

613th Knowledge Seekers Workshop October 23, 2025

(Quick Index 18 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Excerpt from 611 KSW explained about 3I & R2 - came true; Met behind Sun - flash light; Next step for humanity; Science doesn't understand; Show image - second corona around Sun - solar flares - field expansion; Simultaneously Internet outage US; Interaction create new life in Solar System (SS); Planets on same side - new life; Rendezvous pre-planned - will be 2nd & 3rd encounter; Caring race protected Earth for M fields - otherwise destroyed; 3I against law of Physics - confirms law of Energy of Matter - intelligent, living, loving; few weeks humans meet Universal Community (UC); 3I aware of every position, thinking of world leaders - citizens of this planet - knows how to behave; Given warnings; First encounter Visitors from outer Space; Egyptians got knowledge from Visitors; Humans might enter UC; Compares drawing of 611 KSW with aurora around Sun; North Pole release more energy; 3I power to effect Sun - create life - don't destroy life; Fulfilled promise - enter UC; Created M shields close to Sun; 30% UC living on Earth - get on & off 3I - take shape of Man; Bring new intelligence; Mankind has to achieve world peace - otherwise lose; 3I start new race on Earth; Citizens of U will decide; Otherwise wait 3,000 years; Change come through Soul; New race created with Soul of Daughter of Mitra; Leaders in touch with 3I; 3I time of pyramids; Races inside oceans - take Man's place; 3I not hostile; By Christmas meet Aliens; Go through enlightenment; Understand & allow dual nature Energy & Matter; Energy can remain without P - state of STM; STM interacts with STP - create P; STP is like Weight - interaction of STM with Soul of Planet' - Man; STM is Creator - Soul of Planet interacts creates Mitra - create P; How explore & create life in Space; You are spaceship - separate 2 fields from each other; Learn which field strength to create; 3I corrects movement; Particular space gap means capable to create life; Uses multiple communication systems - with own pulses; Pulse created in heart - every muscle; Heart pulse same as polarity change of planet; Heartbeat is when heart kicks back; Heartbeat changes by emotion - pulse of 3I does same; Space gap Gans's - make Man peaceful; KS Gans's - create pulse - Gans of heart creates pulse; Every cell has pulse; How 3I reads our emotion; Go to ship - teen to pulse; Call of nature; Heart attack & brain hemorrhage - pulse not in tune - die; Frequency is matter - pulse is plasma - don't match; Don't died of a cancer - change rhythm of Time of cell; Pulses set in womb; How get heart attack - energy surge STM & STP - burns cells; Past 10 minutes - gave secrets of Creation; Plasma of Creation uses pulse; No AC inside plasma - detect boundaries; DC is plasma - no interaction - always within itself - selectively absorbs energy from whole environment; Key to Universal peace; How to create life - purpose of life; ONN Units - create dome; Units belong to humanity - transmit emotion of peace; Teach how to use; drop in oceans; Tomorrows Monthly Flight session; KF Store's Halloween Mystery Packages; October 29th 3I closest to Sun; Created copies of itself - to every planets - 9; Earth could lose satellites - nuclear power stations; M field protection; December 6th - explained last Sunday talk Brazilians; If fields produce plasma state - not harmed; Received energy from Sun; Multiple shielding in different strengths; Global Internet outage from 3I; Plasma transfers and shares fields; Surges until January; Robots mechanical decay; Humans repair themselves; Nation promoted war - demolishing itself; China refusing to sell T if used for weapons;

