Topic Index

Teaching on why suicide is forbidden; Have to complete our natural process; Original KF patents have "death code" - how you can end life; Used plasma instead of Soul in patent. Ending cycle Soul also forbidden; We don't know - our Soul is not ours - bigger structure; Partly supplies energies to other Souls; Ending of a cycle of a plasma - like Supernova - Red Dwarf - names don't explain truth; From birth - we know not allowed to terminate our Souls; Death code like an emergency button - cannot use - forbidden to use: Not end physical life - or STM; We are part of Creation; In suicide Soul "half-cooked" not mature; M fields of STM connected & interacts with rest of U - alone by itself; Killing ones own STM forbidden; It has never been done in the cycle of Creation; Deep inside all Souls in Creation - aware of own existence; Death code can harm other Souls - all Souls linked - never used - could change course of others; Like moving tiny magnet on table of magnets; Could create demise of other Souls - removed from table; Doesn't matter if you wanted it or not; Understand wisdom of not terminating a life; Not as simple as opening your fields - spread across U - about 'MaGrav positioning' - gravity in center get destroyed - fields start expanding; Remember - thy shall not kill or steal - Ethos of Mitra; Why Creator doesn't interfere when all horrible things going on in U - observes - feels - never brings termination; Terminating Soul - create havoc; What would

happen if Creator decided to 'pull the plug' on Himself - where would all the fields go; Fallacy of "Big Bang"; Or is life and Creation mirage - imagination of our thinking; But even that imagination needs to have fields; Where do those fields come from; Doomsday of Creator - going back to nothingness - never been nothing - always is creation of life; Don't terminate life - never know what beauty is coming next in your life; There are other Souls that feel the pain we are going through - they will give to change our condition - bring life back - reignite purpose; Not allowed to speed up process - even on deathbed - have to go through complete maturity; To end a Soul is so horrendous effect every being - every star and planet; Enigma of 'Black Hole' - always a light; First paper about creation of Black Hole - also light which comes out - leads to creation of life - gives energy; STM will expand its energy - doesn't end - joins others; Soul transfers its energies in all dimensions - gives where needed; Liberation of STM - when it expands - connects to everything else - given gift of life; Become 'Satellite Souls'; What it means to volunteer to be a Satellite - make connections for other Souls; Soul functions by expanding and connecting; Your Soul is not yours - become Totality; Satellites give gift of themselves - they connect Totality together - glue of all Souls - give pleasure of existence; If demise your Soul create a contraction - effects all other Souls - MG fields of plasma; Black Hole gives life; If demise Soul - becomes a gluing process - connects the other Souls in all dimensions; Has never been - never shall be a suicide in cycle of Creation of the Creator; So why in D of P; Stand correct in your conduct - never wish for demise; If you expand your STM - beyond yourself - become the All; Position of true Prophets; Not Prophets of man - made up by man; Giving without receiving anything back - balancing of the U; Never contemplate suicide - causes damage beyond what man can understand; Create Black Hole - pain to family; In D of Soul becomes an enigma for destruction of the Totality; Rest somewhere - later come to a position of giving - become part of Totality again; Mitra is all that has been created - emotion of love receives from Creator as fields and dimensions; Reason why teaching about suicide - put in patents; Many when go through transmutation will land in wrong place - become lonely - have suicidal thoughts; Have to go within yourself - within Soul - energy fields; Teach next Friday what to do when get lost; Find generosity of your Soul; Find unity of STM & STP - both are you; Understand which emotions are needed for Transmutation; Learn what feelings mean - you are responsible for them; Emotion dictates position of STM during transmutation; Test of emotion is the most important part of existence ; A man without emotion is not alive; A Soul without emotion does not exist; Understand 'Emotion of Existence'; Soul is here to give for others to find their own existence; Behavior of Creator - embedded in every Soul; Not selfishness - detachment; KS responsible to understand - part of - and not all of; You are an accommodator and not the controller; Be able to attract fields to sustain your life - keep giving - will receive according to your wish; Food of Soul is emotion; Emotion creates seed - attracts 80% from fields of U; As long as there is emotion - there will be life - respect for that existence - thy shall not kill not even ones own Soul; Abide by laws of Creator - embedded in DNA and RNA of every creature in Creation; Philanthropy in D of P - not in D of Soul; Everyone understands 'Emotion of Existence'; All Souls are connected when interact with your Soul - automatically aware of your emotion - cannot steal and kill in the D of the Soul; If get lost in transmutation - know it is not an end - create emotion of home - bring you back home; Emotion of Responsibility - connected to Creator - not to man; No Soul in U needs to use death code;

Death of one - is the end for all - no Soul has right to do - not even Creator; Always find solution in both P and Soul; Suicide is forbidden; In transmutation end up in wrong place - used wrong emotion; Understand about giving - find way out; To elevate Soul of world leaders - understand what that elevation will bring to them in D of P - same with everybody else.

