

582nd Knowledge Seekers Workshop March 20, 2025

(Quick Index 21 pp, Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

As STM connected to Creator; Interaction of fields creates U; Table of magnets - show life in U - plasmas accommodate - reposition to smallest piece magnet; Shows how magnets/plasmas connected to each other & everything; Interactions lead to new entity - connected to Creator/Center; Same structure of Creation; Never can lose connection to Creator; Religions - rob STM - don't need intermediaries; Don't know connected to Creator; After March 21, 2025 fulfill Promises of Holy Books; Given Key to Creation; Force Mankind to learn knowledge; Peace between STM & STP - stop external wars; Soul brought you here - servant to humanity & U Community; STM protects in accidents; Not injure P; STM repair P - enlighten STP & all cells; About light - Soul is photon - P matter - reach maturity manifest - or stay field; Convert to light; Light becomes entity; Educate yourself - responsible in U Community; Intermediary between STM & STP; Problems from P; Freedom choice - variety & beauty; You change society; Apple live centuries; Be giver not taker; Love of Mitra - New Year celebration with family; New videos; Release unknown T each month - rapid commercialization; Bring change through governments & large organizations; Use KF structures; Transmute in 2025- 26; Cycle of Mitra started; Serve with sincerity - others effected; End abuse of Energy; Radical change - enemies of KF - Record & responsible to protect teachings; Started change 3 months ago; Contact with U Community; Dismantle financial structure; Stop damaging resources and killing; First T released bring equality - live comfortably; Flight system with fields; Given full knowledge past scientists - Tesla's work - M fields to energy; Food & Shelter provided; Teach how to trigger systems; Receive energy through STM; Apps for phone; No more mining; End Oil industry - batteries; Effect commercial markets; Not collaborate with religions; Properties of Churches - religions back to people; Return stones back to coliseum; Video - Table of magnets; Explains New Year's Table - set for change; Added CR Balls - wealth of U; Teaching - why man has intelligence - many different field interactions; About animals; Position of brain - relation to Earth; Diversity fields - hands; Ask alien in dream for knowledge; True meaning detachment; Powerful detachment share knowledge freely; Soul aware of everything - teach P; Being truly honest with self - think are right - but wrong; US & Israel attack Iran - want gold; Israeli leaders East Bloc changed name - fake Jews - run by Illuminati's; Ayatollahs paid by Israel to provoke war - planned; Touch Iran - destroy world economy - children; Report on Democrats - millions from Ukraine; Keshe Coin - donation; Replace banking system; Planned by British Monarch - end cycle; Bible - meaning of light; 3 days - man needs time; Dark retreat - locked ourselves up; Betrayed our creator; New KF Products - Soap holder - recharge; Touch emotions; Feed through satellites; KF Apps; Transfer energy through embedding songs on radio; Live graph - U supporting change; Fulfill Promises

Topic Index

Already established you are STM and connected to your Creator; Interaction of higher field strengths with lower strengths leaves residue - can be anything - another M field,

