

632nd Knowledge Seekers Workshop March 5, 2026

(Quick Index 18 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Systems on continuously; Teachings 13th yr; Will Man destroy himself; Connection STM to U - unlimited; Tune STM like radio - field strength another Soul in U; Find lowest frequencies; Match M field resonance STM to others; Not through P - Soul is Energy Pack - connection embedded in us; Creator father of Energy - Mother is frequency of U; New T to create lowest frequency - STM & STC - H plasma - C14 or C16 - frequencies parallel with field of Creator; Create systems; Capture dynamic energy of Soul - like STM in brain; Use spinal cord; Fingers, toes, arms & legs - connectors to U Energies through neural system; Hair Nano coated antennas receives plasma fields; Wavelength - fingers to hair; Use fingers to receive Energy - not to kill; Create ball of light between hands - light is Black Hole - attract & absorb energies of U - feed yourself through fingers - become Man of peace; Few achieved higher understanding - raise hands to Heaven; Man taught method - changed it to praying to made up God; T of gloves - train to receive energy through fingers feed STM; Convert energy to vitamin C, etc; Pre-tuned to receive wish by thinking - it's within you - forgotten; How Soul solves problems; How emotions created - connect to another field and D; Don't need eyes - like Creator; Adjust emotions - change channels; Give feedback of new knowledge; Mother's responsibility - connect child to U Energies while breast feeding; Teach - use fingers & toes absorb energy - emotion of STM - teach it to connect; When destroying others - hurting ourselves; Educate Mothers - understand work of fields; Don't teach Children of Mitra to kill; Hands near STM; Life becomes everlasting; Create light & matter through same wish; Create gold between hands - emotion - feedback confirms it's there; Fingers get energy pass to neural system; Hands change from enemy to savior; Connect to system - learn U Knowledge & Energy; Knowledge becomes food; STM becomes part of Soul of Mitra, lover of Creator; New understanding of Energy; Should know emotions in Energy - key to living in U; Each responsible to tune to systems - only facilitate; STM has to be desperate to learn Knowledge; Higher level connections - through lowering fields; Understand emotion to sustain it; Listen to teachings again - connect to system; Tell what enlightenment received; Close to Book 8 Origin of M Fields; Final phases of teaching; Slingshot fields closer to Creator - compensate for mistakes on Earth; Educators of Children of Mitra; Create children of STM - teach how to educate them; No age limit in creating Children of Mitra; Creator still creates; About prayer and meditation; Common denominator (CD) is AA of Man - how identified in U; Other planets produce Souls; Love of Creator - CD field - tune to all Souls on planet; Love - nationalism, racism, religions; Fall in love with Creation - not created; Peace - connect to each other; Have T; Cup of Love - human race not ready; Not use KF work - self promotion; Officials said - Iran will use KF T defend itself; 631 KSW - terminated cycle of A Khamenei - denied peace; Last stage war between Jews & Muslims; ONN Units - delayed - use for disease; Plasma antennas - Moon or Mars - expand fields; Cosmic Spring products - batches connect to each other; Commercialize system - create rain - energy of emotions; Love Gans's - plants & stones receive; Universities not interested - change Man from inside; 7 Rabbi's Jerusalem - planned attacks use calendar - celebrate Purim - fulfill prophecies - Zionist; Jewish Occult practices - first innocent blood - girl school & 11,000 Americans;

Behind scenes; Explain how thousands killed; Khamenei saved bodyguards; Religious war - Vatican financing; If North Korea - no US; Planned for Kurds to split Iran - Turks, Tajiks, Afghans - Zionist create Greater Israel; We will answer in time; 7 Rabbis paying world leaders to create war - make Messiah come; History - destroy humanity; Time to change this; Netanyahu - marriage Kushner to Trump - 666 - brainwashed to be Messiah; Controls White House - no peace agreement to conquer; Radiation contamination in Israel; IAEA refusing test; Resistance to antibiotics - solution through Plasma; KF product; Deficiency of Ca - elderly weak bones muscle mass loss; Free range eggs - Omega 3; Commercial caged - Omega 6 - disease; About fish; Ghanaian ambassador; Why Iran not use T; Wars to paralyze China; Bombing - Epstein files open Monday - videos to blackmail leaders - control; Connected to System - maturity & knowledge; Convert energy to water; Tune to system; Use Cu store water - no disease - nearest isotopes of Fe; Convert Ca to matter; Color of Zn & neural system same; Soul doesn't die; Over 55 - reduce inflammation in body - blood etc; How to read Blood pressure; Medicine - purpose to kill - money; Death partially decided at birth; Control liquid in eyes; Why cataracts - KF T not help - field flow changes; Why older people fall - look ahead instead of down - get fields; Light is disinfectant; Walk heels down; Groups killed - destined or accident; Create Hell for ourselves - married to P; We decide future of our life.

Topic Index

Systems on continuously; 13th year of teachings; Man - destroy himself; Connection STM to U - unlimited; Listen - not with ear - feeling & strength of emotion; Tune STM like radio - field strength of channel - mother who died, another Soul anywhere in U - say dreamt of Mother; Problem to find lowest frequencies; When G field strength of plasma - changes to noise & connects person we want to talk to; Match resonance; M field resonance in STM that connects to others in U; Cannot connect through P - Soul is Energy Pack - part of DNA - connection embedded in us; Creator is father of Energy - frequency of U is Mother; Science not achieved these frequencies - below low - need more knowledge to create; Closer to frequency of STM & STC; New T create frequencies - strength & length of H plasma - not matter H - C14 or C16 - frequencies are in parallel with field of Creator - see our Mom in dream - help us; Create systems at strength of U fields - not manmade matter state; Future we'll capture dynamic energy state of Soul - like how brain contains Soul; Soul is cocooned - prisoner of P - use spinal cord in special way; Fingers, toes, arms & legs - connectors to U Energies through neural system; Hair is Nano coated antennas receives plasma fields - fingers - combination of both; Measure frequency - wavelength of fields from tip of fingers to hair; Use fingers to receive Energy - not to kill; Create ball of light between hands - light is Black Hole - attract & absorb energies of U - feed yourself through fingers - become Man of peace; Killing out of mind - become member of U Community; Few men over thousands of years - through devotion, self-sacrifice - achieved higher understanding - hands not made for killing - raise to Heaven - praise Creator for what we receive; Man taught method of raising hands to receive energy through fingers to live; Changed to praying to a God - made up for himself - cover lack of understanding; Learn again to raise hands - use fields of Soul - attract energy to live; Release T to take energy through fingers feed STM -

convert energy to vitamin C or animal protein, etc; Convert physical matter energy to energy of life - why brought Gans T - not understood; Feed from Gans; System like wearing glove - pre-tuned to field strength of body to receive what wish - by thinking about it - carry replication machine within you; Have this ability - forgotten how to use - concentration of brain & STM - feed every part body; Taught you - but don't understand - why all the problems; Problems get solved - Soul decided to solve later; Referred to this - how emotions created - use to connect to another field and D; Man does not need eyes to see, legs to move, or anything to do - like Creator; Adjust emotions - change channels - U Energies - joyful life; Ongoing tests - KF Systems in background; Give feedback of enlightenment - new knowledge or T; Baby learns Mother gives milk unconditionally; Mother's responsibility to connect child to U Energies while breast feeding - doesn't need flesh of animals - live independent and not become a criminal; Teach children to be murderers - need to change; Teach to use fingers to absorb energy; Learn to receive energy by touching Mother - won't need milk; Retrain Mothers & fathers - teach children - time of birth till about 12 months until start eating food; Learn to use fingers & toes and emotion of STM to connect U Energy; Mothers overcome self-interest in dominating child; Mother has power to teach child to receive U Energies when breast feeding; Gives example of unconditional giving - teach it to connect - same way it gets milk can get Energy - see reduction in demand for physical milk; Tap Energy without destroying; We don't know that by destroying others - hurting ourselves; Have to learn - part of U Energy - time of birth; Mothers responsible to teach; Teaches them now to go from liquid of her body - to killing for energy - puts first meat in mouth; On Mothers shoulders; Educate Mothers - understand work of fields; Children of Mitra created through fields of Soul; Don't taint their life with killing - already in field D; If teach them to eat food - also become killers; Teach them from inception feed from U Energy; Develop T - wear glove to connect to U Energies with fingers - train to use Soul; Fingernails & toenails best Nano materials to transfer U Energies - connected to skin, brain, STM; Nails - best transmitters & receivers of energy; Why we raise hands to sky - ask Creator to give; Toenails to energy of planet - fingernails for U Energy; Hands near STM; Life becomes everlasting - give and take - convert to living Being anywhere; Man like Creator - Energy - not matter; Made out of wish of giving - not killing - everlasting peace & life - never get old - never come to an end; When create a Soul from U Energy lasts forever; Not commit crime, no animosity, greed - take what need; Have shown this T - create light and matter through same wish; Understand frequency, field strength of matter state in conjunction with energies of body; Create gold between hands - use emotion; When look at object - feedback confirm it's there - same with light in hands - give what don't need - it takes from fields of U to give you - what you need; Use fingers to concentrate energy - bring field energy of U within - feed STM - it feeds body; Limitation of body; T to train Man - way learned to write, touch, feel - also receive energy; Now we eat - energies through blood feed body - use finger get energy pass to neural system; Learn what taught today - stop tainting hands with blood; Forgets to kill - stop wars - become peaceful - live anywhere in U; Hands change from enemy to savior; Connect to our system - learn U Knowledge - also U Energy; Knowledge become food; When STM becomes part of Soul of Mitra, lover of Creator; When Man learns to take Energy become closer to Creator; Enter new cycle of understanding Energy; Should know our emotions in D of Energy;

