

# 549th Knowledge Seekers Workshop August 1, 2024

(Quick Index 19 pp, , Topic Index, Proofing done ; Need to do; Key Phrases, Words)  
(Auto transcription from Elias)

Soul-Passport; Youtube channel teach T - Energy for Peace; Announce One Nation policy for planet; M fields created Atom; Plasma Data T - carry information of Soul in Soul - document for transmutation; KF through UC and Earth council govern; Borders disappear; Finance government without taxation - like other planets; New Type memory - computers; Body - common denominator data collection - connected whole planet - ants birds; Cannot imprison for transmutation; Rules for travel; If break (rules); No more superiority; Lies come to end; Undo structures - kingship; Disarm armies - use Black Hole; Couldn't release Gas Unit - not ready; Setup 2 years - irrelevant what happens in world; Group to transmute; Governed by STM; March 2025; Teach everyone transmute build system - like MaGrav - easy; Connected to system by Soul; Feel everyone's pain - not cause; Birthday video; Birth UC - UFOs; Servant to Creator; Only by mass release T - have 24 hours; Biggest fear - those who suffered try to settle scores - mayhem; Never ingest Gans; Transition period - mass transmutation get One Nation; Death threat if release; KS have to spread quickly; T will cause no destruction - Man frustrated blame - dangerous; Successor is hunter; Wildfires part of nature - can't change; T for house fires - CO2 environment; KF Health Systems with headphones; Constantly watch movements; No one - no government - strong enough to stop change; Script written for world peace - not from humanity can't stop; Earth tiny magnet - change Creation; Here to correct wrongs in STM; What happens to bad Souls - no other side - dust;

## Topic Index

What is our nationality - are we part of totality of U; Youtube channel to show T - prelude to Iran & Washington; Establish 'One Nation' policy for planet; Birthday of Universal Council (UC) - witnessed massive UFOs to confirm; Youtube channel - A New Space Era and Energy for Peace; Energy of the plasma; Discovery of nuclear science - wars - threat of annihilation of humanity; Plasma inside Atom - energy of peace - prosperity - freedom from Earth's resources; M fields originally created neutrons, protons electrons - travel depths of U - same M fields; Gift to Mankind - energy for peace - source of prosperity for mankind - freed from planet; Launch transmutation & transportation system through Youtube Live; Announcing One Nation - Keshe Coins - UC; Soul - "passport" for identification when transmuting; Example - Bitcoin everybody was against - US government holds 210,000 Bitcoins; Same thing will happen to KF; Documents when transmuting - 'Plasma Data Technology' - hope governments will accept; KF creating database for all citizens of Earth; KF will govern through UC & Earth Council; Later in conjunction with United Nations; Borders disappear - can't control population movement; How to finance 'governments' without taxation system; Same used on other planets in U - it works; Plasmatic data transfer of information - no one can break into; Kept in your own dynamic plasma - between emotions - STM - STP; M strength field connects you back to Earth - always come back to Earth; No paper - nowhere to hide - carries 'fingerprint' of STM; New type of memory structure - develop

