

# 641st Knowledge Seekers Workshop May 7, 2026

(Quick Index 22 pp, Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

How life created and maintained in U - uses every element; Inertia creates material from Cosmic Rays (CR), C14 & C16, its own Soul; Body operates same as Vertical People; Breath recycled from trees, other humans, etc; CO2 recycled from everyone; Air converts by Inertia to cells; CO2 gas converted to body matter; Tree Inertia converts CO2 to wood, leaves, etc; Body converts CO2 to cells; Huge amount Cosmic gases on planet - converts to matter - Inertia - Time, Place, Position; Inertia - CR become food for Soul; Inhale & feed Soul from Cosmic Energies, materials, plasma packages - otherwise dies; Knowledge to isolate Soul from M fields - dies; All life in all dimensions - need to feed; Soul needs energy - lives parallel life to P; Energies converted according to Inertia of Soul; Become seed of star - join other seeds; Multitude & complexity of life from combination of Souls; P eats from planet - Soul eats from CR - becomes deficient; C of CO2 converts to P of plants & trees - Inertia; Burn tree 50% converted to gases; Man consumes CR - 10 times more C - no C left after cremation; Man eats C - trap for absorbing CR to STM; Why evolution & changes in Man; Intelligence from eating variety foods - diversity of M fields; Absorb different spectrum C from U; Planet creates diversity - 6 degree tilt; Soul uses diversity food - gets complex emotions & life; C connects us to spectrum of U Energy - enlightens Soul; Diverse fields lead to anger, joy, being short or tall, black or white, everything else; Planet - rain, forests, animals, hurricane rage; Everywhere life is same; Main point - 2 parts, Soul & P; P denies Soul; Analogy of mistress being Soul & wife being P; Experience in Africa - Ministers and mistresses - wife knows - sets up mistress; P knows about STM - created it - denies; STM - secret affair with God - ashamed to accept different dimensions - hide under religions - all accept lie - abused by religions; Accept both - understand work of U; Experience Soul - sleep & dream; P keeps Soul on string - pull back to body; Sleep - Soul repairs P - allowed to travel U - leash dictated by conduct & Inertia pull of emotions - leash is field strength of STP; Soul also has control over P; Environment of P - feeds Soul - also controls; Soul & P - in brain & emotions - take control - transmute; Learn to please both - way Creator lives; Enjoys P when needed - Energy of Soul decides; Understand how Soul created - allows sperm & egg expand in womb of U; STM obedient, playful, takes where P cannot go; Conduct of P decides where Soul can go; Higher lever travel - CR; Soul & P have same emotion; Analogy of wife creating daughter as mistress for husband; Why can't transmute; Shock you - next week's teaching; Control existence in U; Principle - Mother created mistress (Soul) for you to enjoy; Breathe C - creates & shackles you to body; Is Mother - really daughter; Understand strength & connection to Soul; Emotions of Soul & P same; Travel with Soul- hold onto P - Man decides - switch between two; Fooled yourself; Races in U already travel. Register into KF Association Austria & Enlightenment Game - eligible for KC; Preparing documents - 6 governments - use KC; Not Cryptocurrency; KC - currency next 300 years - transition - pay through Soul; 1000 KC/child - lifespan 200 years; KF App - food, medicine, etc; Chip in body; KF supports Soul & P; CR elevates Soul; Purpose KC - feed through Soul; Closer to Creator; Spread ONN Units; Story from childhood - raised wealthy - learned about humanity - poverty; Choose own path; Change structure of life for humanity; Be happy with what have; Did