Bring world peace; 2 years complete T to feed Man; Tasteless & odorless energy - problems with emotions; Need to make pure food and pure seeds; Have to clean ground, air, water - chemicals inside plants and animals; Remember 613 KSW; Have to stop interference with Markray shares - before starting 3 year program; Deliver pure food fields through ONN; Need 5 million to complete; Plasma generator - in ONN; KS team increased speed of understanding; Last October - incident happened - delayed P generator; Multi-colored luminous threads of CR during teachings; STM contains all elements of U; Field strength of visibility; Transparent white ultimate strength; Additives change color; About gravity; Kinetic changes to Potential Difference Energy - same way as M to G; Conservation of Energy rule; Different controls; Same how voltage changes to current; Scientists confused; In Book 1, 2, 3; 3I has hexagonal skin - alive; 3I continuously converts M to G - thousands miniature plasma reactors; KF second patent; You are system - environment goes around; Reincarnation - RNA memories; STM carries memory of U; Analyze dream; STP dream what talked about; STM dreams peace; Childhood dream different than adulthood; Live painless life after age 50 - exercise tiny muscles in hips - eat more fiber less protein; Balance 3 elements earth, air, water; Muscles have 4 layers inside - why get diseases; Take care of emotions & Energy; Most important - tiny muscle underneath next to bone - not exercise - understanding; Fiber generation through vegetables and grains; Protein creates inflammation; Exercise 10 minutes a day; Soon - Gans's for aging; Use ONN Units; Look after yourself

Topic Index

Excerpt from 611 KSW what explained about 3I - Atlas & SWAN - R2 - came true; Met behind Sun - flash light; Next step for humanity; Science doesn't understand what happened behind Sun; KS researching spaceships; Show image - second corona around Sun - from 3I and R2 interacting; Like solar flares - more powerful - field expansion; Simultaneously Internet outage US - caught tip of M fields; From this interaction - Solar System (SS) - have new life; Check which planets within sight - will absorb fields - create new life; This rendezvous was pre-planned - 2nd or 3rd encounter; A caring race - aware of power - protected Earth - otherwise Earth not survive; 3I goes against law of Physics - confirms law of 'Energy of Matter' (Plasma); All images confirm 3I - intelligent, living, caring, loving, etc; Careful not to damage life; Few weeks we'll meet this spaceship - meet Universal Community (UC); Energized to a specific level; Feel its emotion - direct physical manifestation; 3I aware of every position, thinking of world leaders & citizens of this planet - knows exactly how to behave; We received warnings; First time encounter Visitors from outer Space; Egyptians got knowledge from Visitors; Humans might enter UC; Compares drawing of 611 KSW with image of solar Flash; Happened as planned; Image shows aurora around Sun; Not magic - understanding science; North Pole release more energy - keep balance of rotation without damage; Light extends hundreds of thousands of km outwards; Power to effect Sun; Power to create life - don't destroy life; Why chose other side - protect humanity; If mankind ready - fulfilled promise - enter UC; Man will meet, touch, smell - Knowledge of U; 3I created M shields - close to Sun; Don't need to touch - to create life - from millions of km; Earth on same side as 3I - 90% chance - send landing craft to Earth & other planets; Life will begin; 3I like cruise ship - get off & on at Earth; 30% UC living on Earth - some get on 3I; Some