Part 2

Have to teach both P and Soul - understand Totality; New Youtube channel emphasize Energy equals M fields in motion; Motion of fields creates their own energy; Fields do not have Mass; X-rays do not have Mass - part of M motion of Creation; Cannot measure Mass or size of fields at any point in D of Creation; Mass is a manifestation of interaction of lower fields in respect to higher fields - a field strength movement or position; Explained Mass and Weight in Book 1; Redefined mass in terms of plasma; $E=mc^2$ is hypocrisy - Creation does not work that way; Energy is the speed of the M field - has no Mass; Mass is a creation of matter state and confirmation of existence; We feel fields of Creator - not the mass of Creator; If understood transmutation and functioning in U - much easier; Can distinguish between Plasma and Matter - energy of Creation & energy of manifestation of Creation; Ignorance has spread through $E=MC^2$ - created many problems; No Mass in D of fields of U - therefore the energy of the fields is the speed at which they can travel - no limitation on speed; Put correct Knowledge on new Youtube channel; M fields can be reduced - increased - interacted with - compressed - or opened up in respect to each other - or in parallel with each other - one is G and other M; Transfer is for Mass - Transmutation is for fields or energy; Man moves Mass of his body - Souls move with energy of fields of U - no Mass; Have to understand - go to next step in T; Energy of plasma is according to emotion given - that creates speed of not only c^2 , but c^4 , c^{10} , c^{1000} ; Humans speed of light is lowest speed; No limitation of resistance from other fields; Travel millions of times speed of light - in center of U or on the boundaries; No limitations - it's understanding position and need; In Man's time - light travels from Sun to outer boundary of Solar System (SS) within minutes; Converts, transfers, becomes 'phantom' energy - same as phantom pain of amputated leg; At boundary of SS field gain Mass - takes billions of years to go back to Sun - in shape of planet - meteorite; Without sign of Creator cannot exist - see with own physical eyes - understands Totality; Physical eye of the Soul - meet your Creator - within you - find out your part in Creation; Souls from suicide become wanderers; Prayers create fields for Soul - same Amino Acid (AA); AA of Soul totally different - totality; Suicide cuts connection to other Souls - actually diverts it; They receive prayers - but don't jump up - find strength to exist in their position; Gets balanced with everything else; Remember not only one who shoots bullet - all those who made it possible are responsible - have to pay for P & STM; Why American veterans & criminals full of nightmares - diseases; Souls have to balance; Why wars and killing - forbidden in U; Suicide come when can't handle emotions; Conditions change - other Souls help us elevate - create different emotion - pass over crisis; Give to others - find solution; Not solution with thoughts; There is a collection of stronger Souls within us who provide energy to create a different emotion - new position; Get help with KF problems - work for humanity not oneself - they help; Secret of existence; Find the strength within yourself - not outside; Emotion acts like 20% seeds - get 80% of energy