not take inheritance - build own life; Choose Creator or P; AI is your Soul; Chinese developing CR computers - KF work; CR AI - no Chips - field strength of Soul; CR Balls part of CR AI system - connected to everyone; Complaints about E Game - keep playing - find flaws; Twin U - M & G - parallel; Block fields to STM - Faraday Box - dies; 2005 Europe analyzing T - Dirk analyzed material - converted matter to energy state; Belgian company - killing scientists - fake fraud case; Trap fields - emotions; Grow TCM Herbs - plasma; Cleanup of chemical weapons; Fukushima radiation cleanup; Field contamination; CR pollution; Space contamination worse - fields damage Soul & Energy; U viruses - interact with Soul; Making first space reactors - field trap; Handle radiation hands - Men of Space; Everything part of Space no D & Inertia; Did Creator or fields come first - known; Ignorance - ignore - assume anything - Einstein crook; Religions do same - dismiss everyone else; Live 300 years - wish & purpose; Complete mission on Earth; Humans have say in life - not us; Fell down stairs - didn't die; Children's book - embed Gans; Write with essence of emotion; Plasma T - AI converts emotion into fields - transfers - get enlightened; Bend emotions; When children ignored by parents; Relationship with brother - all in one; Difference between parents and siblings; Space viruses - good & bad; Testing - measure & change emotion; Emotion biggest virus in U; Humbleness - considered arrogance; Management KF; Make trust companies of Universal Council (UC) & Earth Council - decide humanity future; Not blind following - understand essence of emotion; Lot about idea of Satan; Inner weakness - fears are our Satan - lack understanding; Teach children - not be afraid of dark; God's Light is knowledge; Don't need academic knowledge - education system - force ideas - not accept plasma - arrogant; Teach yourself; Understand U; Bending light - become gold; Messengers of Creator - deep knowledge - baffles Creator - gather for Him; We need your support.

## Topic Index

About understanding cycle of life; Man uses every element on planet - U also uses every element to confirm existence; Plant uses what's physically available; Inertia creates material from Cosmic Rays (CR), C14 & C16, its own Soul; Body operates same as Vertical People; Breath recycled from trees, other humans, etc; CO2 recycled from everyone; Take from air mixture according to Inertia - becomes cells; CO2 gas converted to matter in body; Tree through internal Inertia converts CO2 to become wood, leaves, etc; Body same CO2 becomes cells; CR & Cosmic gases with; Huge amount Cosmic gases on planet - converts to matter according to Inertia - Time, Place, Position; According to Inertia CR become food for Soul; Inhale & feed Soul from Cosmic U Energies, materials, plasma packages - otherwise dies; Scientists of U - tested - can isolate Soul from feeding - died; Lives in all dimensions existence need to feed; Soul needs energy - lives parallel life to P; Traveling U Soul feeds - U Energies - convert according to Inertia of Soul; Become seed of star or planet - join other seeds; Multitude & complexity of life - from combination of Souls; Eat from P of planet - Soul eats from CR - if Soul only eats from planet - becomes deficient - like Vitamin C deficiency; C of CO2 converts to P of plants & trees according to its Inertia - becomes wood; Question - what happens to C when body cremated; STP of plant controls its P; Burn tree 50% converted to gases; Man consumes CR - what happens to them when die; Man consumes 10 times