Ray, or Cosmic Ray (CR); Can be collective, create gravitation, and at the same time radiate M fields; Shows table of magnets - all magnets have to reposition - same as in life; Tiniest magnet makes all move; Can be broken pieces of magnet from others; All accommodate new magnet; Follow drawing; All magnets in circle connect to center; Total interactions lead to creation of new entity - has inherited connection to center; Same behavior in spherical magnets and planetary systems; Basic structure how Creator created Creation; Galaxy - solar systems & planets created out of these interactions; Everything created is connected to the Center or Creator; The lives we create are also connected to the Creator in all dimensions & everywhere in U; STM directly connected to Creator; Conditions of its P dictated and controlled by other factors; Have never lost - can never lose our connection to Creator; Religions waste of time - robbery of STM; Wrote fancy books in name of Creator; KF is scientific organization - not religion - understand physiology of Creation; Make own table of magnets - write "Me" on one; Feel how you are directly connected to Creator - end of religions; You have to find your way; The field that created you - within you; Don't need intermediaries; Trust in yourself - can't steal Knowledge of Creation from you; Earthlings don't know they're connected to Creator; SS effects Galaxy; Not a dream - another D of knowledge; When kill - destroy a M field line release a Soul - moves whole structure - like table of magnets; When know connected to whole - won't kill; Today enter spring of 2025 - promised in Holy Books of Christians, Muslims, Jews - Man given key to understand Creation - new cycle; Religious leaders are waiting for it; Mankind will gain knowledge & access to whole structure of understanding; Old cycle completed - new cycle start; You will be the ones fulfilling promise - your understanding as man, woman, child - bring new wave of knowledge - new energy released upgrade understanding; Gradually Mankind become part of Universal Community through scientifically understanding work of U; From now on - change has come - drag Mankind in to learn knowledge; Humanity will open itself to whole knowledge of U; Not happen in one second; Every possible way being done to create this condition; Promise will be fulfilled; Promise is about bringing peace between STM and STP - understanding transmutation between each other - then won't create wars - no more internal conflict of P not knowing Soul; KS responsible to understand - Soul brought you to teachings - to make change - become banner of knowledge for rest of Humanity; You will serve humanity; Soul already servant to Mankind and U Community; Like magnets on table - accommodate - don't need intermediaries; Teachers to show you path; We are Universal Teachers - you have to understand; For you to accept presence of Soul - respect STP and P - understand interaction between them; Fight to save children - why no respect for STM - left to thieves - distract & take energy away; When respect STM, STP, and P, will respect whole of Creation & Creator; Not bow down - stand equal; Have to have respect for yourself; Won't let P get injured - Soul protects during accidents; Won't deny travel with Soul as a dream; Soul repairs P makes perfect; Day of Judgment when respect all levels of Creation - P, STP, STM, Soul of U, and Soul of Creator; Totality of Creation sits outside this U - creates many Universes - picture on Book 3; Religious people forced you to accept your Soul sits outside - to abuse; Intelligence within - repair P - enlighten STP and all cells within the body; Soul can tap into its emotions understand Totality of Creation; Look what created universes - where your Creator sits - where original M fields and lights came from; Soul is a photon - P is matter; Answer scientists - is light wave or particle; Depend if it reaches maturity of GM

fields of time, place and position (TPP) - manifests as matter; If still traveling - not mature - remains as light - manifests later; When light remains in plasma state - how STM travels as light; Travel in P - as light, or Soul of light - don't need to destroy P to convert it to light; Light will manifest itself in another field D strength as an entity; How Soul ends up in new TPP; Educating you to do this; You decide how to elevate - where Soul will go - stay in this U or go higher U - or at strength of fields of Creator; When travel U come across more charlatans - why we're educating you to Totality; When enlightened - guide you directly to Source - no special hats; You decide your own future in U Community - educate yourself about living conditions and plasma fields when travel in U - dress appropriately; Only an intermediary between STM & STP; Become kind; All problems stem from being physical; Religions created to abuse man's attachment to P; We only show you path - you decide to do - cannot enforce; Freedom of choice brings variety and beauty of Creation; Teacher only shows - you have to make it; We see weaknesses of human race - save you from own shortcomings; We hope we strengthen you - you have to change society yourselves; Changes are set to come; Apple's M fields feed you - G fields take from you what you don't need; Touch apple to receive fields; Experiment - touch different apples - see what effect you have on apple; If joyful - give life to apple; Apple can live for centuries; Try to be a giver - not a taker - don't become source of their demise; More important what you give - than what you receive - might receive nothing; What happens to apple tells truth yourself - if giver or taker; My root is the beliefs of Zoroaster - love and live through Mitra - celebrating Iranian New Year for thousands of years - first day of Spring - can measure in to the second; Wish you all a beautiful new year.

Part 2

New videos will be recorded explaining new science & T; Release new and unknown T each month; Push through governments - large financial and commercial organizations - bring change in 2025; 25 unknown systems introduced on monthly basis across planet to international organizations to rapidly commercialize; Brought in experts in diplomacy and politics; Release to governments on principle of T in exchange for peace; Going from bottom to top; Share T through large industrial organizations and corporations rapid dissipation of knowledge; Use structures already setup by KF; Establish a powerful organization in world of commerce and T; People have already been approached - force peace; Break barriers stopping knowledge and T - and abuse of energy and everything else; Each introduction of T has specific purpose; Take Man into Space 2025 - 2026 through transmutation and transportation with KF T - done through governments - rapidly dissipate knowledge & T across planet; Setup structure over 20 years ago for this day to arrive; T that can change Man's thinking - go to governments and industry to compete with each other - prevent it being blocked; Release T to break through - 'those who have been trying to centralize'; Hope they use T to create peace; A few minutes ago cycle of Mitra started - bring change; Many approached by KF to help bring change - try to serve with sincerity - every decision will effect somebody's life on planet & beyond; Set to bring change - end to religions - everyone will elevate their Soul to serve others; End abuse of energy & resources of planet and beyond - use fields of U for needs; First few weeks of radical change - change many governments - KF will have many enemies;