Key to living in U through receiving Energies - not P of Earth; Because Man kills with hands - not allowed to go far - always dependent on Earth - limited by Time;

Part 2

Share deeper knowledge - easier to connect to our Plasma systems; Cosmic Ray materials - help connect to fields; Each responsible to connect to systems themselves; Only here to facilitate - you learn to tune into; Comes from inner STM when desperate to learn Knowledge of Creation; Systems left on 2 more weeks; Higher level connections - comes through lowering fields; Understand emotion - at time of understanding the thing - sustain it; Listen to teachings again - connect to system; Tell us what enlightenment you received; Teaching energy and fields - not physical reactors; Taking you close to Book 8 - Origin of M Fields - how life and Creation are created by fields; Entering final phases of teachings - new knowledge - Encyclopedia of life of U - what life means, how created - how stars, planets, galaxies take shape - what their function is - recognize which galaxy is which constellation - how you get higher order to be enlightened at highest speed; Use fields of U as slingshot - propelled closer to Creator: Compensate for mistakes made on Earth - but if repeat same mistake - pay very high price; Teachings deepen - you become educators of Children of Mitra - not like children of Man; As more learn how to create children of STM - teach how to educate them; Man has failed miserably; Teach you how to make them perfect Children of Mitra; No age limit in creating Children of Mitra; After trillions of years - Creator still creates new life with His fields - Man no different; KS co-created - Unify Love - about prayer and meditation on globe; All have one common denominator (CD) AA of Man - how identified in U - don't need to see P; Many structures like us in U - not unique in producing Souls; Fall in love - unconditional giver - not pretending; Love of the Creator - CD field - tune to all Souls on planet; Love - nationalism, racism, religions; Be proud of being human - when meet Aliens; Through gender of male and female; Fall in love with Creation - not created - secret of Creation; How peace will come - connect to each other; Have T - Man needs to do it himself; Cup of Love - human race not ready - many Souls will depart - no true love on planet; Do not use work of KF to promote your work or draw parallels; Told by officials - Iran was to use KF T to defend itself; UFO from M fields shown before in Isfahan; In 631 KSW - pushed Iran towards peace - negotiators didn't do - terminated cycle of Ayatollah Khamenei - peace was deliberately denied; Soul volunteered - not punishment; Last stage of war between Jews & Muslims - Christians came in; ONN Units - placed for terminally ill & mental diseases; ONN Units keep getting delayed; Plasma antennas - take to Moon or Mars - depths of ocean - know how to expand fields; Cosmic Spring products - bring peace and balance - can be near people with diseases; Batches will connect to each other; Plasma system give concrete experience of fields; Showed in Beijing; Commercialized system to create rain - embedded - energy of emotions; Raindrops will carry AA to grow plants - already tested; Sell Gans's - field strength of emotion of love, care, whatever - plants & stones receive - make Man peaceful; Already tried talking to Universities - demonstrated - they're not interested - we've taken new direction - change Man from inside - he'll enjoy bringing energy to himself; 7 Rabbi's Jerusalem - planned attacks to murder 300,000 Iranians - coincide own calendar - celebrate Purim; Disguised to look like fulfilling prophecies - Zionist; Jewish Occult practices - first draw innocent blood -

