(Quick Index 14 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

How plasmas connect; C14 Line of Connection; C13 Line of Communication in U between all entities; No more teachers; Not be cheated in Space; Plasma Comm. systems; Already use C13 - coincidence; H is plasma in Space - Earth matter; Develops gravity - Inertia - becomes 2 plasmas tangible; Fulfills Promise - matter to energy - energy to matter - G & M; H interacts with itself becomes U; Inertia of Plasma different; Inertia above U - for U to be created; C14 - C13 - C12 our U; C15 - C16 for Unicoise; Interaction of fields of U create C16; Not Carbon with electrons & protons - at bottom; See Beings from Unicoise in dreams - C16; H interact Inertia of Unicoise - new U; U expanding into bigger structure; Already working with C16 in KF; Difference C16 & O16; Earth works on plasma of 16; Plasma is gas; Connected to Unicoise; Transmute with Soul can't manifest P - have to interact with Inertia of environment; Never went to Moon - only with machines - need to convert; Creator transmutes - sends our fields - step down Inertia; Salt - Inertia metal & non-metal; Salt of U; Inertia comes from STC; Part of Creator; We build own house reside in it in lower fields; Why Earth and U increasing; Creator FP - Nuclear Decay - become U; Not atheist - True believer - Knowledge of Creation; Stop believing in fallacies; Religious people fooled us to rule; He created Himself through fields - virgin birth; Can't transmute - lack trust in Creator; Detach from P - attach to Creator; Mitra love of Creator; Attachment to emotion blocks transmutation; Can make UFO; Body is UFO; Water U Energy C16 - O - love of Creator runs U - in Unicoise Mitra; KF doctors remove clusters from body; Change Inertia - salinity; A government is testing KF Gas units - mass produce; Morgan Stanley controlling - profits; UAP drones over Trump's residence - blame Iran - Chinese Mother ship - advanced T; Got rid of Syria; Drones with intellect & emotion never harm; Gaza end 60 days; Netanyahu keeps war going - jail; Democrats make millions on war; Priests blessing guns; Past remain memory - no back to future; Future partially planned - interaction of fields; reopen Iranian embassy in 2025; Trump change Constitution; Sight Gans; Many KS in India - politicians corrupt; Infertility - strength of womb; Never teach fertility Gans; Soul of Mother like STC; Suffer to find solutions; Suffer because don't know Creator; Musk bring out KF T - power- finance - T; No more deliberate killing; Surprise for Christmas

## **Topic Index**

How plasmas connect - how we connect our lives to past and future; C14 Line of Connection or Transportation in U; C13 Line of Communication in U between all entities; No more teachers - learn about everything; Understand comprehensively process of Creation - no one can cheat us in Space; Don't want magicians and others interpreting knowledge for us; Intro video Kids teaching of M fields - 10 years later deeper; Use KF Cosmic Ray Bundles - UBESUS systems - use M fields; Connect to our system physically - we take over using Cosmic Rays; Dreaming in World of Plasma - take energies of brain to different dimensions ; Talk 10 years - now reality; Musk launched satellites can communicate with everybody; We showed plasma systems to