new computers - already in hand; Have used without knowing in KF T; Body has common denominator data connection & collection - connects to all living things on planet - ants, bird, or whatever - all have same information access to each other; Cannot abuse with information; Transmutation or (physical) Transfer to Washington don't need passport; KF holding Soul identification - ticket to your freedom; Governments cannot stop anyone from transmuting - impossible; Governments responsible to find solution - not us; Cannot imprison any KS who take this path - disappear from prison - handcuffs drop on floor; Getting everything ready for change; All political structures on planet align presidential elections with America - develop relationship with President US; Use this structure for acceptance of new T; New Soul passports - point for peace - explain later; Rules for traveling no weapons - do no harm - if aim in Soul, STP, mind and emotions to create problems not transmute; Biggest crimes to break this code - it will separate your STM from STP; New flight system - transmutation - gradually brought out - shown in Iran; Governments have to restructure themselves- abolish borders - passport & wealth control; Wealth used for everyone - like pension policy, national health policy, unemployment benefits; Globally accepted - has to be this way; Abolish what man has made to control wealth - which nation is bigger or smaller; All lies we accepted will come to an end - lies about making Europe and America appear bigger than Asia and Africa - create seeds of superiority in whites; In Space life is a collective of race - Soul of planet - Soul of galaxy - and rest; We won't ask you to carry Visa when transmute to Washington; American government has no control over how people enter; We'll identify you as being part of KF structure - new evolution in travel; Undo structures mankind setup for himself to divide people - kingship - making one nation more powerful and wealthy than another; Bring in One Nation; We don't need another nation to feed us - system feeds us - not burden country - don't ask for job; These are reality not dreams; Start - Soul's field strength pattern of Creation - we know who we are - our pattern of thinking - work through Ethos of KF; Youtube channel only for teaching - extend knowledge to all of humanity; KF presentation in Iran independent - no government influence; Lift & motion - create Soul of System - interacts with Soul of every Being - allows transmutation; Gift to UC - start setting up structure for One Government Nation - bring about with Earth Council; T developed and spread enough - release more knowledge; Released Gas Production Unit - wasn't for burning - to mature your knowledge - connection to plasmatic energy; You want to burn methane - CH<sub>4</sub>; We saw C as connector to plasma base - H as energy exist in U; C in CH<sub>4</sub> connects you to U - C in AA connects to another cell; Take from T according to own intelligence; It's how much you can decipher from teachings; With this knowledge who needs passport; Build up your trust for Iran - then to Washington DC - Moscow; Next 2 to 5 years bring all governments to understand; UC will govern; Leaders & nations - become servants of peace - not slaves to lies for making more wars; Armies will disarm themselves; Read - Creation of Black Holes - take fuel of every weapon into itself - nuclear - gunpowder; Structure for One Nation set - KS will test it - rest of world will follow; One Nation Soul-port instead of passport - key to peace - liberate man from planet - equality amongst all men; Equal to every other creature in U; No feeling of superiority; If man thinks skin color, path to God, having wealth - is being superior - better that man doesn't exist - not way he was created; We'll create systems for masses to be able to transmute and transport - put an end to nationalism, racism, hunger, and poverty; Use T at time of need; Hope

everyone understands change coming; Can't release T all at once - mankind not ready; Getting Man ready; Needs to create conditions for equality through plasma; It's not for us to do; humanity has to understand process - change conditions; Those in last Friday's session & all 4 sessions - be first group to transmute to Washington; Individually or collectively; If you feel safer can ask for American Visa; If strong enough tell them part of KF Transmutation program; There will be no part of you there to be arrested; Iran conference physically meet in Vienna; In Washington take all as a Soul; We set this up 2 years ago - foresaw what was needed; Irrelevant what happens in world - we'll make change govern as One Nation in the coming weeks; Transmutation has no physical D - no prisons for STM; Accused him as Antichrist - cannot control us anymore; It's a game changer; Those from Friday's session - automatically become part of transmutation to Washington - don't need to apply - already accepted; Teach you over next 3 months to transfer P; KF T shown in Iran - not T Iranian government or military - same in Washington; Next session try different approach - push you to understand your parameters - have 7 months until March 2025 - then you fully transmute; Present your P in Washington - end nationalism - old system - beginning of One Nation; Nobody can touch us - imprison or kill - in D of energy fields - not P; Established One Nation governing policy today; It will be run by you and nobody else - by collective STM - in what mankind is ready to accept to be equal; KF alone is delivering - not in conjunction with any organization or government; Time to govern planet through Soul - not P - in time we'll see the change; Still work to support physical life - gradually bring in transmutation; To bring peace have to bring in full transmutation; Teach everyone to do it; In a year hopefully United Nations will accept One Nation Policy; Don't need defensive walls - no effect on Soul; Connected to system through the blood - connection through Soul already tested; It's already here - you'll feel the emotion of the system - others not feel - you are part of system; Data will become part of every man on planet; Pain of one will become pain of all - not cause suffering - will feel it yourself; When man matures - explain how it make data bank; Others in U do it; In the Gans's - didn't understand; You have to want to transmute to Washington - can't make you; Americans have no rights to stop this or control planet; Planet belongs to its citizens.