why bombed girl school & Christians too - 11,000 Americans moved to hotels - killed; We know what's behind scenes; Media - only 6 Americans killed; Internal statistics - 180,000 Iranian killed - 35,000 Israelis; Explains how people are being killed in these attacks; A Khamenei knew would be killed - saved his bodyguards - wasn't accidental - martyr; Religious war - Vatican financing; If North Korea comes in - no US; Americans moved 90% of defense systems from S Korea and Japan; Kurds want to split Iran - Turks, Tajiks, Afghans - plan from beginning - Zionist create Greater Israel; We will answer in time; 7 Rabbis paying world leaders to create war - make sure Messiah comes; In history everybody tried to destroy humanity; Time to change this; Netanyahu organized marriage of Kushner to Trump - 666 - brainwashed to be Messiah; Controls White House - no peace agreement to conquer; KF working on article - radiation contamination in Israel - Shimon Peres Nuclear Research Center hit in 12 Day War & again - leaking Plutonium - make bombs; Ask to measure radiation neighboring countries; IAEA is refusing to test; Wiped out race by own actions; Dubai New Years 2016; Huge resistance to antibiotics - solution through Plasma T - tested; Change parameters - bacteria dissolves themselves in plasma - CR T; KF will license a product for it; Always overcome infection; About weakness in legs - pelvis - heart failure - imbalance of Ca; Have to wait and see; Scientifically bone loss comes from muscle weakness - age 55 - easily break bones - falls; Eat 2 eggs/day or 10/week - free ranging chickens with Omega 3 - heals everything; Commercial caged chickens have Omega 6 - create disease; Have to maintain muscle mass and bone strength - every cell Ca seed - need correct type; Chickens need correct Rooster to fertilize; About fish - wild fish have brown bitter fat under skin - special Ca for humans; Fish's eye bulge - not good; KS - Ghanaian ambassador - worked Norwegian fishery using KF knowledge; Why Iran not use T; China hit hard economically - reason took Venezuela now Iran - partially to paralyze China - 70% oil from Venezuela and Iran; Americans take control of oil switch to Dollars; Will be solved in different way; Not damage Rare Earth material - make America a major power again - mayhem; We stay out of politics - aware of a lot; Chosen Ones - Souls chosen to do this for rest of humanity; Saturday bombing of Iran - Epstein files open Monday - then no President; Epstein was agent of Israelis - videos to blackmail leaders to do what want; Front guy in Iran - Epstein blackmail - Americans setup new leaders; Netanyahu has videos of Trump - he decides about Oval Office; Many things connected - not just one; We hope KS are safe; Safest place Africa; KS feels connected to System even not participating - already made connection; Microphone - more concentrated; Notice changes in knowledge from system - brings maturity; Valentine's Day was emotion - today is enlightenment - understand own capabilities - why don't feel anything; Testing - find solution to create water in Space; Convert energy of U to water - in body; Another place - might need sulfuric acid in blood - convert energies; Purpose of teachings; Tune system from feedback; Tune system - works for most of humanity; Humanity decides when to tune to system - what need; Certain families never had diseases - used Cu store water, plates & pots - no contamination; Wealthy used silver - oxidizes, etc; Poor ate from lead plates - diseases & mental diseases; Cu nearest metal to isotopes of Fe - GM field of planet - why muscles have Cu; Link and connect to mass gravitation of Earth; Cu - good antibiotic; New systems don't need matter state or Gans to create matter - gone deep into T - turn science upside down; Mass transfer, energy conversion of Cu and ratio - lock into each other - connected to AA - change it by connecting Energy to Mass and Mass to Weight; Convert

Ca as matter into let's say - vegetation - or muscle tissue; Color of Zn & neural system same - Zn Nano structure - change emotion by changing nerves; Zn next to Cu - Periodic Table; 36th KSW - about being destined to die at birth; Only P dies not Soul - like outgrowing a shoe - brain tissue cannot confine Soul anymore; Over 55 - reduce inflammation in body; Muscles, brain, blood vessels not as strong - get infected inflamed; Blood pressure rises & other things; Get rid of inflammation - blood flow smoothly; How to read Blood pressure - difference between top and bottom - 4 to 6 maximum; Eat wrong foods - blood vessels inflamed - pressure up; Understand knowledge - help yourself; Medicine taught upside down - purpose is to kill - make money; Death Partially decided at birth; 36th KSW - control liquid in eyes - thalamus and pituitary - see more; Positioned near or parallel to STM - fields effect eyes; Why cataracts created; KF T cannot help with cataracts - can't control condition - like water condensing on window - eye moves all time changes fields; Field flow everywhere - have consequences; More talk about eyes; Color bandwidth; Why older people fall; Walk with eyes looking ahead instead of down - afraid to fall; Shoulders straight - chest open - get fields from air; Head down changes balance in brain - thalamus and thymus - causes falling; Look to horizon - green light from vegetation - photosynthesis in back of eyes - repairs neural system - sterilizes; Light is disinfectant; Walk with heel down first - going to toes; Not flat footed or dragging - affects neural system - affects bone marrow; Look ahead - light changes emotions; Dragging feet causes diseases; Diabetes because calf muscle tissue not triggered to insulin; Bent forward - lungs not absorb - diseases; Have self-confidence; Lead to psychological problems; 165 little girls bombed in school - destined or accident; 7 Israeli generals die in one attack - planned so many murders - accident; We create Hell for ourselves - married to P; Understand process of life - all destined to die - but we can decide how; Knew about A Khamenei; Love of God has own limit - you take life in thousands - we know our way how to stop; Karma of those involved in killing - all have to pay; Pay in their own way; Message was understood; We decide future of our life and to what extent.
