

595th Knowledge Seekers Workshop June 19, 2025

(Quick Index 20 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Israel & America attack Iran: Everything has time limit - even Creator; Energy created life - creates new life; STM controller & balancer STP & P; STM own timeline; Half-life nuclear material split to 2 atoms fission - same as death - Man splits P and STM; Different words same process; Dictate time of half-life elements & STM STP; Purpose to life; Time of death decided inception; Measure Aura - tell half-life - destination; Nuclear fuel rods - create accidental death; Creating X-rays - nuclear fission - killed in accident - all same; About isotopes; Measure strength STM - determine isotope - half-life - splits again - go higher; Life - collection of half-lives; STP fields embedded in STM; Change half-life STM; Teachings reflected in society - knowledge touches STM; Man's destiny in own hands - conduct decides where go; Not here to punish; Understand Science of Creation; Add energy to Soul by yourself - conduct; Earth nursery seed of STM - spread through U; Dormant state till right time; Teachings - for you to understand yourselves; Why Messengers came; Every grass & vegetable - AA matches cows - converts to meat; We are like cows - vegetarian; Serving our environment; Can't influence anybody's life; World fears nuclear engineer - play with creation; Half-life applies to everything; Elevate Soul - convert Soul to Soul of bird, Galaxy, U - part of Soul of Creator; I made Man in image of Myself - My Soul is STM - all same; Energy of P become cow, bird, another species in U; Day of Judgment; What you achieve with Soul - decide Heaven or Hell; Point of satisfaction; Live in Soul - carry emotion of U; Control emotion transfer energy - STM to STP & P - Soul of Creator; Secret of Creation; Control over destiny of Soul; Yin (matter) & Yang (energy); Time & emotion of U; Time starts through STM; Decide where seed of STM grows; Atmosphere of planet created Time; Soul has to pay; For grandchildren to understand; Understand emotion; KFTV & Education use AI teach thousands; Need help KS; Training for factories China - understand T & Ethos through Soul; New product - combination 2 parts - matter to plasma; Final stage teaching - transmutation & feeding - control by emotions; Sleep and dream; Tune to animals & plants receive energy; Create emotion to receive; T for movement of energy; Re-grow organs - kidneys; System create PPP - emotion, intellect, enlightenment together; Experience of enlightenment dream - travel with Soul; Learn to control breathing - take energy; Rhythm of breathing dictates emotion, dream - technique- match rhythm; Connect fields of U - don't need breathe; Symbols in Forbidden City secret meaning; Soul meet Creator; Comprehend not remember - know inside; Understand body works - Totality; Enlightened in dream; KS experience understanding knowledge; Chinese Taoist understand Yin & Yang - plasma; Balance energy & matter; Only taught physical side confused about life - energy; Nuclear physicists only know matter; Matter cannot exist without energy; KF Teachings about energy; Teach both to children; Professors arrogant - lack knowledge; 2 physical energies; Emotion of love into P - kiss; Energy carries emotion into P; Story Minister & wife - African culture; KS - future teachers plasma; Convert energy internally - not heartbeat; High blood pressure & sugar levels effect sleep and dreams - Cups; Atoms consciousness, emotion, Soul; Break crystals; Don't kill ants - connect to half-life Soul; Spectrum energy isotopes animals - Creator; Emotion is reaction; STP collection of energies; Water over rocks - love of Mitra; CR - shift energy;

Soul's interact; Details - war between Israel, America, and Iran; Israel wrecked - fleeing; Vatican lost 30 trillion - Americans 300 trillion; Nuclear phase - China & Russia; Plasma to clean up nuclear damages; Final phase of religions; Solution to cancer; Teaching on cancer; Sugar and salt; New T for cancer; Food and sex - coded in genes; KF stuck - financial help