RECORD all the teachings - if get attacked - KS bring Internet back up; Your responsibility to protect teachings; When T is released power of Energy, Oil, Materials industry will change; This is not a talk - setting up structure for long time; Have put people we need in diplomatic core - World Presidents - Space T - Commerce and Commercial worlds; Started 3 months ago - change come after March 21st, 2025; All depends on you - how you stand - dissipate knowledge and T; KF and its knowledge become Global structure; End of year make direct contact with U Community; Old ways will end - new cycle of life; Won't damage resources of planet - won't kill anymore to live; Won't allow ourselves to be abused in the name of whatever; First 3 technologies released - bring equality among humanity - access to resources to live comfortable life; Next - dismantle financial structure by devaluing; Dismantle economical structure with new plasma systems. Later in year - first flight system using field forces of U; Understand work of past scientists - complete plasma T; Understand work of beautiful Tesla - M fields leading to creation of energy; Create matter from fields - gold no value; End commercial use of banking system - end communication system through satellites - communicate directly with Soul - have systems don't know how to use; Free Man from planet - cities of Earth will lose value; Bring in (Oasis) system to meet all needs for food & shelter - not live from handouts - nor be servants to others; Have tested - but don't know how to trigger it; Commercialize it; Structure setup during past few months; Have to be aware of those who will lose their power - through Energy; Africa fallen behind - create fresh water; Receive energy through STM - not kill; App systems for mobile phones not connect to satellite (obsolete) - come out through major corporations; Systems to bring conservation of energy back to planet; No more mining and destruction - end of building dams - destroying planet through nuclear; From today onwards physically bring change; Teachings not stop; Will effect commercial markets and resources directly; Release T over next 2 years - give alternative to old ways - benefit humanity; End of Oil Industry, battery production, damages done by recycling water resources; T under negotiations with governments, major and small corporations to bring change step by step - use existing commercial systems - political and diplomatic structure; Not collaborate with any religious organizations - governments connected to religions - no more abuse; Walk away from religions; Properties of churches, etc returned back to people - become national assets of nation; Vatican's resources returned back to all nations where built institutions; Return stones back to the Coliseum; Same with other religions; Humanity's future through science and T - not fake religions; Do own independent investigation of truth; Fulfill my promise to my Creator before leave planet - change course only through science and T; Welcome you to New Year - path of Mitra - wonderful year for all humanity - I know what is about to be released; Shows video 201st KSW December 7th, 2017 - table of magnets; Plasmas accommodate each other in U; All magnets connected to each other; Look at interaction of fields; Video shows teachings still same - we have deeper understanding; Mr. Keshe explains own New Year's Table - set for change; Added Cosmic Ray Ball - wealth of U; I'm sure 2025 is time of change; Touch apple - understand emotion - giving life rather than taking; Don't think can force it; If don't feel anything in Flight sessions - field strength already fulfilled - don't need; Explains why man has intelligence; Compare man's physical structure to other animals; Position of brain moves horizontal and vertical; Eats variety of different things - trees, shrubs, oceans, under and over ground; Continuously change fields through the blood flow;

