

620th Knowledge Seekers Workshop December 11, 2025

(Quick Index 17 pp, Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

System on; About knowledge of Matter & Energy state - how fields make up U; Attached to P - knowledge of Earth; Persian poet Attar - Conference of Birds; Others copied to Phoenix rising; Phoenix rises from ashes - create new life - about us; Born - live - die - leave ashes of body behind; STM rises from ashes of P - creates new dimension (D); Becomes seed for new cycle in U; How STM and P separate at death; Analogy - steam condensing on cold glass as water droplets - how STM works; Depends how much field strength gathered in P life on Earth; Gather Field Strength to Soul before death; Bring STP inside STM - manifest P; Convert P back to Energy; Manifest again on Earth (reincarnation); Burnt P - Nano material - connected to Soul as plasma; Soul of ash left behind; Same thing happens to Creator; Be created from - return back to; Who created our Creator; Emotion connects STM, STP & P together to transmute; Bring P into Soul; Body stays behind - cells connected Ca - Inertia of planet; Replicate Ca Inertia - take P with; Everything on planet connected to metals, semi-metals, matter Inertia - essence of Creation; Emotion create central Inertia Mass - transmute any planet; G field of Earth - manifest as human; Change emotion - change manifestation; Many humans have done; Become Soul without leaving P behind; Replicate emotion fields - new P - enjoy environment; Create mini-environment within ourselves - matches AA & Ca Inertia of Man - cocooned P inside ourselves; 100 spoons Beijing material disappeared - energy Mass; Why can't produce gold; Change emotion become dog, tree, etc; Resurrect ourselves; Creator Unicos - Totality; Everything connected to emotions - specific M field strength, resonance, D; Fingerprint body within Soul; Man every attribute of Creator - 99 equals 100; Create light between hands; Transfer energy of light into ashes - transmute; Not 'I want' - it will be a pleasure; Think of giving - detached; All Beings have Creator's attributes; Man decides - evilness or goodness; Many humans have transmuted - created Time; Study past 12 months teachings; Only Fear holding everyone back; Afraid to get trapped - both sides; Imprisoned in brain; State of pre-transmutation - jumps back to P; Direct energy dimensionally; Like drunk & sober; Control & create epilepsy; Create overload emotion Energy; If transfer Energy into Soul - transmute; Suck uvula; Spinal cord valve; Create epilepsy on demand; Easy to transmute; Same energy to transmute; Transmute accidentally - fish in lab disappear; December 19th - 3I closest to Earth; Many may die; Half knowledge lose Soul; Christmas Packages completed; Difference between feeling & emotions - same; Emotion - reaction to movement; Feeling - physically feel - creates emotion; Emotions of Soul; Soul can't feel P; Story - woman with cancer - emotions - raped; Separate and control feelings; Understand our weaknesses; Emotions are energy - body has to balance; We decide what touch means to us - create different emotions; Example of prostitute; Conversion of matter to energy; Uvula - enter world of Unknown; Epilepsy Energy overload - convulsions; Control valve - top of brain - connects to spinal cord; Train to transmute with energy; How gurus fly; Attention seeking; Father abuses children - convulsions - power shift; Art to raise children; Society not teach how to be good parents; Become perfect parents; Teachers ignorant of own psychology; Studied epileptic attacks - NASA - introduced Nano T help astronauts reenter atmosphere; Flash light - too much CR - epileptic attack; Teach how