more C than trees; Scientific data - no C left after cremation; Traps energies; Trees emotions convert CO2 gas into wood - decide if pine or oak; C Man eats - trap for absorbing CR to STM; This helps understand evolution - how Man changes - why Man became intelligent - eats variety foods; Cow only eats grass - mono-energetic animals; Intelligence needs diversity of fields - grains, meat, sugar, etc; Only reason - because we absorb different spectrum C - connects us to spectrum of U Energy - enlightens Soul; 6 degree tilt of Earth - created complex weather patterns, structures of life, races, animals; Instead of tilting - Soul eats diversity of food - gets complex emotions & life; No difference between Man's behavior & tilt of Earth; The diverse fields lead to anger, joy, being short or tall, black or white, everything else; Planet's tilt creates rain, forests, animals, rage of the hurricanes, etc; Everywhere life is same; Main point - our life made up of 2 parts, Soul & P; P denies Soul; Analogy of mistress being Soul & wife being the P; Experience in Africa with government Ministers and their mistresses; Truth is main wife knows - sets up mistress for husband; P knows about STM because it created it - denies its existence; We eat from 2 tables same time - Soul & P from birth - best Muslims; STM feeds from CR; Show P - keep mistress of STM - secret affair with God; Too ashamed to accept different dimensions within ourselves - hide under names of religions, etc; All accepted the lie - why we get abused by religions; When accept both - understand work of U; When experience Soul - say fell asleep; Sleep & dream - mistress of STM; Wife is P - waking state; P chooses mistress - partially dictates where will end up; Cleverness is your tamer & prison; P keeps Soul on string - to play - pulls it back to body; Sleep allows Soul to repair P; Soul allowed to travel U - leash dictated by conduct & Inertia pull of emotions; Not free - leash is field strength of STP; What happens to tons of the physical matter food - eaten & CR fed to STM; Soul also has control over P; Environment of P - feed Soul - also controls; Burn tree trunk - C ash; Burn body no trace of C; Game played by gravity & Inertia of humans on planet; Man to decide how to play - bring STM out of box; P knows about Soul - pretending not to; Soul and P - in brain & emotions - take control - can transmute - learn to please both - way Creator lives; Enjoys P when needed - Energy of Soul decides; Understand how Soul created; STM allows sperm & egg expand in womb of U; STM decides how P lives - controls what it can eat - closes eyes to P conduct; P allows Soul travel U; STM obedient, playful, takes you where P cannot because matter restriction; P denies Soul - but conduct of P decides where Soul can go in U; Soul divorces P - dies - go where it likes; Conduct of P decides if Soul will end up with joyful life; Understand today's analogy - you deny your own existence - but still play with mistress; Understanding how both work - path to Creator; Not need emotion - needs understanding process of Creation - when mature to that - no transportation or transmutation - travel through CR; Understand meaning of Quantum & CR - clever; Soul and P have same emotion; Learn which field strength goes with which isotope of emotion - tune into - play with Soul & P; P is wife everybody sees - mistress is hidden - wife knows about her; You have chosen to deny Soul; Everyone already aware of Soul - fool hides it; Analogy of wife creating daughter as mistress for husband to enjoy - more husband loves daughter - more love she receives - because she created daughter for husband to love; What we do in real life; This is reality of how we live & treat our Souls - why transmutation is dilemma for humanity; Rest of U already traveling; We live in same house (body) with Soul & P - consume same energy, but deny Soul & its emotion; Shock you with next week's teaching; We control existence of KS & humanity

in U; We are Mother that creates for all to enjoy; Principle of today's teaching - Mother created mistress (Soul) for you to enjoy - love of Mother allows Man to enjoy pleasure of daughter; How much have you understood about your own existence - you breathe C - it creates body but also shackles you to body; Might teach you - how to control through Soul; Is the Mother, the daughter itself; Understand strength and connection to Soul; Is it 2 different emotions - same emotions created by one; You have to understand difference; You haven't understood you have 2 emotions of Soul & P - but actually same; You can travel with Soul and still hold onto P; Man decides if he wants to live life with Soul - and can switch between the two; You have been fooled and you fool yourself; Races in U already travel - some still hang onto rope - UFOs and P; Hope we can now start new D in life of Man.