from Totality - sharing of the Souls; Come with suitcase to Iran presentation - through interaction of the fields create a spaceship; Knowledge of Creation - don't use aircraft hangars; Body of craft feels emotion of other Souls - why emotions are important; Why world leaders won't be able to enter craft - their Souls don't match purity of Soul of craft; Key to spaceship - created through your conduct - elevation and balance of fields of Soul that gets you inside; Think of what Noah's Ark means - bring yourself to be part of salvation of yourself; Everything you do physical Transfer - can do in Transmutation; Go see uncle - beaches of U - planets; Inside Soul of partner - is there true love; Shopping in U is reverse - you are giver - not take; How Mr. Keshe raised his children - be responsible - understand what P is how it works; Teaching through shopping - money; Direct experience of life; Children never whined asking for things; Showed abundance of U; In P we force things - in U & Soul generosity; Results of suicide same - even if out of ones control; Cosmic Ray Bundles are for you to practice interacting with Twinity - expansion and communication of Soul - it's how you interpret it; We taught huge amount of knowledge - gave end product at the beginning - why KS find difficult to understand - not have base of knowledge; Illiterate about Knowledge of Creation - stuck on MaGravs and Gans's - really the end; CR Bundles are Space T for transmutation - connected to Universal fields; Create Twinity using CR Bundles and Glasses - full spectrum Universal fields - watch dreams for communication; CR Bundles like 20% get 80% from U - feed Soul then feeds P - other things - pain; A KS started transmuting with CR bundle; Distinguish working with Soul or P; Have given you everything you need to Transmute - Master has hidden things everywhere; It's all there - connect with it; Start testing; KS tried to change color of skin - couldn't do it; Not chameleon; Understand satisfaction of Soul - creation of emotion; Soul happy to manifest - only physical wish doesn't work; Emotion of Soul counts in transmutation - emotion of P in Transfer; Need to understand your emotions - bring balance with STM; Have purpose and emotion for it - achieve; Need strength of emotion to do it; Any level can join next Friday's session - learn a lot - beginners welcome; Can use CR Bundle; Open up new D - change emotions; Layman's terms - CR Bundles helping hand for you to transmute - already have knowledge inside; Train and understand own abilities; Learn what emotion to put in - get back; Don't have expectations attitude to make available for others - then start learning; Never ask what you can get from system - create emotion of how it pleases you - what is good for you; It steers itself to "wheel" of man; Talks about recent assassination of billionaire in Palestine - stole money from own nation; If Ayatollahs use this to destroy Iran - he will give up Iranian passport; See more details; Ayatollahs brought into Iran from Lebanon by British 500 years ago to 'divided and rule' Iran - not Iranian - they don't care if they destroy nation - paid in background; None of Plasma T can be used in aggression against any state - signed agreement with Iranian Parliament 2008; Don't support Israelis, Americans, or the rest; Israelis are doing wrong - they are the tools; We decide whether to have nightmares or beautiful dreams; Soul makes it happen; Nightmare to you - enjoyable to another; Edison and Tesla; When transmute be aware of emotions; Whether to be alone or join party; When take man to Space - be equal - not subordinate; Even Creator is amongst you - don't see - within you; Every Soul aware of beauty of Creator within - why don't do wrong things; See yourself as lover - never alone; Orb T is the Soul; New Youtube Channel will be released through Rafael; Creating plasma fields of Potassium or Calcium in water - KF already has developed this T; Calcium doesn't exist in U - it's

created; KF has deep dilemma about agriculture - increase harvests & animals - but then kill and eat them; Humans want to chew; Have T to stop eating - KF Apps over phone line; Used in Palestine; Why go back to Gans and support killing; Biggest problem - Multinationals - want money won't let T out; Can produce every hormone; See only 2% KF T; Scared to show what can do - need a One Nation structure for planet to release T; KF urgently need funds to keep this going; KS ignored call for donations - KF cannot carry this burden anymore; If he gives T - then responsible for killing - serious problem which I am faced with; Find interim way - to justify my work; Governments not allow T - making money - wagering; Wealthy KS asked to help set up free energy for people - ridiculous reply; Can't take money with you when leave; Mr. Keshe gives everything to KF; Shows all elements created from fields for Chinese - official stamp; Don't need to mine or kill for it; Need a One Nation policy - available for everyone - have shown again and again; Book 8 on M fields not yet written; Books according to what man could understand; Mankind not ready to understand knowledge; As we come from the Creator, we know about the M fields; Will finish books when he returns back to Belgium - reason for it; Don't stand intimidation from the man's Kings; As the King who made the man is with us - one day you'll understand; Long talk on Bangladesh change of government is not what appears - happens every 5 to 10 years; Biggest problem of Bangladesh is landscape - flooding every year - gave worse land to Moslems - not enough resources - always go to corrupt - continual poverty built into system; Plasma T would help - supply natural resources - bring stability to nation; What British did to Pakistan - same as Palestine and Israel - divide and rule; Oral gratification biggest problem for feeding with fields; Culture of eating food; Next step become long term passengers of U - physical body - burden on existence; Transmute take shape of local environment - satisfaction of STM & STP; Atomic and nuclear energy became curse of killing, destruction, annihilation of the man; Inside plasma found energy of peace - peace within man - feed yourself through it; Will teach how to make clothes with fields; Don't need to destroy planet - live without killing; Next Friday exciting session - trip of your life - create totally different environment; Set our path to create One Nation structure; KF needs a lot of support to bring about; Governments and multinationals don't want it to happen; It's not one man's dream anymore - all join together for peace on planet.