Creates energy through nervous system; All of these things together creates diversity and continuous conversion of fields - led to intelligence; Dog only moves in one direction - also other animals; Intelligence in animals according to structure and position of brain, moves, and communicates; Intelligence comes through point of reproduction - furthest away; Intelligence of Space knowledge is different - diversity of fields between hands and what put inside; Another field transfer through Gans's - touching apple - create field interactions; When dream of aliens - ask to understand knowledge of his Soul - wake up educated; Do in transmutation to China; Make own prison; Don't need teacher to abuse - limit; Depends how you define detachment - not what we think; Detachment not from giving all wealth away; Detachment - giving knowledge to others through Soul - most powerful; Give gift of knowledge without restriction - true essence of detachment - access to all levels of U -both physical and non-physical; Why I disperse knowledge freely - no fear who copies; Created patent to restrict knowledge; Teach through detachment; CR Ball - currency of U expands as source of energy for U Community - give unconditionally; Give President something in P - satisfy his greed help T come out; Our thoughts act like magnets - influence peace - whole purpose of teachings - become aware of your strength to bring change; Soul will show why here - become aware of your own existence; Soul aware of everything - you only see P of girl - it knows her thoughts; Rely on Soul - look for knowledge of Soul; Detachment of P; Soul will teach P - easier than learning in P; Understand essence of Creation from Creator - different than physical D - requires maturity; Difficult to be truly honest with oneself - (need others to reflect through behavior); Can have second agenda to honesty; Story of experience - thought was right - but was wrong; Souls cannot do wrong - others accommodate to stay correct; About US & Israel determined to attack Iran; Detailed explanation - 100% on cards; Israeli structure controlled by East Bloc Europeans - changed name to fake being Jews - controlled by Illuminati's - capture gold in Iran and North Korea - to control world - fooled West through Media; Report - Democrats took millions from Ukraine - kickbacks; Biden - 92 million; Nancy Pelosi - 86 million; Other leaders also; World commerce through Keshe Coin, CR materials, Markray; Coin by donation - allowed to buy with - not lose value - never been done before; KF products linked to each other 1000 Euros - exchange and influence of financial world taken away; Replace banking system - trade using interaction of fields; CR materials to feed - everything need; If they try to touch Iranian Central Bank - release so much gold collapse banking system; Message direct to Jerusalem and White House - If touch Iran - destroy world economy in one go; I'll touch Soul of children - mental institutes; Prefer to do things step by step; Fake Jewish names - fake control of power - just puppets; Problem is both sides - Iranian leadership are Ayatollahs - Lebanese not Iranians - paid by Israelis to start war; We are the end to religions; Work closely with Ayatollahs - Vatican - Jewish community - if touch me they're finished - release so much T people become aware of truth; They put own people inside governments; Planned by British Monarchy; Bring end to this cycle; Done through a scientific and Universal structure - not man's way - everything is in place - no way to stop it - because it's Knowledge of Creation; All attacks are prearranged and agreed upon - they have to pretend; They want a war to put pressure on Russians & Chinese; Pure blooded Iranians - we'll show our way - bring peace for rest of humanity; Explains how purposely set New Year's Table to bring change - amazing power on Table; Made a true SF - light inside - set to bring change; Table of the light of U; Time for light to shine has

come - know science of Creation; Everything has purpose; This is my table, my house, and my temple; About the Bible - 4th day let there be light; First 3 days God was busy with Mitra making the new world to be seen; It's symbolic; Two meanings physical light and enlightenment; Took 3 days to become detectable; Man still needs time to understand where light came from; Refers to Creation of a Black Hole; Has to reduce in strength to be seen; About light traveling from Sun to Earth in 8 minutes; Light directly from Sun is different than daylight on Earth - interaction of fields - Space is dark; Light enlightens Soul; Receive fields - convert them to physical light; 3 days in scriptures is that 8 minutes - Man thinks he always needs time; We decide to understand process of Creation through light and knowledge of Soul, or stay in matter state knowledge of humanity; About dark retreat - try to see enlightenment of Soul; It's us who locked ourselves in a dark room - not rest of Creation - problem; We have locked our Soul in dark doldrums of Space - because enjoy P of a kiss, touch, fruit, breathing air; We have betrayed our Creator; Every Man has to understand for himself through 'independent investigation of truth' about Creator; Some achieve it on this planet, and others during evolution in U; New KF Products - Soap Holder - recharges Soap; Each time wash hands - receive new energy - creates D like fields of apple - touch your emotions; No two CR Balls are alike; New mobile phone charger stand; KF is still looking for people with expertise in Social Media, and many fields; Harvest time for knowledge of KF; Don't need patents; Feeding systems in satellites - no child hungry like in America; Go through unknown Apps - transfer energy through radio station - embed in music; Live graph of workshop - all benefiting from teachings - receiving Universal Energy - to STP; Soul of U - here to support change in humanity; Happy New Year to all Iranians who believe in path of Mitra and Zoroaster - hope promise will be fulfilled.