subconsciously channel to Soul - no problems; Safe Space travel; Control energies of Soul; Long term - Space Stations; Learn to use seizure transmute; No restriction in Creation; Non-epileptic fits; Medical conditions from new medicines & contaminations; Contamination with aluminum; Pilots absorb CR; Learn to absorb; New T with CR - don't need Wi-Fi; Part of ONN system; Plasma aspirin; New flu - use T; 2026 - release liquid for any viruses - licensed - download through ONN - own power supply; End of problems - radars - cell phone towers, etc; Problems Starlink; Plasma near Lithium batteries; Tests- high electromagnetic field inside new electric cars; Plasma fire protection research stopped - CO2 absorbs O into C; No affordable housing; KF doing more research underneath; KS with company - partnership with KF; Seizures during sleep; Dogs having seizures - vaccines; American Senate report - vaccines regarding children; Graph - celebration Birth of Mitra's Daughter - present; Fear - problem to transmute; Afraid not come back; Attached to P; Teach from childhood; Death ultimate loss; religions teach fear; Persian story copied by Jews - rewrote as Moses - not in Archeological Record; Christianity, Judaism, Islam - all changed to fit; Virgin Mary copied Mitra; Don't believe Moses ever existed; Created blood line to claim Palestine; Islamic scriptures rewritten by Jews; moved Mohammad to Mecca; Iran only nation - mosques face Jerusalem; Mithraism and Zoroastrianism - no punishment - carry wrongs - not forgiven - learn; Scriptures - Avesta; Instilled fear - can't transmute; Zoroastrians serene; 3I - biological and intelligent structure.

Topic Index

About knowledge of Matter & Energy state - how fields make up U; Attached ourselves to P - knowledge of Earth; Persian poet Attar - Conference of the Birds; Others copied to Phoenix rising; Phoenix rises from ashes - create new life - about us; Born - live - die - leave ashes of body behind; STM rises from ashes of P - creates new dimension (D); Becomes seed for new cycle in U; How STM and P separate at death; Next 10 minutes - how you can transmute; Don't need to die; Manifest yourself in D of Energy; Soul manifest another P goes in U - interact with local environment; Analogy - steam condensing on cold glass as water droplets; Exactly how STM works after separating from P; All Souls don't manifest P - U huge - other Souls for other parts U; Have to find place of balance in U; Depends how much field strength gathered in P life on Earth; If can't create conditions of life - can't manifest P; Have to absorb more fields; Understand how to gather Field Strength to Soul before death; Learn how to separate STP and bring inside STM - manifest P; Convert P back to Energy; Attar image of bird as STM; Can Soul match M field strength Earth - manifest again here (reincarnation); Ash - burnt P - Nano material - connected to Soul as plasma; P connected to Earth; Soul of ash left behind; Does Creator do same as STM; Where does STC find new manifestation; Not theology - scientifically understanding Creation - field interactions; Be created from - return back to what created you; Creator suffers same condition; Who created Unicos; What our God is part of; Someone had to create our Creator; Cannot have child without father - need womb to grow; Unicos is womb of U; Macro is in Micro; Use emotion - connect STM, STP & P together to transmute; At death what decides what will become Soul & P - understand and can bring P into Soul; All can transmute; Body stays behind - because cells connected Ca - Inertia absorption of planet; In U - P stays behind; If we can

replicate Ca Inertia - take P with - because still carries emotion; Every living thing on planet connected to metals, semi-metals, all matter state Inertia - essence of Creation; Through emotion create central Inertia Mass - connect to any planet - transmute; If we stay within G field of Earth - manifest as human; Change our emotion - change our manifestation; Many humans have done; Become Soul without leaving P behind - hold onto Inertia of planet - not P; Create Mass energy field - Inertia of matter state take with in transmutation; All can instantaneously transmute; On another planet - need new suitable P - or can't manifest; Replicate emotion fields of P - get new P; Will create appropriate body shape and functions; Won't be a rock on Moon - creature to enjoy environment; Inertia of place take P from - dictates what P you'll manifest at destination; Humans already achieved knowledge of transmutation of STM - able to carry P with - by create mini-environment within themselves - matches AA & Ca Inertia of Man - within P of Soul - then transmuted; Cocooned P inside themselves; Energy with no D - only manifests when balanced; Did in Beijing - gave 100 spoonfuls of material - 6 months later material disappeared; Means not matter - energy Mass of material & emotion of Inertia - CR connected to fields of U; Why can't produce gold; Souls are plasmas - interact with Inertia of environment manifest new P; Slight change in emotions become different Being - dog, cat, tree, fish - M fields of Inertia of Soul, together with G fields of environment decide; We can resurrect ourselves; What happens to Creator in Unicos - He is Totality; Create GM fields within STM to replace GM field Inertia of planet - transmute; Everything connected to emotions - specific M field strength, resonance, D & direction; On Earth keep fingerprint of body within Soul; Creator given Man every attribute of Himself - Koran - 99 attributes - all attributes become 100th - or Creator Himself; Create light between hands - have knowledge; Share emotions with light get ashes - transfer energy of light into ashes - transmute; Not 'I want' - instead - it will be a pleasure; Think of giving - understand transfer of energy; Same time be detached - still enjoy P; P is a guest with me to carry beauty; All Beings have all attributes of Creator; Man decided which emotion suited him - chooses - jealousy, darkness, evilness, happiness, fairness, etc; Decision totally made by Man; Decide on emotion of transmutation; Many humans have done; Understood concept plasma and matter state are & emotion - created Time; Study past 12 months teachings - transmute; Fear in subconscious of P - only thing holding everyone back; Fear does not allow Inertia M field strength to be created within STM; Fear not being able to get back here; When enjoying U - fear of getting trapped in P; Get imprisoned in brain; Fear exists in both D & directions; Trust in yourself - manifest D of P; You can bring body to state of pre-transmutation - jumps back into P; Understand how to transfer energy - direct it dimensionally to where you want to be; Like between drunk & sober; People can control & create epilepsy for themselves; Getting out of something; Separate P from Inertia of Soul - convulsions; Create overload emotion Energy - released as epilepsy; If transfer Energy into Soul - transmute; Suck on uvula back of the throat - create epileptic attack; Also other causes; Spinal cord has valve on top - direct Energy; Studied epileptic attacks thoroughly - explain scientifically; Convulsions related to valve opening and closing; Create epilepsy on demand; Determine when faked; Use same energy to transmute; If can create epileptic attack - easy to transmute; Uvula elongated - when epileptic attack continuous; These people experienced pain & abandonment; If transmute accidentally - don't know where they are; Fish do this in KF laboratories - accidental transmutation -

disappear or move to other tank; December 19th - 3I closest to Earth; Would many die - field energy changed; Have to go through these phases - to final phase of transmutation; Understand exactly what you're doing; Half knowledge lose Soul;

Part 2

Christmas Packages completed - Valentines day and Easter - not packages- carry essence peace; Teaching on difference between feeling and emotions; Both are same; Emotion - created from reaction to a movement of something; Feeling - physically feel what happens to you; Sometimes feeling creates an emotion - one is creator of the other; Emotion is connected to Energy side; Feel cold; Feel energies of hate - or emotion of hatred; Emotions of Soul - no D to P; Don't feel touch with Soul; Story - helped girl with cancer - related to emotions - raped; Overcame - became leading psychologist - stock brokers; What leads to what emotion or feeling - separate and control them; Understand our weaknesses - how emotions affect us - part of self-awareness; Emotions are energy; Feeling is energy in respect to P; Understand what gets transferred as emotion; Body has to balance; We decide what touch means to us - create different emotional response to same feeling or touch - slap or caress; Makes us human - able to feel life; Prostitute changed her emotion with husband; Secondary standards - good in one situation - not in another - feelings change according level we set for them; Emotions created from feeling - conversion of matter to energy; Don't touch uvula - very delicate - enter world of Unknown - see literature; Doctors check uvula if initiated with epilepsy; Sucking uvula - creates too much information from emotion - convulsions & vomiting; Fake epilepsy - from psychological pressure - don't need P to do it; Learn how to control valve at top of brain - connects to spinal cord; Train to transmute with energy; How gurus do it - energy to Soul - fly - MaGrav positioning; Observe convulsions - tell how much in control; Attention seeking; Father abuses children - not sexually - verbally; Child goes into convulsions - Father can't abuse - power shift; Art to raise children; Society doesn't teach how to be good parents; Develop psychological problems; Teach children to understand psychology of life - become perfect parents; Teachers are ignorant of their own psychology; No correlation with full moon & epileptic fits; Fake epileptic attacks - husband unfaithful; Needs trained physician to recognize; Studied epileptic attacks - Washington University for NASA - introduced first Nano T help astronauts reenter atmosphere; Flash light in eyes - contain massive amounts of Cosmic Ray energy - epileptic attack; Found way to handle; Teach astronauts & Space travelers create subconscious channel to feed CR energy to Soul - no problems; Knowledge belongs to humanity; Ground work for your future generations - safe Space travel, even for Soul; Control energies in D of Soul; Need for long term stay on Space Stations; Get behavioral changes - cellular changes to brain, heart, etc; Body is Gans plasma - soft target for CR - especially brain; Have to handle rays of Sun & U; KS seizure - leaves body; Depends on purpose & cause - emotional, physical; Maybe Soul decided to return to P; At 8 years became expert flyer - train yourself; Don't pigeon holes concepts - no wall between; No restriction in process of Creation; Can't cage Sun - nor STM - decides to give itself physical manifestation; non-epileptic fits - non-damaging to brain; Medical conditions created due to new medicines & contaminations - no name; Contamination with aluminum - starts with epileptic seizures; Pilots absorb lots of CR energies - continuously