from 3I take shape of Man - join Earth; Bring new intelligence; Mankind has to achieve world peace - otherwise lose; Signed World Peace Treaty with Soul; New beginning for Mankind - receive energy to change; 3I come out of Sun faster- start new race on Earth - fulfill our promises; Citizens of U will decide; Otherwise wait next 3,000 years; Change will come through Soul; New race created with Soul of 'Daughter of Mitra'; Leaders in touch with 3I; Happened time of pyramids; Mankind become peaceful; Or change later; We will probably be correct - change; Races inside oceans - take Man's place; 3I not hostile - very friendly - look after our safety; Analogy of mother & father hiding in bedroom - new life; Hope encounter won't accidentally result in destruction; By Christmas meet Aliens - they know history; How will human race accept, believe, go through enlightenment; All indicators point to it happening; Time to become part of UC; Stop animal behavior; Back to teachings; Understand - play with energies - create Time and PPP; Two different dimensions; Physics sees only material side - ignores Energy; New Understanding allow dual nature Energy & Matter; Energy changes to matter - see physical life; Energy can remain in Energy without P - state of STM; STM interacts - creates STP - then physical life; STP is like Weight - outcome of interaction of STM with 'Soul of Planet' - physical manifestation of Man; STM is Creator - Soul of Planet interacts creates Mitra - create P; This is how we explore & create life in Space; STP interacts with Soul of Planet - create physical structure - depends on M field strength of STP; You are the spaceship; Understand how to separate 2 fields from each other; Need to understand which field strength - for which job - what we want to create; Reports from 3I - sends field information - correction of movement; Particular space gap means - capability to create life; 3I uses multiple communication systems - with own pulses; Pulse of Man is created in heart; Every muscle controlled by heart; Heart pulse no different than polarity change of planet; Planet allow pulse variation in field to go through - no attachment - rotates; But heart struggles - attached - cannot go through half cycle; Heart cannot follow (polarity change) - kicks back again; This is called heartbeat; Heartbeat changes by emotion - pulse of 3I does same; Emotion & Soul; Releasing field interactions across planet - form of Gans's - at space gap field strength energy - make Man peaceful; KS making Gans's - create pulse: Gans of heart creates pulse - depends how you shackle pulse, speed up, reduce; Interact with pulse of its environment - dictates life; Every cell has pulse - tunes to M field strength of pulse of Soul & heart - leads to its creation, generation sustainability; This is how 3I reads our emotion, knows our fears, needs, what will result, everything else; If we tune to pulse of ship - go there; Call of nature - in D of Energy - not P; Mankind knows meaning; Bring it to work in sequential way - find peace & new way of living - understand how 3I works; Heart attack & brain hemorrhage - pulse of motion of energy of P not in tune with energy of emotion; When out of synch we die; Frequency is matter - pulse is plasma - don't match; Don't died of a cancer - lack of energy - cancer tumor takes over - changes rhythm of Time of cell - don't match; Pulses set in womb - get out of tune - problems; Can't handle emotions - raises blood flow - extra energy goes to heart - reverses cycle - muscle can't handle - heart attack; Energies surge between STM & STP - P of blood too; Booms to top of head - brain hemorrhage - burns cells; 3I & Sun - stronger fields in North - transfers energy to rotation; Past 10 minutes - gave secrets of Creation - way Creator creates; If understand - become passengers of spaceship when it comes; Become part of energy of U; Do in right order & from you; Pay attention to frequency - play with matter & Man; Plasma of Creation uses

pulse; When don't understand - ignore & deny; This has to stop - because he has intelligence to understand - two are same - different rules; No AC inside plasma; Detect boundaries plasma through AC; AC is P; DC is plasma; AC - two objects vibrating; DC doesn't have anything to interact with - always within itself - absorbs energy from whole environment - not collective but selective to field strength; Key to Universal peace & Creation - can join 3I - 3,000 year trip around U - come back to Earth; When scientists understand - become citizens of U; Leave it with you; Understand how to create life - understand purpose of life through eyes of Creation - not the created.