Chinese generals - talk to other generals nobody can listen in - plasma not satellites - 50 years ahead; Already have system can do - Soul and brain; Don't cheat yourself by calling it a coincidence; Soul stopped you from going into accident; Soul arranged to meet mother with Line of Communication C13; Pharaoh dreamed of Moses taking his kingdom; All have capability of extending our knowledge to different levels; H can be in plasma state, or matter on Earth; H in Space in plasma state - no physical D - something happens - it develops gravity - Inertia of a matter; Inertia develops - single plasma becomes 2 plasmas - tangible; Inertia of Space changes plasma into matter state; Tell world leaders what was promised in Holy Books fulfilled with plasma science and T; Energy converts to matter, and back to energy; One is M - other G - Inertia at TPP; H plasma instead of matter - interacts with field of itself - creates a U; C14 becomes C60; Inertia of plasma different from Inertia of matter state; Inertia needed for manifestation of matter; When H goes through Inertia into matter state - see electron & proton; Inertia above our U for it to be created; Unicoise fields interacted to create our U; C14 is our U - interact with original H fields create bigger strength - Unicoise; C16 is part of Unicoise; In our U - C14 to C12 in-between C13 - Line of Communication of everything in our U; In Unicoise - C15 is Line of Communication - travel Unicoise on C16; Interaction of fields of Universes - creates C16; Not talking about Carbon with electrons, protons, neutrons - that's bottom level matter state - have nothing to do with existence and confirmation of time and space; People see strange animal - STP & P saw physical image from Unicoise; Dream using original H - connect to civilizations in Unicoise; Inner sanctum energy levels of STM is C & H - access to knowledge of Unicoise; We have traveled in dream to Unicoise - ignorant to knowledge; We can at strength of H interact with Inertia of Unicoise - create new U; Universal Energy C14 steps down to C12 - Inertia of a planet; Bigger structure than Unicoise; If our U expanding has to expand into something bigger; Our U was converted from Inertia of Unicoise; Same way Inertia of U created C12 field strength tangibility on this planet; Better understanding of how Creation works; Have connection to Creator & Original Plasma which became Universes and Unicoses that He created; Still children of Knowledge of U - understand a little bit more; Unknown to KS - already working with C16 in KF systems; Huge difference between C16 & Oxygen 16 in plasmatic condition of transformation of Space; How come this planet works on field strength of 16 in gaseous plasma state; Because plasma is a gas - free energy of U - how we are connected to Unicoise without knowing; Why when you transmute feel yourself present at new location - but can't manifest P; Have not managed to interact with Inertia of environment; Could be in Unicoise - can't interact with Inertia; Haven't understood - process of conversion in your hands; In Linz - asked you to go to Moon - you went - but your Moon is not the Moon we talk about; Second astronaut said never landed on Moon; We have sent machines to Moon mechanically; Physically haven't managed to transport man there or Mars - don't know how to convert; Travel in Space how Creator does - transmutation to local environment; He sends out his fields - they interact with everything - creates His own Universes & everything - by stepping down Inertia; Inertia is interaction between energy and matter; Scientists not understand this part - call it Inertia - don't know how it's created; Salt is Inertial system - connection between metal & non-metal - NaCl - Na is metal - Cl is non-metal; How they connect creates salt, gravity - same with Inertia of U - find salt of U; Understand where Inertia comes from - what it means; Inertia comes from Soul of Creator (STC) - connects to us as a Soul; Through

C14 and C16 transport to any position - remain connected to STC; Purpose for life - we are part of, and it is part of us as a creator; We are builder, and resident in building we built for ourselves; Building is built by interaction of fields of creator at higher strength; We reside in building through lower level fields; First time Science of Creation makes sense; Answer later what is bigger than Unicoise - when more educated - 10 years - new D of knowledge; Higher level plasmas of Earth, Sun, and Moon through Inertia of Earth convert to matter state on Earth - become elements; Why volume of planet increases & U is expanding; Have to be something bigger than Unicoise - expands into - confirms its existence; Analogy - if man like a cell in kidney - U is section in kidney - Unicoise is kidney - what is the bigger body; It's the Micro in the Macro; Direct and non-direct connection to Creator; If Creator is Fundamental Plasma (FP) - goes through Nuclear Decay - splits into electron & proton - creates Universes of its own order - releases energy to feed others; A Nuclear Physicist understands intricacies of Creation by looking at atom - find the Creator; Don't become atheist - become a 'true believer' - have knowledge; This is secret of Creation; We understand process of Creation - not believing in fallacies; When understand this for yourselves - end of having false belief's - not fooled by lies indoctrinated with; Understand conversion of fields of U; Creator as FP has direct line to create me; The fields interact with themselves - C14 and C60; When created don't have way to communicate - develop a language - communicate to confirm our existence - transfer our knowledge; How Creator communicates His knowledge to us - man is ignorant - denies everything; Religious people set it up that we play fool - they the masters; When you understand - they call you atheist - threat to their game; We understand reality of God's existence - His beauty through knowledge and science - not fallacies; Through this we are all connected to Creator - He has made a place for our manifestation; It's a higher order going to a lower order that creates the Inertia to manifest ourselves; Same process as egg and sperm - one has extra energy - interacts and creates fetus; Lower comes from Creator - higher order P - crossing point - common denominator - is Inertia; Both (sides) confirm their existence - creates child; Man created from interaction of physical D of plasmas of Creator, with environment; He created Himself - virgin birth; How life is created across U; Totality of process of Creation is interaction of fields; We decide what we create - when to manifest - when to transmute - what Inertia we need; Inertia is dictated by our emotions; You want to transmute but are afraid to extend your energy; Reason can't transmute P because lack trust in the Creator; Don't understand process of Creation; Home is wherever I lay my head; Wherever fields of Creator goes - He makes it His own home - body of man or in Unicoise; You decide where your home is; Dream travel like creating a house; Manifest in P is home; Home is where the love is, not in house; Requires interaction with a lover, - Creator to confirm His existence; Mitra is confirmation of Love of Creator for Itself; Many KS started transmuting through Soul - can't manifest P; This is why teach you about emotion; Emotions are the Inertia; Emotion of trust in Creator - not yourself - will manifest P; Detach from this planet and physical life - will have the emotion - Inertia needed to manifest P; Explained to Jon Bliven years ago why he couldn't manifest his P; Attachment to emotion blocks transmutation; Detach from P - attach ourselves to trust in Creator; Today opened another door in Science of Creation - deliberately to help you transmute; Next time transmute to Moon - but is it our Moon or in the galaxy; You will still survive & interact; If create energy of Creator - produce a UFO; Body is a UFO with

Inertia attachment to this planet; Change Inertia attachment to another strength - emotion of creation - travel Unicose; You are a ray of the light of Creator - H plasma doesn't end with you - still plasma (can create); Manifest Love of Creator - love of Mitra - manifest all of Creation; Man not only living thing in U with intelligence - reproduction; We are not Godless - we know what God is - how Creation comes about to confirm His existence; Today's teaching will need thousands of years to understand; As more men understand realize how beautiful Creation - how loving Creator is; With all His beauty, power, and fields - still sits and watches man grow along with rest of His creation;

## Part 2

Water (H<sub>2</sub>O) in D of Universal Energy containment is C16, which is Oxygen - H in plasma matter state - Line of Creator; Love of Creator through water runs Unicose; We are part of Him through river of life on Earth - water - created out of it - without it we can't exist - same with Creation; Micro in Macro; In Unicose called Mitra; Have to understand Love of Creator to travel His Unicose; According to your understanding and intelligence is where you land; KF collaborating with doctors of KF Wellness Centers - start removing clusters from inside body; Change Inertia - salinity - go from matter state back to energy; get rid of lumps - things not supposed to be in body; Can reverse Inertia, calcification, or whatever; If bullet made of same materials in body - return it back to energy; Systems can change matter to energy - energy to matter within body of any life form - dog, cat, stone, tree; Speak to Wellness Centers - to participate; Long talk about KF Power Gas Units; Testing being done by a government - not KF; Then it'll be mass-produced; Has to be done by a government - kill anybody else; 1930s 30% electric cars - today 5%; Morgan Stanley and others decided more profit in oil - shut electric cars down; Same reason pushing now for electric cars - more profit for them - hidden way - generate electricity using crude oil - don't pay to refine; Same with natural gas - Americans got rid of Russians - December 20th no banks will be allowed to pay for Russian gas; America and Qatar will control market; Surprise - very soon no gas market because KF Gas Electric power generators; Big Boys in Energy will sell it - not KF; Governments and big institutions will do it; Gas Electric power units will produce energy, gas, and water; Already developed and tested by Chinese Gas Corporation in Beijing last year; Chinese won't play - use gas payments of certain nations to control that nation; We'll switch from gas to plasma T; Talks about UAP (Unidentified Aerial Phenomenon) or drones; Large number over private residence of Trump - other places; Claiming they're Iranian drones on Mother ship from China; They don't know how being refueled - have higher T; Drones appear as lights in Star Formation (SF) - disappear; They want to destroy - don't have T to do it - don't know what they are; Setting up to attack Iran; F-35 fighter jets at \$130 million each - cannot bring them down; They got rid of Syria today; Will become bigger thorn in back - worse than Taliban in Afghanistan; Christians ran terror network for Assad - have to flee; Used drones to take out Assad; New plasma T drones have emotions - will not kill or harm; Seen in tests in flight Sessions; become part of our lives; Some KS part of this - Satellite Souls without knowing it; You are like that drone - humanity doesn't understand what this means; Drones will have intellect and emotion - future science; Drone T in infancy; Start producing Chips with emotions - some steps in between; Man going through evolution in science and T; First has to detach from matter