in high altitudes; Body has to learn how to absorb; New T with CR - don't need Wi-Fi; Produce CR in KF systems - plasmatic condition; Take what you need - pick up emotions & T; Not forced by conversion of matter; Part of ONN system; No damage to users - doesn't interact with P; Continuously deliver plasma aspirin; New kind of flu - very high temperature - new T handled in 3 hours; 2026 - release liquid for any viruses - already developed; Introduce new concept of medicine - will be licensed - extremely effective - download on ONN Units; ONN - own power supply; End of problems with radars - cell phone towers, etc; About Starlink - daughter non-epileptic seizure; Plasma near Lithium batteries; Tests in Germany - electromagnetic field inside new electric cars very high; Can it be blocked; Lithium batteries very toxic; Plasma fire protection research stopped; - CO2 absorbs O into C; No affordable housing; KF doesn't put everything in open - groups cause trouble; Think we are failing - leave us alone; Underneath doing more research; Any KS who have a company & developed combined T - partnership with KF; Can have seizures during sleep - dream - Soul with P; Dogs having seizures - vaccines - heavy metals; Depends how they are mixing things; American Senate report - vaccines regarding children; It's all for money; KF announcement about Wellness work - end 2026 - be able to use T; Graph of December 6th celebration Birth of Mitra's Daughter - seems she was present; Why transmute - save time - problem is fear; Governor in Kazakhstan fear of flying; Afraid not come back; Attached to P; Teach from childhood - no fear; Taught us death is ultimate loss - everything finished; Fear changed history of humanity - see religious books - Pharaoh afraid of Moses; Persian history - grandfather of Kourosh tried to kill him; Fear rules humans; Persian story copied by Jews - rewrote put Moses' name - changed a few things; Persian history part of Archeological Record of humanity; Jewish story made up - no record anywhere; Same with Christianity; None of religious histories of Christianity, Judaism, Islam, are true - all tampered to fit; Jewish Torah changed; Same with Christians; Virgin Mary copied from Mitra; Father of Mitra was Creator; I don't believe any part of history of Moses ever existed; Lies and cheats - wrote to create fear - rule people; Created blood line to claim Palestine for themselves; Most of Islamic scriptures rewritten by Jews 2nd centuries - moved Mohammad from Jerusalem to Mecca - to take Palestine; Iran only nation - mosques with prayer walls - face both Jerusalem and Mecca; True Muslim still prays towards Jerusalem; He believes and lives - school of thoughts in Mithraism and Zoroastrianism; No punishment - have to carry what you do wrong - remind not to repeat; Did not create 'Heaven and Hell' concept to rule people; Scriptures - Avesta; Fears added by break-away religions - control people; Instilled fear in us from childhood - attachment to P - why can't transmute; Know you're responsible for action - not leave for future to balance; Carry it with you - learn by it - written in Avesta - never wash off your crimes; Why Zoroastrian people serene - careful how they speak & behave - never lose temper; Very wise way to live; Rulers of other religions didn't like - created reward and punishment system; Fear of punishment always stays with people - should not be; 3I - December 19th - compared to Star of Bethlehem; Many coincidental things happening; World News not saying anything about 3I; Social Media - profiteers - hyping things up; Not just looking at immediate outcomes - effects over the next 20 years; 3I is a biological and intelligent structure - protect itself, reacts, responds - responses in the bandwidth of emotions.