Part 2

Send out One Nation Network (ONN) Units - just plug in leave it; Can have own SIM card - self-sufficient - take anywhere; Second part - Plasma Antennae; Cover Earth - ground up - everyone in its mesh; Create dome on planet; At least one in every nation; Help those who can't afford - donated by sponsors - generous KS; Be sure you can afford; Test first 100 Units - then continuous delivery; If tamper with - you will lose; Man lives 99% on ground - some below ground & mountains - everyone covered; Units belong to humanity - bring change - transmit emotion of peace - why putting them out; Work with STM; Be vigilant & aware of what receiving; Teaching sessions on how to use Units - Keshe Coins - Game of Enlightenment; Tomorrows Monthly Flight session - hammer with joy and pleasure - dimensions beyond imagination; Need more donations for ONN Units; Next year - connect those who have become Peaceful to Universal systems - carry peace through Soul to rest of humanity; Complicated operation - need at least few thousand Units; Drop Units into oceans - spread Knowledge of Creation under seas; Show KF Store's Halloween Mystery Packages - saturated with Gans's of peace, equality, everything else; Charge cups with fields; Linz Exhibition Center closed for 2.5 years - announce new place; 3I - Atlas October 29th closest to Sun; Explained in 609, 610 KSW - spaceship would split itself into 9, 3; Creating batches of small clusters of crafts - disappear when near a planet; 3I create dust storms on Mars - 29 million km away; Careful with Earth - not interfere; Rendezvous with Earth - November or December; Busy mating other side of Sun; See flashes of love coming out; Hidden from Earth - not other planets; Met with R2 - massive fields created splash - because M and hit Sun surface - stone in pond; 3 entities creating structure - massive energy to Earth - could lose satellites - communication systems - unless tail moves back towards Sun protecting us; If Captain of 3I doesn't control - back in Stone Age; Cables will work; Lose nuclear and power stations - horrendous; They can create M field to protect Earth; Hope nothing goes wrong; 3I is very caring - see what happens on December 6th; Explained in Brazilian & Chinese community talk last Sunday; Lot of things will change; If fields produce plasma state - not be harmed - our bodies Gans plasmas; If converts to matter state - problems; If one stupid leaders tries something hostile - one leader wants to do; Musk tried to explore with rockets - wiped out before takeoff; Apparent policy with this race - don't mess around - we do what we like - but we don't harm you - we are observers; Hope humans don't do something stupid; Brighter when comes out of Sun - topped up internal energy storage - download specific field strength; 3I confirmed plasma system; Scientists have no clue; Ship created half shield - continuously protects itself with multiple shielding in different strengths - close to Sun - keeps back end away from Sun - shield moves -

specific field strength to fill up reserves; Parameters to collect certain amounts M fields - tanks inner core - shielded from others; 3I split itself at Mars; After mating - see fleet of ships coming out; Watch if neighbors suddenly disappear after December - return to 3I after 3,000 years on Earth; Change frock - move on; KS noticing strong energetic activity in background - related to 3I & R2; Global Internet outage from 3I effects - banks touched - East Coast US; Only cables secure - vulnerable at switchboards and servers - started since flash with 3I - not coincidence; If fields same strength - get hit; Hopefully we'll absorb surge; New system by KF will never have this problem - plasma transfers and shares fields; Get more surges until January; Interstellar objects not related to message - no SOS; Would plasma robots be better than humans that kill - imagine anything; Level of knowledge present robots - purely mechanical they decay; Humans can repair themselves - would need factories to constantly repair; Mankind will always have that advantage; Robots not tested in deserts, oceans, salty environments - AI added to talk sweet; Celebrate when Man becomes peaceful; One nation that promoted war - demolishing themselves; 80 to 90% of American & Western European war machine relies on systems & materials from China; China now refusing to sell technology to used for weapons - could be used against China; If they don't get rid of President Xi & CPC carries out ethos - heading for world peace - stop supplying tools of war; But Man finds another way; KS wants to create ecological park & produce food; KF technology to feed humanity will take 2 years to complete; If switch to tasteless & odorless energy - problems with emotions; Transition time first make pure food - to transmit its energy; If contaminated transmit poisons also; Nitrates, aluminum, etc, - have to be taken out of roots; Animals given antibiotics will transfer that energy; KF committed to create pure seeds with T; Need to clean land, air, and water; KF has started process; Remember this workshop 613; Devious person interfering with Markray shares - delayed until US authorities sort it out; Then programs for next 3 years start; We just need to create a batch - not tons - use ONN as base to deliver; Still need another 5 million dollars to complete lower phase; 2 years to achieve; About plasma generator - come out in different way; ONN will have plasma power - become a generator; KS team increased speed of understanding T; Last October was set to bring change - incident happened - no one killed - delayed - restructured - 6 more months; Don't hear what happens in background - evolving lot of things deeply; KS sees multi-colored luminous threads of CR during teachings; KF continuously produces CR materials for different purposes; Man's P only contains all elements of planet; STM contains all elements of U; See different field strengths according to intellect - field strength of visibility - not visible to others; Transparent white is ultimate strength - not gold - Man loves gold - images of Sun; Sun is white - color of plasma; Additives change color of plasma; Shows video - 2 fields interacting to become plasma - sums up everything you need to know about plasma - a bit is missing; Explains difference between gravity and M fields; Gravity like stone throw up & comes back down; Kinetic changes to Potential Difference Energy in matter - same way - M to G; Conservation of Energy rule in both matter & plasma - Conservation of M fields rule; Always ends balanced; Some parts locally controlled - others centrally controlled - and Mass Center controlled; Otherwise same as matter state; Understand Kinetic and Potential Energy - same how voltage changes to current - then understand work of gravity and M; It got confused by scientists; Images of 3I - wrote in Book 1, 2, 3; Prefer Book 2 - spherical cylindrical plasma; Wait till 3I comes closer; Strange they can

