

601st Knowledge Seekers Workshop July 31, 2025

(Quick Index 17 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

4th Week Systems on; World Peace soon; Have to create Time - like child; Arrange & bring everything together; Mankind & all animals change enlightened same time - peaceful; Soul of Planet - tune to new Time - collection of all fields; Volcanic eruption like breathing to change Time - additional energies released to enlighten us; Create own Time - same with planet; Has to match Man's behavior and STP; Collective Soul all living things on planet - make up STP of Earth; Soul & STP of Earth have to match - bring elevation; Signs & indications; Elevation of STM - brings change to planet - create new cycle of STP of Planet; Soul & STP of Planet - dictates behavior - balanced - create new cycle; Promised One is us; All tune to Soul of Planet; Volcanoes energies from inside - bring change; Promised Time - collectively create field strength of PPP; Not end of world; Soul & STP Planet balance - give birth Promised Time; Every life - cell of planet - collectively create STP of Planet; Even if die before get enlightened by change; Like changing matter into Gans; Depends on Man's enlightenment; Change of behavior animal, humans, plants; Coming from inner sanctums; Mosquitoes won't bite; Don't let wars or beautiful things distract - setting for final day; Planet's MG fields structured so hunger never finishes; Gravity takes energy from us; Planet's emotion connects with Man's emotion - bring enlightenment; Mother releasing energy to children; Not prophesize - signs show - tomorrow or 10 years; Speed up process; All Prophets & teachings made us ready; Feed Man through system - not kill - extends life; Man's Physical Time balance with Soul Time of planet; Time of Milk & Honey - receive energies; Understand purpose today's teaching - change time of enlightenment; Set up New World Order; No more suffering to be alive - pleasure to live; KS responsible to spread new knowledge; All needs met from birth - mother not worry; All live prosperous life; Not dreamer - already started; No one die of poverty; Humans steal from each other - become arrogant - kingship - nations of thieves; Collectively create new Time; Like animals - don't need job to live; Suffering & killing made us ready; All equal from birth; Through changing emotion; Promised Day for us to complete; PPP not change - elevate emotion to enlightenment - change Possession; Systems in satellites - transfer energy everywhere - below and above; Process started today; Communication system - feed planet - spread knowledge one go; Picture of honey - already transferred energy 15 minutes before; See picture - create new Time; Feel honey; Send feedback how felt; Change has started; How fed Palestinians; Other foods - KF Apps on phone; Can change every emotion; Thank Creator for knowledge; Satisfy hunger for wealth - change greed; Perceive through picture; Wealth & food - free from birth to death; Receive different energy level - honey to you - apple to me; Observe changes in animals listening; Poverty & hunger finished - option to work; Bring that justice; T compensates what's lacking from center of Earth; Austria highest taxes - every citizen comfortable life; KF started process through T not charity; Satellites & crypto currency; Keshe Coins; One piece missing; Gifts of CR Balls; Meat eater kills 1 - vegetarian thousands; Shorten life through killing; Lose stomach and intestines; Pushed humanity to create new Time; Another step to convert it into its Energy; KS felt orange; Electronics interfere with fields - plasma pure; Tap U energy - eternity; Take energies - don't match; Aliens without

mouths; Cause of own demise; Universal currency; Here to serve; Birthday video Mr. Keshe; Many suffering to bring change - greed bigger than peace; Happen in my lifetime; African President captured 40 trucks weapons - example; See Promised Time in our lifetime; 2 mobile phones change humanity; Reptiles, insects, fish have rights; KF systems started it - others adding to wish; WWII executed German leaders - celebrated airmen dropped Hiroshima bomb - set problems today; Iran should take to court - those deliberately bombed nuclear centers; Working hard to protect Iran; CR materials made with love - connected across planet; Change comes from love; STM - feeds world; CR Balls part of change; Pray to elevate Soul world leaders; Netanyahu - sadist; Pray Ayatollah Khamenei accept Iran to sell nuclear materials - end suffering; CR - Universal Satellite; Can translators transmit emotion; Why allowing genocide especially with Israelis; Part of process - humanity to learn; We are not ready; Universal Council power to change; Understand depth of meaning; Same behavior with other races; Israelis kills own people - start war - code by Netanyahu; Have to change it inside us; Israelis "hunt" Palestinians 2 weeks - go back to US; We'll sort it out; Not just pray - understand & concentrate - transfer energy; Chosen Ones; Maintaining lucidity and control during transmutation; STP pulls STM back to body; Live dual life; Soul has own life & friends - unknown to P; Is dream is P or Soul; Soul dream see body; If leave body - already decided; Soul on tight leash; Tested Soul flying in childhood;

Topic Index

4th Week Systems on; When will world peace come; Why haven't we achieved it yet; Same as creating child - have to create Time; Arrange all things & bring together; Whole of Mankind learn peace & all animals: All have to accept peace - be enlightened at same time; Soul of Planet Earth - tune to new Time; Collection of all fields have to come together - create new Time; Volcanic eruption like Man's breathing - anger; What comes from within effects Time - additional energies released to enlighten us; As Earth changes - massive eruptions - like using breath to create change; Planet has things for Man to go through for change to happen; Create Time for ourselves; Planet has own Time - has to match Man's behavior, STP, collective Soul of all living things on planet - make up STP of Earth; Soul & STP of Earth have to match - bring elevation; Man will rise or fall to challenge; We'll collectively feel creation of new Time - like waiting for loved ones to arrive; Soon will appear; Mankind at this time right now; All indications for it are here; Elevation of STM - bring change to planet - create new cycle of STP of Planet & all its created things; Balance between Soul & STP of Planet - dictates behavior - new cycle of wisdom; Promised One is really us - we mature & stop killing - peace; All our Souls - make STP of Planet - collectively tune to Soul of Planet; Volcanic eruptions from inside energies - G fields; Promised Time - collectively create field strength of Place, Position, Possession (PPP) - new cycle starts - not end of world; All collectively mature same time - live by Ethos of Mitra & Ethos of Creator - loving; Promised Time has come; Volcanic eruptions - Planet breathing deeper - create energy - balance Soul & STP Planet - give birth to Promised Time - Man enlightened; Change - planet will give energy to all its citizens - not kill - peace - knowledge; Every life on planet - like cell in body - own Soul - collectively create STP of Planet - create Time - all balance with Time of Soul of Planet - Promised Time; Signs show it is close; Even if die - still get enlightened by

change - still connected - feed energy to planet; Be aware of change; Changing matter into Gans like process of changing planet; Depends on Man's enlightenment; All life on planet elevated; Indicators showing change coming; Change in animal's behavior - 12 months - humans too; Trees plants changing position; Atmosphere changing - planet's breathing; Last time was meteorite - this time from inner sanctums - create new Time; High order energy release - enlighten planet; Stop killing - even mosquitoes - won't bite - receive enough energy; Don't let wars or beautiful things distract - setting up for final day; Planet MG fields structured so hunger never finishes; Gravity taking energy from us - need energy to move - less energy for blood; Cells won't need that attachment; Planet let us go - if we want; Fish changed migration directions; Planet's emotion connects with Man's emotion - bring enlightenment; Planet release energy within - enlighten us; Mother releasing energy to children - indications for it to happen; Not prophesize - tomorrow - 10 years - process has started; Humanity about to witness biggest change to planet; Become part of Universal Community; Has Time been created for Soul & STP of Planet to match up; What can Mankind do to speed up process; All Prophets & teachings of past made us ready for enlightenment; Will we doubt or accept change; Feed citizens of planet through own love; Planet has rage - destructive - tramples Man & other lives; Use breathing to balance STM & STP bring separation - planet can do same; Feed Man through system - doesn't kill - extends life - Physical Time of Man's peace - balance Soul Time of planet; Time of Milk & Honey - means receive energies - happy - not destroy life; Understand purpose of today's teaching - change time of enlightenment; Are we ready to accept a new Time; Set up New World Order - totally different way; No more suffering to be alive - pleasure to live; KS responsible to spread new knowledge; All needs of living met from birth - mother not worry how to feed; Start life in richness - bring a different attitude to humanity; Not months away; Humanity responsible for every child born - live prosperous life; Change Time - peaceful child and world; Not a dreamer - already started; Change Time - no child poor - no one die of poverty; Hopefully explain next week; More humans steal from each other - become more arrogant; Made kingships to justify; Nations of thieves - habit of stealing - blame those we stole from - they don't let us destroy and rule over them; Some part of new structure without knowing; Change emotion bring balance between P & Soul Time ?? of Man and Planet; All synchronized into one - Promised Time; Put in first brick to start building - collectively creating new Time; Man - kind to himself; Live life right way; Do we need a job to live; Pup doesn't die if father dog doesn't go to work - why should Man; Man will live to enjoy life - changing emotion of Man - create new Time - interaction of Soul & STP of Planet; All are part of Change; Suffering through collectively killing made us ready; No wars, stealing, kingship - all equal from birth; Do it by changing emotion; Promised Day now - for us to complete - not tomorrow; PPP not change - so we elevate emotion to enlightenment - field level which changes totality of Man through Possession; Put systems in satellites - transfer energy everywhere on planet - below ground & above in atmosphere; Process has started today without you knowing - bring milk and honey through T; Opened patents - share with everyone - spread knowledge in one go; Use communication system - feed planet - same process; Energy to every living Being; Picture of honey on screen - already reached you without you knowing; 15 minutes before picture systems on - feeding you; See picture - create new Time; Feel honey; Transmuted energy across planet through listeners; How easy to feed humanity; Send us feedback how you felt - what is happening

with you; Hundreds of thousands listening now; See picture - taste honey; Don't know what we are doing with you today - touched every sense of your Being; Change has started; Beginning of defeating world through communications; You are guinea pigs; Reason for it; Cost nothing to live; Children born with enough energy - not kill; Teachings like this from now on; Change Time; You help us - combine T use satellites; How we fed Palestinians; Other foods through KF Apps - receive on phone; Anytime hungry all foods in KF - don't need to kill apple or cow - change to desired taste - receive energy; Part of 80% energy from environment - available wish of environment; We are changing you today; Can change every emotion in Man - testing every sense; Thank Creator for knowledge; Come every Thursday to be fed, enlightened, balance emotions of STM & STP; New process started - gather momentum; Next satisfy hunger for wealth - change greed; Perceive through picture - played with emotions; Fed you honey without you knowing - after 15 minutes showed picture of honey- another 15 minutes informed you; Educating you how change will come; Wealth & food - free from birth to death; On energy level honey to me, could be apple to you; Our compositions are different; Allow animals to be in room listening - observe changes - receive energy - change behavior; Fish in tank; Poverty & hunger finished - all live comfortable life - option to work to have more; I'll bring that justice - already set up - turned on; Every child born equal; Have T - compensate what's lacking from center of Earth; Sandwiched between - have to change; Austria highest taxes - every citizen has right to comfortable life - nation pays - low crime; Italy opposite - high crime - homelessness; How Man's life should be on this planet; KF started process for whole planet through T not charity; Best things - satellites & crypto currency; No attachment to P; No nation rob another nation because of its gold; Brought Keshe Coins - CR Bundle; Keshe Coin - only currency backed by gold - by energy, not P; Valid in every nation - every child born have; I walked you through it; One piece missing - added soon; Release it - change emotion - not kill for us to live; Today KF changing the Time; Many received CR Balls from KF as gift - 1 gram 1,000 Euros - higher then gold - feel energy - pleasure - emotionally and energy - being fed; Started new cycle teaching - touch every sense of KS; Added fields of lavender 15 minutes before picture; Did you feel it before you saw picture; First food - second smell; How long for Man to change; Meat eater kills one - shares body among many; Vegetarian happy to kill thousands for himself - thinks he is peaceful - didn't kill; In Space - smell trigger to kill; Earth pick apple from tree - in U pick a life; Not educating you - changing you through essence of own creation using satellites & mobile phones; Will you want to understand change - use T to convert energy; We compromise our own life when take another to eat - without knowing; Vegetarian, vegan, meat eater - all killing; Lose obesity - feed from fields; Passengers of U - gradually lose our stomach and intestines - many things will change; Pushed humanity to create new Time; Next weeks observe behavior - eating - those around you - and pets; Is planet ready for change; Change on table now - can't stop it; Knowledge is here - for you to play with; Quick to make MaGravs - how about receiving energy; Haven't yet showed you how to convert it into its Energy; Have you been satisfied by smell; Choose lavender; stop smoking, lose infections - become peaceful; Guess what next energy will be - what taste in mouth - feeling any emotion - we are feeding you with something; Take energy without connecting to entity; As you hear my voice - being fed; KS smells and feels orange; Have to wait 7 more minutes; Getting fed - elevating Soul; Problem with matter state system - satellite -

electronics interfere with fields; Plasma Communication systems - no interference - pure energy; Feeding through fields of U - changes strength of STM & STP - change Time; If don't kill - live for centuries; Killing shortens our lives; Tap U energy life for eternity; If don't take poison - cannot die of poison; This secret kept from Man - has had no solution - no T to substitute for killing; Do we need honey, lavender, whatever - tap into U Energy - live thousands of years; Bring own death by ending another life - our choice to eat; Take energies that don't mix and match with ours - die - less than 100 years; Suicide forbidden - why killing ourselves with every mouthful of food; Wish and emotion of energy enough to survive - without killing; Aliens don't have mouths or stomachs - communicate through emotion of P; Skin color shows intention; We are cause of own demise; Learn to take U Energy; 15 minutes up - it was orange juice; KS was right - she felt taste of orange before knowing about it - did Soul know; Tested hunger with honey - smell with lavender - thirst with oranges; Have science & T to do it; Universal currency is Keshe flow currency - born with all energy to live; Demand of people will bring it - very smooth way; We are all here to serve, but right way; We have changed half-life; Plays 12 minute Birthday video from Brazilian community for Mr. Keshe;

Part 2

Mr. Keshe thanks everyone for love and care; Trying to bring change not easy; Many of you suffered and will suffer to see change happen - greed bigger than peace; Hopefully we'll achieve it - on right track to bring change; Will happen in my lifetime; Example - African President Burkino Faso captured 40 trucks weapons - 5 million bullets - melted down make bell for school; Changing tools of war into education & peace - young generation yearning for change; We bring tools & structure needed - science and T; We have begun - hopefully see Promised Time in our lifetime - not hopefully - we will; In shorter time than we imagine - though looks like chaos; Saying annihilate with nuclear weapons - settle down - get rid of; We have to be mature - continue standing; KS working in background - bring about; Today's teaching was beginning - started feeding you; T needs to be matured - understood by all; Everybody doesn't need a unit at home; 2 mobile phones change course of humanity; One to keep Man communicating - other to fly with Soul; Lot of weapons, mass killings, governments developing latest weapons to kill each other; Matured in Africa - do same in rest of world very soon; Scientists say even reptiles, insects, fish feel and are sentient beings - have rights - rivers too; KF systems got it started and are helping accelerate changes - others working too; My wish is my command - others adding to wish - fields and energies moving towards peace; We set example; After WWII executed the German leaders responsible; But celebrated airmen dropped Hiroshima bomb - did not court-martial them - because Allies wrote history different way - set scene for problems of today - nations threatening nuclear war; Responsibility of Iranian nation to take world leaders who deliberately and knowingly targeted Iranian nuclear centers - against laws of UN - genocide; Could have killed hundreds of thousands; First have to show animal behavior - who is who; Can mature to where don't need T to change; Working hard to protect Iran - release new energies bring change; All things KS doing to bring peace are connected; Those making CR materials - men of peace - put emotion, love into it; CR materials are across planet - all connected; Satellite Souls connecting humanity together; Change comes from love and care; STM

connected with materials Man touches - feeds world; CR Balls part of change; Pray or give from Soul elevate world leaders; Putin warned Netanyahu - sadist enjoys destruction; My biggest wish - Ayatollah Khamenei accept Iran to sell nuclear materials - help bring peace; I pray for Soul of Ayatollah Khamenei to understand; end suffering for 80 million because have advanced T; Request KS to pray; Analyze today's data; Come together 4 to 6 weeks - change; Not yet ready to take responsibility - create peace - feed humanity with energy of U; Cosmic Rays connected together Universal Satellite through energies of Soul; About receiving energies through translated languages not English KSW - we learn from KS; Can translators transmit same emotion; KS said - Mr. Keshe has power to stop any weapon on this planet - why is he allowing all this genocide especially with Israelis; Part of process - humanity to learn & change - not first nor last time; We are not ready; Universal Council Soul level has power - if they are sincere; Understand depth of meaning - not just words; If I kill you, I'm a murderer - kill yourself - suicide - this race towards suicide; Same behavior with other races; Israelis have special code - kills own people blame others to start war - given by Netanyahu; Not just this blood - Chinese 300,000 slaughtered - British starved 15 million Iranians; Man does for power - he can; Have to change it inside us; They are human; Europeans slaughtered Native Americans; Israelis "hunt" Palestinians 2 weeks - go back to US; In time we'll sort it out; Not just pray - understand & concentrate - transfer energy; Teach children 1 Jew worth 10,000 of another race; Maintaining lucidity and control during transmutation - partially related to subconscious - teach later; STM travels U in dream - STP is aware - pulls STM back to body; Live dual life; Soul has own life & friends - unknown to P; Witness it - because of energy transfer; Soul exists - different field strength; Determine if dream is P or Soul; P connected to brain & STP; P doesn't understand Soul dream - can pull it back; Soul dream see body; Look down before leaving; Lot of teachings to come; If leave body - already promised and decided where to; We can learn outside body - still connected; All M fields connected to each other; M fields of STP - keep STM tied to P - call back any time - don't accept we are on tight leash; Images come from crossing through; He did a lot in childhood - test flying what can do; Beginning of change - setting up structure.