state - take further steps - connects energy and matter state - amazing life for humanity; Gaza nightmare should end within 60 days; Only Netanyahu wants war to keep himself out of prison - backed by UK - Palestinian oil fields; Asked for release of American hostages - part of KF negotiations; Whenever Democrats come into power - create war; They are poor and become millionaires - bribes for weapons; Republicans usually go other way; Obama killed more - started more wars than anybody else; Media lies; Biden the same - hidden so much keep killing machine going - family profits; Religious war in Israel and Gaza will finish; For Trump to bring peace - find new jobs for scientists making weapons; Plasma T for Space development - best option; Bill Gates - biggest murderer - trying to get in; If don't find millions of jobs - war inside US; KF new plasma technology only option - some Americans understanding; KF posting on "X" directly to Musk - reading it - other things in background; Pictures of Catholic and other priests blessing weapons for killing; Past stays as memory & no 'back to the future' - except through the memory of what was recorded; Plasma is dynamic always changing; Future set through interaction of fields; If see future - event happens in Soul - there is a time lapse to P; Call it "Dejavu"; When happens years ahead - telling future; Understand interactions; Teach later; Another part of knowledge we denied ourselves; Partially future is planned - partially energy goes out ahead to see what's coming - think we are telling future; Depends on Soul - speed and strength of field interaction; Why do we struggle if everything is already set; We are tools for other things for others - process of Creation; Example how we kill ourselves with cancer - 7 year delay; Learn emotion of trust in Creator; We are seeds of STM for the U - greenhouse; Don't think about Netanyahu, think about Obama; After settle Gaza and Ukraine - humanity will go towards peace; Banner of peace with new plasma T - change things; Have a man with audacity - strength - courage to make changes; Iranian Embassy in Washington reopened in 2025; Netanyahu made Iran look evil; Have to switch to peace industry - no other way; Biden continuously attacked and blocked KF - same with Obama - case after case with Obama; Release reports - what happened with KF and IAEA; Trump will make lot of changes to American Constitution for permanent presidency - alter law to allow Musk to become president; Musk will be biggest problem - block T to save own businesses; He must move towards new T; Twinity Sight Gans - vision & elevation of the Soul; Constantly updating products; Producing Gans's in different locations - different properties; Gans's have connection with Soul and emotion - not medicine - dealing with yourself; KS test KF technology - don't tamper with data; Made many attempts with T in India; Many Indian politicians and people know about KF; Problem is partly diversity - corruption - need to pay bribes; Huge number of KS in India; More about changing strength of womb - make any sperm and egg fertile; Uterus (womb) is part of Soul - Inertia; Soul of the mother is like STC; Soul of mother is like planet Earth - greenhouse growing the seed of the STM to be planted in U; We never teach this knowledge - mankind not ready; Certain Gans's make every womb fertile; Emotions change the P; More discussion about the destruction Syria - habit of the man; Go through suffering to find solutions. Humanity has to learn; In reality, we don't have to suffer to change - but Mankind has gone this way; Children of Mitra will change emotion of P; Most of suffering man created for himself because he does not understand his Creator - how Creation works; Part was explained today; Go to next level of understanding - cross that threshold of knowledge; About his age 66; We stay here to find solution so others don't have to suffer; Try to end wars with

Trump; Religious people "fan flames" of war through hate; KF X channel will do mass teaching - world leaders start looking for a new way; American Administration is a power point - Musk can communicate across the lines, has financial position - for bringing out KF T - have to include Russians and Chinese; Biggest problem are British; Need triad of power, finance and technology to work together - reach world peace; Then man doesn't need to experience suffering - still have accidents; No more deliberate killing, destroying civilization, killing each other because of beliefs; Need one world religious leaders to put down their guns others will follow; Next Friday's Session - big surprise for Christmas.