see surface of planets farther away - but can't see surface of 3I; 3I has hexagonal skin - same as our skin - means it's alive - G & M fields; 3I - Soul system with structure - can make repetitive structure - intelligent life; Converts its energy into matter - skin not flip off at high speeds - scientists cannot explain; 3I continuously converts M to G; Spaceship has thousands of miniature plasma reactors - like Microchips in phone; Produce energy; In KF second patent; Fully understand how M and G work - travel speed of light; M goes away - G comes towards; Gravity is object pulled by planet; You are system - environment goes around your system; Question about reincarnation in Eastern philosophy - rebirth & memories of past lives - is it real (not answered); Riddle - it is RNA - rest all talk; RNA/DNA carry (physical) memories - then you say you are reincarnated; Souls also have memories like RNA; STM carries memory of U; Interpret dream - tells which part connected to; RNA gives dream of P; Depends how you analyze; Dream STM memories - connected to Creation; Dream what recently talked about - dream of STP; Dreams of peace is STM; Dream differently with different ages in life - according to knowledge gained; Childhood dream different than adulthood. Dream through DNA and RNA; Structured that some dreams can't have when young; Lot of KS work for KF getting old - body having pains & problems; Young & middle-aged also can get affected; Follow same pattern of life of parents; Live through 3 elements earth - food, air - breathe, water - drink; Play role how body made and how we live; If in balance live 1000 years without pain - understand its structure; Don't have to suffer in old age; When young eat anything - have to be careful when get old; Muscle have 3 or 4 layers - each has purpose - related to pain in back - not walk - headaches; Gym is fashionable - not balanced; Learn an integrated system that works for us - care for whole body; Healthy life - care for eat, drink, look after our bodies, emotions, body's Energetic systems; If balance live long without problems; Look after physical - regenerate cells - emotions - food we eat - problems when not in balance; After 50 body not regenerate easily - does not produce materials needed - eat right foods; Muscles have 3 layers of different muscles; Most important one is small muscle underneath next to bone - not need exercise - needs understanding; Exercise outer muscles; Keep small muscle correct - no high blood pressure, diabetes - painless life; Use simple exercises - research to find; After 50 less protein - more fiber; Fiber generation through vegetables and grains - correct energy absorption; Eggs & meat don't do that - still fragile with pain; Protein creates inflammation; Older vegetables more important - builds smaller muscles; Do research yourself to find exercises and about foods; Over 50 have to take care of muscles in hips - connect legs & hips to upper body - walk straight without pain - not bent over; Take care of tiny muscles inside bigger muscles - exercise 10 minutes a day - be pain free; Try to bring Gans's for this soon - energetic material for aging; Can help through ONN Units; Until then - you have to look after yourself; 90% of pains during life come from tiny muscles; Chiropractors & doctors don't teach - lose money; Hope you find peace physically, emotionally - every other way; See what new year brings with our Space friends.

To read the English Transcription of this 613 KSW and others materials of the KSW click in the following link:
