run Live tests on separate Youtube Channel - for world to see; Like 129 Tesla about 10 years ago; Follow experiments for weeks - watch meters - change of M fields - creation of Spacecraft; Promotion of T - Space travel; Monitor progress hourly; Ultimate goal in science - conversion of energy into matter & matter energy into 'lift and motion'; KF system will do; In Iran bring in suitcase - from it - Spaceship will be created in its own dimension; Saw part of it - London Ambassadorial Conference; Sensors show weight change; System will have own control center - like its Soul - allow transmutation & transfer; System will not be shown - saving for Iran - monitor everything else; Start with empty space - build spaceship from fields of U; Size can reach 50 football fields - cannot use hangar - not used in U; Full power shown on November 16th in Iran - week later to Iranian Military - invite world militaries to see; No superiority in power; Invite people to view on Youtube - spread around world; See change in weight - formation of structure from fields - detect different fields; Start discussion about technology worldwide - from now till Iran conference; Not going to fly UFO - show you how to build your own UFO - build right in front of your eyes; This T converts energy into matter through interaction of fields; Who can go inside spaceship?; Have to transmute in; Those who kill - not be able - Soul not allow; People can make short educational videos for newcomers to understand T; Open suitcase in Iran - then Washington - transmute across; Last Friday's session - you're correct - you felt presence of Mitra - you brought her in; Recorded interaction; Gift to humanity; Not using dynamic reactors with motors; KF is so advanced - scared to show public - not scared of knowledge - but abuse by the abusers; Motors can fail - not with plasma; Offer to world governments in conjunction with KS - those who govern - ones governed - will dictate next step for humanity; Let's see how governments decide future of mankind; Open same "suitcase" - build a house - close it - move to another location; This is a reality in our hands; Start sharing it with KS; In Iran show lift & motion - creation of energy - food production - matter production through fields of U - create illusion of matter state; Please support us financially; Extremely terrible time - many organizations will try to stop this T from coming out into

public; They consider it 'disruptive technology' - because they lose their control; Not disruptive to KS - gathering knowledge over years - now see fruit of it; We can create matter out of energy state - leads to creation of Soul - part of structure; Iran then to Washington; Hopefully no more race differences between people on planet; Try to justify eating other beings; Still leads to its demise; elevate knowledge don't need to kill - receive energy they want to give; Put in prison for robbing papers in bank - not for going to supermarket and stealing countless lives to eat; We make one act acceptable - other not; Now can use KF Apps - receive energy online - close butcher shops - bakeries; Absorb energy directly from Space; Depends how we interpret things - what suits us; In U only one rule - take what you need from fields - leave rest for others - do not store; Knee Gans not for regenerating leg bone - made for specific purpose; Gans's are energy - not medicine; Energy packages have to be used according to how they function; Need right mixture of energies; Massive evolution and change in KF Wellness side; A government will do 4 clinical trials - next year or two - certification & licensing - products have to be prescribed by doctors - handled by pharmaceuticals; Become normal part of Medicine and Wellness; Not done by KF - other organization; Each (product) will have a specific use; Fingers changed shape in last Friday's transmutation session; If changes come through Soul not painful - if though P can be pain; Mr. Keshe cannot answer medical questions - this is not medicine; Face this reluctance of scientific community to change everyday; Answer is to go to Youtube channel - spread T; Talks about problems with government scientists - showed them tests - now they want to ignore T - lose power; Proof that Nobel Prize winners used KF knowledge - recorded IP addresses; Scientists now avoid KF - afraid of what's coming; KF is well known by most governments; KF covering too much - entering World of Energy - they don't allow; If show weight reduction will they block Youtube; Big changes will come; Have T to deliver packages direct from factory to consumer; 'Plasma Wave' unit - only a couple years away; We brought T to be shared - bring change; If they block Youtube we'll go to another system - we can do a lot of other things; New Space T has to come from within KF - not American, Chinese or any other government; We'll run it as 'One Nation'; Many governments don't like T to come out - scared to meet us; Their response is - you'll become too powerful - bring changes; They know their position is in danger; American government is afraid of what is to come; We have to bring it out - using Youtube; We're not afraid of situation - prepared to go to next step; Leaders will have to answer for blocking T - prison - not us; We'll bring One Nation our own way - not looking for how many people watch Youtube; T belongs to whole human race; Shows a video of 4 weight sensors of system; Small system will create one of biggest spaceships Man has ever known; Daily check these sensors; In Iran - see Craft; World Peace through small system - all nations equal - T go to every single nation; Cost few thousand to build; Was in Key given to governments over 10 years; Release T in full detail to every man on planet; Took weeks to build up 129 Tesla; Plasma needs time to create; In Space same process takes 2 to 3 million years; Once plasma is established remains; Tested this system last Friday; KF doesn't receive any financial support from any governments - no influence; Go on what KS donate - stay independent; Need lots of financial support; If sensors reach zero spaceship taken off; If figures get blurred - UFO being formed; KS start making little videos to teach others T; System can be reduced to size of a shoebox; Beginning of Oasis system; Give Gas Unit to every household - secret service said they don't even know if

they want to kill you because of Gas Unit; Energy from fields of U; We don't get approval from anybody - don't understand T; Highest academician in China Gas - won't approve - lose position; KF wants to change Space Technology not make gas - everything else will change automatically; Not here to govern - everyone govern self; When air enters nostrils becomes a plasma; Best part to STM leftover to lungs - matter state low level; Inside lungs is all energy - no matter state - changed into a Gans; Ocean divers - get "Bends"; Due different plasma M field condition - not O2; Use Gans cylinders - become fish; Same problem in Space; Science looks at pain through physical body - we look through Soul; KF Wellness teams still in Matter state - he works with Soul - no problems; Gans is just a gimmick; Comes from generations of medicine men - family made own herbs; Never studied medicine has in Soul - genes; In past Chinese medicine pure - effective - now use chemicals - changed - is Gans mixture; Understand structures of different states - matter, Gans , energy, vegetation state; At death everyone judges own Soul and conduct - forefathers; Don't die; Seeing is different than being aware of; Whole history of human race in our RNA; Whole U known - in energy; Every piece of broken magnet same M field strength - part of Totality; We carry all the information; 1 year after make Gans energy changed - Gans's are living things that give and take; When cakes gone only bread left - take different field strength from Gans - only part left; Consider field connections to Gans; Nature makes a poison - few meters away makes the antidote; World of Creation same; (P needs to work to mature - not automatic); Don't ask about plasma cities - we'll let you know; Deliberately brought forward presentation in Iran - prepare world leaders for what is to come; When we rule - bring World Peace; Personal experiences created by your own emotions - why we can't answer; Or was it just a passage of time; No rules for experiencing; Update on Plasma feeding systems in Gaza; Have to make changes - once connected they remain connected and can take what they need; 105 KS abusing Gaza feeding program - hurt themselves; New systems - step towards Iran conference - 'Unicose system' for transformation, Transfer and Transmutation, and Completion; Need a lot of financial help to keep this project going and keep independent - donate through normal channels; Watch us on Youtube and spread T around the world - let's see the Change.