Topic Index

Eventually time ends every life - man - star - U - even Creator; Everything has a time limit - dictated by its own dynamic structure; Energy created the life - creates a new life; STM holds STP & P together; STM manifest new Place, Position, Possession (PPP); STM - controller of physical D & balancer of P and STP; Activities of body controlled by circulation of blood & nervous system - connected to STM - connects man to U; STP connects P to space-time of Place; STM connects the same - but also to Universal Light; STM not connected to time of P - travels U - has own timeline; Man through P connected to solar system - dictates its existence; Nuclear materials have a half-life - convert to 2 new atoms - it's a death that brings new cycle; Same with Man dies and splits in two - body back to elements of Earth; STM free in U create new cycle life; In science half-life is same as death - atom splits - fission; Measure isotope half-life - seconds to centuries; Physical death same as half-life element; Too many terms for same process; Can create/dictate half-life - field interactions; Inject atom into body watch it turn into something else; Dictate half-life of energy of STM and STP; There is a purpose to life; Time of death decided at inception; Measure the Aura - energy emitted out of body - tell half-life - Place it will go; Why some have longer or shorter lives; Nuclear fuel rods - fire at target - create accidental death - split atom - residual heat; Understood - 10 years old - no difference between hitting plate creating X-rays - or nuclear fission; End one atom - start new ones; Some get dislocated - high energy; Same as killed in accident; Man created a morality around it; Control energy fields of STM & STP - Aura is what energy P gives out - set time of half-life - death; Predict splitting of atom - start new behavior; Know where other half - Soul will go - create star or U or dust; Half-life - atoms divide - energy released - becomes gold; Gold isotopes half-life 100,000 to 10 million; Measure field strength of STM - determine what isotope - half-life; After first half-life - splits again; In process of splitting atom can go higher - become Plutonium - whatever it likes; Man's life - collection of half-lives; Call it half-life instead of death; Leave behind P & STP - but some STP field strengths got embedded in STM; We can change half-life of STM; Strength of STM dictates its half-life - decide where it wants you to be; Billion years - Man's life on planet - micro second compared to U; What said in teachings reflected in society; They went from 4.5 to 13.5 billion years as age of planet - after we said in teachings; Release knowledge touches STM - get enlightened & change; Soon destiny of Man in own hands; Our conduct decides where we will go at 'Half-Time' or half-life of Man; Understanding totality of knowledge - share reality of T; Not here to punish you or tell about Heaven and Hell; Scientific teaching - you understand Science of Creation; Learned to make Nano - added salt - got Gans - plasma of energy - changed matter to energy - new D; Now add to energy of Soul by yourself - through conduct - how you decide your half-life of STM - released into U; Earth is nursery - grow seed of STM; Flower drops seed birds spread it; Which "birds" of U will carry Soul; Phoenix

rising from ashes; P buried in ground - STM in U; Your behavior in P is where Phoenix
 lands; Otherwise remain in dormant state - till right time; This is purpose of teachings -
 for you to understand yourselves; Why we Messengers came here - you to understand -
 you are responsible for when Half-life starts - where you'll will end up; Cow converts
 grass to meat; Every grass & vegetable - has particular protein or amino acid (AA); AA
 matches our AA convert its energy into our flesh; We are like cow; Why animals eat
 certain grasses, plants - find matching AA - convert to meat; Convert vegetable AA to
 meat AA; Vegetarian are still converters - eating another life - hypocrisy; Who eats
 humans; What is purpose of wars - killing -all just another cow converting protein;
 Understand purpose of life - how to change half-life; Don't need to extend half-life -
 increase value & beauty - finds own half-lifetime; Won't matter where we are - be serving
 our environment - deciding on next half-life; Understand reality about your life - creation
 - how feeble Man is; Doesn't matter what studied - can't influence anybody's life; But
 world fears nuclear engineer - understand truth about Creation - play with it; Half-life
 applies to everything - play with half-life of atom, Man, plant, U; No difference between
 them - different names for same process; It's how Creation works; How to elevate our
 Soul; How to convert Soul to Soul of a bird, Galaxy, U - become part of Soul of Creator;
 I made Man in image of Myself - My Soul is STM - we are all same - created from same
 Source; Not P - its energy can become cow, bird, man, another species in U; Day of
 Judgment - you are judge of yourself; No courts - Heaven or Hell; It's what you achieve
 in Soul - want it to be; You decide Heaven or Hell; Point of satisfaction and
 understanding - happy where you'll go; Live in Soul side -play in U with satisfaction -
 carry emotion of U; Not tainted with blood - don't take others fields; Learn to control,
 change, interact with emotion - only way to transfer energy from STM to STP & P - and
 to Soul of Creator; That's the end - beauty of Creator - this is secret of Creation; You
 have all the time - you decide what threshold of ignorance will be; Otherwise all comes
 from His love and creation; We control our destiny - way we control where to live, what
 to eat, etc.; Control over destiny of Soul - Time it creates, PPP - and emotion,
 intelligence, enlightenment; This is Yin and Yang - decide energy or matter; Last few
 teachings to open eyes to different dimensions; Not about making systems - you become
 aware of your Time - without it you don't exist; If you don't exist - can't do anything;
 Understand when your Time starts; Not time in seconds - understanding emotion of U -
 that's where your time starts - emotion fits into emotion of U; Through field strength of
 STM - Time starts; Sometimes seed of Soul doesn't grow in certain places, but grows in
 another; You decide where seed of your Soul grows - what it will become; You create
 that Time; Want to be in prison of P - or teach P beauty of Creation; You decide on
 transmutation or physical transfer - can push your barriers - decide half-life; Atmosphere
 of planet created cage of time; To be here as Soul have to pay - share; Payment at death -
 what gathered determines new creation; Phoenix rise out of P to another D in U; Today's
 teaching - very heavy - maybe grandchildren will understand - change their lives -
 Phoenix of their Soul; I hope I enlightened you - you understand emotion - have
 intelligence to understand

Part 2

KF TV - start international teaching using AI - teach thousands at once; TV station - one of seeds started years ago - come into operation; Ask Knowledge Seekers (KS) to help; People using KF videos - million views; Coordinate everything under one umbrella - KF TV; Spread knowledge of peace; Call back KS to help with Education and TV teachings; Part of Markray contract signed with Chinese private sector & military; Open factories across China - other countries - need to train people; Use central teaching section instead of individual ones; Collaboration with China, Canada, United States, Africa, all nations; Everything setup over years to be ready to spread T; Licensing agreements with Markray - massive 10 billion contract - second part with Chinese government on Defense Space T; Cannot go in every classroom - use one centralized teaching - reach everyone; Ask KS to support - teach new generation about plasma science; Chinese AI Team - setting up things - 3 to 6 months - teach thousands of Chinese and others - use AI domains we bought like AI KF; CR AI; Verge of major breakthrough - spreading knowledge - want to start using T; Asking for your support to achieve this; Space T - have meaning - relation to daily life; Bring teachings into factories; For people who never heard about Plasma T - will have 4 weeks to learn before go to production line; Knowledge transfer has to touch their Soul - then produce products; Involve hundreds of thousands of Chinese in coming months; Have to be taught Ethos - the why and how of what they are doing; Working for KF - has to be a joy - want to elevate Soul; KS like Jalal, Emmanuel, others will be doing this work; Need KS to bring in right position; KS have been here long enough - time to help bring change; Collaborations with Markray and KF will intensify rapidly in next weeks; Markray flag bearer - new T; Hope KS will join us - bring change; Ongoing teaching is - elevation of STM - transmutation & physical transfer; Launched new product - bring physical and Soul development and transmutation together - collective knowledge of 20 years; In two-part set - first part combination of Plasma Glasses & Headsets; For elevation of Soul - bring final stage of teaching; Uses CR Plasma T - connects matter to plasma - elevates Soul - transfer P; Second piece released in 6 months - wear it on chest - elevates - controls STP, emotion, blood flow - transmute & feed; Tested with 7 Captains; New system is next step for transmutation & feeding; Control emotion of P with emotion of Soul - transmute & be in charge; Like using "training wheels" to learn bicycle; Most advanced CR T ever developed - control emotion, love, everything positive in you - while remaining in charge; Use with Central System - transmute by own decision; Headset has 360 degree connection - every D of STM & STP - and motion of blood in body; Creating different environment - how Earth creates environment for body; In sleep change field strength & flow of blood - allows to sleep and dream - system does same; Do not put on head till we tell you; Combination of different systems in one; Tune into emotion of animals & plants - receive energy without eating them; Second piece of system - create emotion to receive; Release most advanced T for movement of energy - P, Soul, create organs; Re-grow missing kidney - with all correct connections; Fields of kidneys remain in body even if missing - re-grow - created by conditions of environment; Not a fairy tale; First step - traveling without rockets - survive in Space; Only making limited numbers - second part - add improvements - free of charge; Connect to CR Plasma of P; First time connect matter and plasma through communication line; Do not share CR systems with anybody; Later will be able to share - scientists have to understand; Beginning science evolution; Product from Chinese cooperation with Markray; T in hands of humanity - not governments to become rich;

System create PPP - emotion, intellect, enlightenment together; Enter new phase; Converted massive UBESUS into small unit - after 6 years; You were always there to help; KS tells enlightenment dream traveling with Soul - wants to have all time; What was physically happening before dream; Learn to control release of STM in dream; Learn to control breathing - how take energy - it's adjustable like making drone go up & down; Observe how someone breathes when asleep; Rhythm of breathing dictates emotion, dream, freedom of Soul; Other dreams in STP & P; Rhythm of breathing tells if dream is STM or STP & P; Learn how and what to listen for; Different techniques; Match rhythm of breathing while dreaming - in waking state; Learn which breathing connects to STM, STP, P; Take energy by changing position and breathing - becomes food; Reduce blood flow around cage - Soul goes free - still tied to spinal cord - tied to Earth - why cannot transmute; Why brain has 2 halves - one half holds to Earth; Systems worn where brain is; Don't need to sleep and dream to do it - control energy going into body - connect it to fields of U - then don't need to breathe; Do with 2nd part of System - transmute & transfer; Learn from how you breath when dreaming - repeat it when awake - can enter that state; Why don't remember dream; Explains secret meaning of symbols in Forbidden City China - culture behind it; Different animals - lions - corners of roofs - have meaning - coded messages about ones position in society; Number of animals tells where Emperor is; Servants use doors with one animal; Know what you are allowed to dream - limitation dictated to them; In dream we dictate what energy and place we want to have - how to elevate Soul; If use door with one animal - we become physical - here to serve P; Soul decides which number it wants; Soul wants to meet its Creator - Emperor symbol; When comprehend - don't need to remember; Never remembered anything during my education - always understood - it was inside me; Take from teachings according to what understand; Knowledge is naturally with you; Understand workings of body - how many animals want - what is your place; Need to understand more about yourself - how physical structure works - understand Totality; If understand dream get enlightened to that knowledge - always access it; KS tells experience - understanding knowledge; Chinese Taoist understand Yin and Yang - balance between energy and matter - have different perspective; Confusion about life and world because only taught physical side of life - Newton's law - never taught about energy; Only define energy in terms of matter - not energy itself; Nuclear physicists think they know energy side - but only know matter; Matter cannot exist if energy side doesn't exist; Comprehend - not learn - P confirms existence - Energy shows connection; Like car without fuel; Body like car - life is energy; All our teachings about energy part; Nobody else touches energy side; Will teach both levels right from beginning - in nursery schools; Then no confusion about KF teachings - not call mystical - have knowledge; Story of magician - shows parents how magic works - but not children - won't think it's magic; Teach both sides to children; Problem education system embedded with P only - don't want to see energy that creates it; Body is like computer - data the Energy; Intention of Soul - makes use of computer; Easier to teach Plasma to child of 5 - than CERN professors; Arrogance comes with lack of knowledge - all arrogant; Life has both physical and energy side; Physical energy that moves - different than physical energy gives emotion, intelligence, intellect, comprehension, love; Put emotion of love into P - get soft touch - becomes kiss - lips have different meaning - not fake kisses; Love of child; Can tell if partner faithful; Energy carries emotion into P; P also has emotion - learn to transfer; Story of staying

with Minister and wife - African culture - being connected emotionally through energy; Human body - understand information, energy, emotion; Problem when don't understand how emotions move P - energy causes; Don't teach in school about energy & emotions - only P to become attached to P, money, possessions; KS who understand enough - start teaching about energy - become future teachers; Jalal time to share knowledge - and the rest KS; Be impartial - according to what understand; About heartbeat and long life - turtles; Whales have few heartbeats every 24 hours; Convert energy internally - not heartbeat; Way blood interacts; High blood pressure - high sugar levels effect sleep and dreams - blood flow & connected with Soul; Want to possess - tighter cage on Soul; Secrets of KF Sugar & Pressure Cup; Atoms have consciousness & emotion; Soul has emotion; Stone - electrons are dynamic - has Soul; Break crystals in hands by energy transfer; Make object move - love to see your beauty - movement - at level of Soul; Doesn't like to kill ants, mosquitoes - threshold of emotion risen; Think life of ant is nothing - hypocrisy; Connect to it through half-life - Soul - please don't bite; Adjust emotion - understand spectrum of isotope energy of mouse, cat, human, Creator; Creator matches one isotope; Everything has reaction - emotion is reaction; Plasmas interact - create emotion; STP - collection of energies - plasma - no P; STM & STP interact emotion - accident; Water flowing over rock - create emotion; Soul feels when touches Soul of Creator - love of Mitra; Changing position of object - shifts energy; New CR material in Coasters - shift energy; When Soul's interact - do anything need; Gives long detailed discussion about war between Israel and Iran; Knew Americans & Israelis planning to attack Iran - got secrets out of Israel - Israelis had to attack; Iranian Intelligence fed wrong info to Israelis - biggest mistake to preempt attack; Iran made secret arsenal; Mr. Zarif spied for America - Vice President - so President also knew; Planned to create uprising in Iran - used Afghans to kill top Iranians to start revolution; Killed plasma scientist close KF T; American, British, Germans, Italians French worked together against Iran - want uranium mines & T; Trump wants centrifuge; Why showed Plasma T in Beijing; Netanyahu - Cabinet fled to Cyprus hide with British & French military; Plan to empty gold - Iran's central bank; China entered war defending Iran - because Pakistan; Rockefeller and Rothschild Group didn't know; Iran - submarines with warhead launching capability; Iran controls airspace of Israel; Israelis escaping state of Israel - end by themselves; Rothschild's funded Zionist to return to Israel - to create endless wars - money from weapons; Media won't show - Tel Aviv & Haifa look like Gaza - wrecked; End to religious wars; Iranians turned around - 95% praising Ayatollah Khamenei; Mr. Zarif accused Mr. Keshe - spy of Israel - notice to those in Iran; Palestinians moving into apartments left by Israelis; Vatican lost 30 trillion - Americans 300 trillion in Israel; If go to nuclear phase - China & Russia; KF use plasma to clean up nuclear damages; Final phase of religions; KS says found solution to cancer; Talk scientifically; 3 types cancer - emotional - physical - genetic evolutionary; About feeding with glucose; Surgery and hard hit turn into cancer; psychosomatic and psychological pressures - can interfere with; Research can reach 20% cancer - 80% not reach don't tell; About sugar and salt; Control emotion - attachments to P; New T for cancer - unbelievable - tumors disappearing; Out through Markray & China; Half-life for nuclear - Half-time for body; Sugar in water - crystallize new candies; Relationship between food and sex - coded in genes - reward like mouse - get addicted; Need huge financial support; KF stuck can't move till find solution.

To read the English Transcription of this 595 KSW and others materials of the KSW click in the following link:
