

# **562nd Knowledge Seekers Workshop** October 31, 2024

(Quick Index 18 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

KF Star Formation shown; Brain converts Energy - images as dreams; Soul & P like 2 monitors - only see P - train to see Soul; Gain trust in Soul - blocking Transmutation; Bodies left behind; Soul protects P; Problems with Transmutation; One eye in Space; Déjà vu - time delay from Soul to P; Soul lived centuries in desert; Cry at birth - Soul; Flight Sessions - push to feed Soul; Gain confidence; See Light; KF Products help Transmute - U Energy; Cosmic Ray materials - not toys; Empty Space; Travel to Creator; Recognize Soul - identity in Space; Use P elevate STP - STM; Create Children of Soul; Become perfect - completion; Where come from in U; Iran Conference suspended; KF for elevation - not electricity; New T for agriculture - fields; Tritium Gans; Fukushima using KF Gans - Nano gold - government cheating; Oct 1 2024 video of KF SF used in Tell Aviv - missiles disappeared; Advise Ayatollah to stop war - release T change world; Weapons T obsolete; MaGrav under bed; Experiences depend on fields created; Brain filters converts images to human - can't relate to fields; Children cartoons dog president - not yet programmed; Change strength AA; Peace work - nations want power; US Navy patent SF a fake; Space crafts made in Isfahan; governments deny T - bite them; Watch lives people make war - connect Soul to P; Personal stories - not make weapons - peace N Ireland; Belief wavelength change; Understand knowledge; US operations closed; Why Iran not defend with SF; Iran government filled with disloyal - US passport - new president setup by US; Have Rothschild's hidden bank accounts.

## **Topic Index**

Energy creates images we see as dreams - like sending message down computer lines - convert to what we recognize; Brain converts energies into images; Same in waking state - consider it reality of physical life; Brain only deciphers what it has a reference to; Some Chinese people have one eye slightly turned inwards - brain deciphers - get confused if close eyes; Brain receives information in 3-dimensional format; Like 2 half circle computers monitors next to each other - nobody watching left monitor - have to learn how - D of Soul; KS transmute themselves - but they understand their body is left behind; KS went to Athens - left body behind; Next step for KS to gain trust - really in Athens - can call the P to be with them; Through KF training learn how to watch both monitors at the same time; Will become the norm - do naturally; If crossing dangerous street Soul will connect with Soul of the driver - inform if safe to cross road; The feeling of somebody pulling you back from car accident - is Soul pulling you back; Sleep is repair condition - left monitor working - brain has to decipher all dream information; Have to learn how become aware - collaborate the Soul with P side; Why man has problems with transmutation - he cannot make both monitors into one screen; Why do we have 2 eyes - in Space most creatures have one eye - they trust their line of connection between Soul and P; KS are lacking trust during Flight sessions - lack of trust eliminates power of transmutation - how to change this; Have to become controller of whole structure of your life; Dreaming inside the dream; Physical condition between STM - STP & P - nothing to

do with Universal life; Brain is translator & transformer of Energy - understands you are dreaming inside a dream - same time having a P dream; Déjà vu means you experienced this before - been somewhere - before you actually have been there; Actually you only think you have experienced it before - but you haven't; You have seen it in D of Soul - time delay before you see it in P; What Soul sees in Energy - P sees in D of P; U Energy speed much faster than conversion into P - time delay; Transfer energy of STP with you - P will follow - always have a trace back; Easier to transmute across U than on this planet; On Earth you have to trust P - we don't easily trust; Soul knows it is always connected to place; Means DNA is connected to an atmosphere - G fields of Earth; This is why 99% of you cannot transmute P; Shares personal experience; His Soul lived in a desert for hundreds of years; People only saw him as an old man by well - in Bedouin history; No one understood where they came from or where they are going to; Where did the Soul come from - where is it going to - was about Energy of Creation - they answered in P; Transferred energy of old man to young child - complete another cycle; What child does in P - is not what man does in essence of Soul - understand process of transmutation - transportation & conversion; That cry at birth - owl singing - all the same thing - different levels of comprehension; Pushing you to that D in Monthly Flight session; Next 3 sessions - carrot to get you moving - have everything you want; Why attach yourself to P - need to kill and destroy; Give you energy of food - create its image in your brain - will receive energy of food - don't need to kill for; Have to resolve problem in future - know solution - but you have to do it yourself; This is time of transition; Need it to complete transmutation; In U food has no taste or image; Push you along until you gain confidence - drive without steering wheel - or car - don't need fuel; U Energy receive what you need - don't consume Beings for it; Energy is given to you; You are possessor of love - give from root essence of your creation - meaning of word - Mehran - give unconditionally with Love of Creator; If understand can transmute - feed yourself; In transmutation leave P; If you don't first see that light - means still in P; Man cries when he's born - Soul cries when it transmutes due to conversion of field energy with environment - creates light - I am the light - because light is me; Essence of Creation; Confirmation of my existence in the realm of Creator; Others don't see it - can still keep body; KS need to step up - understand - bring change; Can still live beautiful life in P with wife, children; Understand what is what; None hardly ever see the Light - because of brain structure - learned to deny it; Brain learned to deny Soul expansion over P; Work with Soul - see where it takes you; Don't do crazy things - jumping off a cliff - understand the process; We have to teach you and take you through this process; When you reach understanding many of you will become teachers of the others through same field strength; It become part of our innate knowledge; Transmuting, transferring, and trusting the energy of STM has to be accepted by the man; We are denying what is always with us; Mankind made ready for transmutation with mobile phone; T to transfer energy in energy of U - switch between Energy and P; KF Products help with transmutation - feeding - tap into Energies of U; If don't learn - keep explaining more; Understanding process of Creation has to come through fields with emotion - not something tangible in P - or emotion of STP; Products link to U Energy; Become detached from P; Gans's still holding you to schizophrenic world of man; Cosmic Ray material connect to fields of U; Observe how much material disappears - reappears in container; Teach you to use later; HC and NO connections have to balance with each other - Increase and decrease; Flight sessions learn

to feed yourself through fields; It's how much you give and take from it; Creation is more than just rocks, animals and stars; Understand; Empty space of U makes up 95% - has more energy than galaxies of matter state observation; Have to understand process of light - creation of Matter and Energy state; Process same in both - but at different field strengths; Transition line - brings 4 elements of Creation manifestation together; Brings in emotion and Soul - travel back to Creator; Depends on C14 and C60 - crystal structure manifestation of strength of Soul; Features in P - Energy of Soul - done through H & C14 - motion of its fields - creates its own C60; Soul has field, strength and color - what identifies you as you when transmute; You'll be recognized by your Soul; Man from planet Zeus sees you in P - run away - never seen somebody with legs, arms, and eyes; They see beauty of your C60 - strength of Soul; Sees how much it gives, how little it takes; In Space - determine if your field strength is a danger; Give too much - lead to their demise; Give to friend - can gather more; Admire P in mirror - learn to see beauty of Soul strength; U is biggest reflector - interaction with another Soul - see your true field strength; Are you infant that always takes - or mature can support others; I made man in the image of Myself - I have no P - I feel - live in field strength of U; Teach you to absorb fields over next 3 months; You have to sort this out for yourselves; I will give you Energy; When you see your Soul - changes your life - discover potential - or love for Creator; Mature to use P to elevate STP - then STM - by taking Energies of U - elevate STM; Become a star through H and C14; Know your position in U; Create children of Soul; See dream of the dream - if position in U what expected - give more; Create better seed of yourself in D of P; Desire to become most beautiful flower in Creation; Become aware of field strength of Soul - create perfect Children of Soul - creator of another cycle; It's in your hands in D of P; Change from having children to kill - to give like Creator; You face this dilemma; Many of you will bring that dimension (through transmutation); Use P to take the energy from U in purest way - allows you to feed your Soul - create perfect children of Soul - not commit any wrongs; Laid out path for future teachings today; Many of you will be part of it - bring it to completion; Keep both sides of Soul and P pure and correct - one should not take from the other - or give too much - get stagnated - bring demise; Learn how closed you've been to your Soul - denied yourself access to it; Establish new lines of communication between both sides - live a perfect life; Through transmutation see where you'll end up in U; Don't need to believe in dream of having children and house on this planet - see reality of what fields you can create through STM - no one can interfere; No Prophets - gurus in this process; You'll become teachers; You decide what you want to become; Stay correct with yourself; No manmade titles in U; Teach you to connect to where you came from in U; Step by step bring elevation - for millions who will listen in future; Gradually walk away from physical pain of man; It's your responsibility now that you know - cannot deny it; Reaching it is your problem; All KF Products teaching you about energy - transfer to Soul - set to elevate Soul; Light KF candle - light of Creator; Step by step taking you there - been on this path for 4 billion years - gradually we'll get you there; Teaching about Twin energy - Soul & P.

## Part 2

Iranian conference suspended till January - situation in Middle East; May appoint a new country; Situation is very critical for Iran; Leave Cosmic Ray materials in box not toy;

We are here to bring new T - knowledge and insights - not electricity; See how much your understanding has changed since first came to KF - Soul elevated - knowledge increased; Everyone capable to elevate; Through own knowledge and understanding about own creation; Gans has to be on crops - not away; New T Gans obsolete - developed field applications for large areas; Depends on conditions - intention; Two drops of Gans 2 kilometers apart can connect - too small field strength to change things; It's understanding the knowledge; Special T can be used kilometers apart; Agriculture tests in Mongolia; Now deal with AA of seed & plant; Totally different T; Different energy and emotion from the harvest; Tritium in matter is highly radioactive - as Gans energy state - totally different properties & applications; Need deep understanding of nuclear physics; Used in transmutation; T not in hands of mankind; KF creates Tritium as a field; Tritium and Fukushima reactors; Water in tanks game for public; KF taught them Gans T - making Nano gold for Japanese Royal Family & Americans - a gram worth millions; Opened door of knowledge - governments cheat; Measure plasma fields through another plasma - need reference plasma; October 1, 2024 Iranian government used KF Star Formation (SF) T in skies of Tel Aviv; Videos on Internet; Explains lights are SF and missiles disappear into it; Created field boundary; M field shielding used in military sense - but developed for Space travel protect Earth from meteorites; Fear of West; Iran has advanced T; Iron Dome defense of Israelis useless; Advised and recommended Ayatollah Khamenei of Iran instead of war - release T worldwide - bring peace and change; Extremely advanced T belongs to KF - we developed it in Iran; Nuclear warheads and weapons obsolete; Requested Ayatollah Khamenei to stop war and release T; Wife of Netanyahu left Israel - husband cannot secure safety; First time see beauty of T; 16 years since T was transferred to Iran; Power to stop latest weapon T; Americans brought in THAAK system to defend Israel; Israelis already stole; Ordinary people unfamiliar with T don't understand lights in sky; KS know it's a Star Formation; T has been delivered - world leaders decide on using for peace or destruction; SF was not built to change emotions of those within its fields; Can use it to feed nation - same T; MaGrav under his bed - have experiences; Experience depends what field you create around yourself; Transmutation go where Soul wants to satisfy emotion of P; Transmute in group each will decide how speed of travel; Distinguish between emotion of Soul - STP and both together; Emotion of P interacts with STP - somebody touches us - emotional mayhem within; If you ever feel emotion of STM giving to STP - change your life - nothing on planet compares; Mr. Keshe tells about his special love for granddaughter - Soul level; Hugging Children of Mitra - like hugging Soul of Creator; In dream see everything as humans - can't relate to other forms of life being intelligent - brain converts everything to images we understand accept; Brain filters experience in dreams; Don't expect to see a dog talking, flying aircraft - STP filters; Could only be a field - brain makes it into human so we can relate; Cartoons for children dogs can be president etc . no filter - not yet formed; In transmutation our communication line is field strength of AA- nothing else; Change strength of AA can see other Beings - fields; Created this filter over billions of years; Gradually change it; Ask when will man mature; Going to embassies to bring peace release T; They shy away; Hope for enlightenment of Ayatollah Khamenei; Would he bring wisdom of the knowledge to religion; Picture of SF submitted by US Navy in 2020 - accepted as a patent -triangular craft controlled by SF; US accepted a stolen patent that will never work; See true KF SF over the skies of Tel Aviv;

Crafts built in Isfahan - hold Iran conference; Governments deny T; The SF is "Man powered. Controlled" ; It has a Soul; They are covering everything up - American superiority will collapse - far behind in T; They all suffer from it, without fail; It's the way their brain is structured - see themselves as superior; Does not change the facts; Chinese stole Mr. Keshe addresses while in meeting - deny it; Pictures deleted - will be published with President Xi; Same with all governments - don't want to lose power; The love of the father never changes for a child - one day they'll become wise; Extensive blocking of KF - every way and dimension; Very soon denial will bite them; If Iran goes into war it will all be lost - instead can become stepping-stone to change life of man; These people do bad so often that it is normal to them; It will show up in time; Watch how their life is effected; Everyone involved in making weapons that kill people - their Souls have to balance it; When man matures to understand connection between Soul and P - how his actions effect others - people will change; Personal story - could have made millions on weapons - never touch anything that takes a life; Don't need useless numbers in bank account; Always stick to my Soul and Ethos - don't want to pay heavy for it; The choice is ours; Worked in background for peace in Northern Ireland; MI5 asked why he would endanger life - worth it to save a life; Everybody makes their own bed - they have to sleep in it; Takes a long time to change a naughty child into a good child; Belief is an energy and a wavelength - change a lot of things - depends what you give and take from it; Belief & emotions changes things - energy of P; Learn transmutation - can do anything; Flight Enhancement Unit is different T; Building UFO from fields is advanced T - Universal Energy; 3 lights in the sky - imagine you can do that with your Soul; Our scientists have to understand T to apply it; Knowledge cannot be force-fed - needs to be understood; Knowledge of Creation has to touch Soul - teaches P - that's the difference; Research team in USA and all operations have stopped about a year ago; KF has one public lab and 2 hidden for security reasons; SF used in Tel Aviv - not part of the attack - entirely defensive; Reason why T was used; Puzzled why Iran not use against attack last week - could have changed a lot of things; American bases are surrounding Iran; Iran's own diplomats, politicians, ministers, carry 2 or 3 different passports in pocket; Do not have people who are thoroughly loyal to Iran; Loyal only to bank accounts; Mr. Nazif - head of 5Plus1 & General Rouhani - advisor to President - educated in US - served in US Marines; Now Minister and Negotiator for Iran; That's why KF couldn't make any progress in Iran; He is working for his own pocket; This man does not work for Iran - works for paymasters - check it out yourself - he never served in Iranian Military; He was brought in to be the next President of Iran - after Iran is tore up; This is our problem; Same with half of Iranian Cabinet; They have different bank accounts in the Rothschild's family (hidden banking system, so nobody can trace it); Pitfall with many nations around world; Thank you very much. And see you next week.