## Part 2

Happy birthday video for Mr. Keshe; Coincidentally same as birthday of UC; They work in background through fields - at moment we don't understand; Things work through the background (Soul); We are only servant to a master which is the Creator; Servant to ourselves as we are part of It - our emotion creates His emotion; Hope this coming year will be a turning point for all through knowledge and T - not anything else; New frontiers in science will be achieved; Man setup a structure to rule this planet - ones in power will fight not to lose it; T can only proceed and succeed through a mass release of it; All nations will have equal access; We did with One Cup One Life - simple everyone could easily use; Transmutation system will be so simple even man in back villages can access and do; No one will be superior; If we don't come to agreements with governments in next few months - release will create mayhem; Will be a lot of suffering; Misconduct and injustices done will show itself; Hope mankind will be strong enough to bypass; Those oppressed will want "revenge" - others hold on to wealth; Scene is already set for change;

How will humanity achieve peace - through its own understanding; Never ingest the Gans, only use the water above; Cosmic Rays materials (CRm) are being produced; No transition period for One Nation - as T is developed; How it happened on other planets in U; If transmute masses of people over next 6 months - One Nation will automatically fall into place; Can take a few hours or a few months; Youtube will be brought down immediately; Mr. Keshe received death threat if he releases T from two leading nations; Take serious but not much can be done; Release T in different way - at once - large numbers out of government hands; Collaborating with leading world companies; Show Lift & Motion - KS spread it across Internet quickly; Has to happen right way - in 24 hours see mayhem; If goes wrong way - they'll wipe it off Internet; People make plasma units like MaGravs; My T - accepted out of fear - not its beauty; Biggest fear those who don't have will think they can take what others have; Governments need to take action - bring equality; Biggest losers will be millionaires - assets will be shared; Setup support structure for food, shelter, medical needs, and energy needs; Will be worse than rush to America; There will be no destruction with T - people will release frustrations of past times - dangerous; Could have released T decades ago; Idea of (settling scores) is the biggest problem for releasing T; March 2025 right time to release T - why chose Washington; I can transmute to America - come and go as I want; Not magic - using T; Plasma system easy to build - quick release - easier than Cup Life; People come first days - won't stay in America/Europe - needs met back home; Taking time for you to understand plasma; Didn't release T because people not ready; World leaders have to understand change - or else forced; Create a mass movement for One Nation; Could happen instantly; Cannot use T to stop wildfires - part of life process of planet - cannot change - create other problems; Fire will burn somewhere else; Managing life - art; Person who will takeover KF after Mr. Keshe - manages land - hunter; Cannot control Earth's tectonic plate movements - earthquakes - tsunamis - volcanoes; Planned billions of years ahead - we have no say; Tested T in China - create massive environment - CO2; Work on change environment to CO2 - house fires - can't be suffocated - creates life after; Do not use if have artificial eye lenses; KF Health systems purchased - totally different than KF Health Centers - don't depend on doctors - loaded with materials; Special way to handle X-ray contamination - extracted or absorbed; About recent assassinations in Iran - KF Iran will handle arrangements; Sun doesn't always rises exactly in East - oversimplified knowledge for people - many factor and M field influences; More about releasing T - mayhem created; Those who don't have - want what those who have got; He can transmute - can they kill him - he replied - we don't change the conditions - everything has a reason; Governments feel threatened by T - built up income structure; Man puts values on things - to control others; They constantly watch what Mr. Keshe does; Let them bring themselves to an end - inevitable; They cannot stop the change; Their best chance is to work with us - bring T out slowly - controlled way; Tried many times to kill him; Tells about assassination attempt in Belgium; Nobody can stop change - no matter how strong they are; We don't make any claims - understand what needs to be done; A script has been written for world peace - set for a certain point in time; Doesn't matter who is or is not in power - or whatever else happens - cannot stop it; Dictated by the bigger structure - not mankind; Planned advance in science last 50 years - need communication system to spread T; Brought Soul communication; Mankind's future already set; Reason for this change; Tiny magnet moves all other

magnets; Tiny magnet is Earth - Soul of humanity - be reflected in changing all of Creation; Have to get everything on Earth perfect - effects whole U; Here to correct STM for change; No one in world can stop process; Because we set it up - know what will happen; Mr. Keshe chased assassins in Belgium; If they can assassinate me - my process complete - I have no fear ; If anybody touches me - their bloodline will not exist anymore - nation; This movie will play out in a very ugly way - end will be sweet; People have done too many wrongs - not forgiving like us - settle the score; Netanyahu - not count Palestinians as humans - every unjust man finds a way to justify his actions; I came off the cross - a bullet is nothing - Let's talk; Question - what happens to bad Soul when leave Earth .. on other side; There is no 'other side' - all on the same side; Already taught about gathering strength in physical life for Soul travel at death; Criminal minds end up as dust; God doesn't create "God wall" to keep some people out; Man in totality has to live with fields he carries - in STM; ?? Soul trapped by its wrong doings; More dimensions than P and the Soul - not mature to understand - teach later;