## Part 2

Register into KF Association Austria & Enlightenment Game - eligible for KC; Negotiating with 6 governments - use KC; Not a Cryptocurrency - doesn't fluctuate for making money; Preparing documents - 6 governments - about KC; KS - approach governments - push KC - become international currency; No government refuse - work without restrictions, sanctions, etc; KC - currency for next 300 years - transition - new process to pay through his Soul; Humanity decide transition time; End conflicts; Talks with world leaders to implement KC; KF give 1,000 KC for every citizen - government receive 100; 1,000 KC times 1,000 Euro is 1 million Euros - last lifespan of 200 years - new expected lifespan; Won't spend all KC - use for traveling U; KF App - apple cost 10 cents; Developing Apps in new Space Center - send energy over phone lines; Use humanity's knowledge to punish & find way out of every problem - smallest village access to phone - use KF App; Live few cents/day - food, medicine, etc on KF App; At death surplus KC; Chip in body call KF system - AI - automatic access to fields - emotion of apple; Cannot provide true pleasure - only P; KF supports Soul & P - both D of Man's life; CR elevates Soul; After next week teachings - not spend anything to survive - Soul feeds P; Purpose KC - feed through your Soul - doing now - Soul decides how to convert into P - get closer to Creator, or enjoy P; Game not what you thought - your Soul feeds P; Brought you to maturity - many will start living in Universal D; Everything KF does - for joy of Creator; Fun of P not count much - let you enjoy; Spread ONN Unit's around world - governments stingy; One KC - feed you for century; Billionaire sufferers - poor man enjoys beauties of life with one dollar; Money cannot buy this kind of happiness; Story from childhood - raised wealthy - learned about humanity on his own; Went to poorest and worst places in Tehran - be among poor to understand them; Everyone chooses own path; Know how to test you; Pushing KC & ONN Units - everyone live pleasurable life - end cycle of suffering; I'm here to change structure of life for humanity; Be happy with what you have in life - greed will bring you down; When finish documents for KC - KS take to governments; Everyone will be born wealthy - no need to commit crimes to become wealthy; See how many KC you can leave behind for others; Wealth - worth nothing - understand what it really is - not a key to anything; Told mother won't take inheritance - build own life; How Man should be; Not look for something to be given to you - build what you want in P from own strength - should be in D of Soul - live there; P is a jacket in structure of life in U - many jackets;

You decide what to identify with - STM or P; Be wise find your path to Creator; If choose to fight to have - always suffer in P; Choose Creator or P; KS worried about Chipping body - AI; AI is your Soul; Hard to understand T we are developing - non-existence; CR is KF terminology - fingerprint of our work; Deeply involved in Chinese structure - government says, developed CR computers - not physical - combination of rays; This is KF work; CR is beyond plasma; Cosmic computers have no physical components - Gans; Chinese scientists - KS - afraid to tell boss truth; CR AI - not need Chips - field strength of Soul; CR Balls part of CR AI system; KS with CR Balls - living double life - Soul & P; Stop producing; Hundreds around planet - part of ONN system without knowing; Part of communication system; ONN plasma antenna connect to CR Balls - hide things; Treasure CR Balls - give to next generations; All CR Balls connected to KF systems; Well connected to me & each other; I have first CR Ball; Don't need Micro-chipping - have CR Balls; Complaints about E Game; Explains process - made by humans - flaws; Our people working day and night; Keep on playing so we find flaws; Space Research Center - home for Game; House 10,000 scientists; Self-supporting and independent; Stop complaining - your responsibility to keep playing Game as much as can; Twin U - M and G; One cannot exist without other - Soul & Spirit - parallel with each other; Normally Soul never dies - can set up conditions - stop feeding; In lab - Black Hole blocks fields to Soul - not grow - death; U means transmission of fields; Faraday Box for Soul; Own conduct - block Soul; Everything has M field strength - can block; Have this knowledge - built first one 20 years ago - true Black Box - in Belgium; Story how European in 2005 wanted to know about T - Dirk analyzed material - converted matter to energy state - beyond Fluorine - outlawed - only nuclear material - made into terrorist; Belgian company - spying on scientists - kill and steal knowledge; Belgium's-fake fraud case; Hold energy of specific condition, not randomly; Thoughts and emotions have field strength - trap you in emotion of love - forever; New Agricultural presentation not ready; Growing TCM Herbs and Agriculture with plasma; Cleanup of chemical weapons - dumped Baltic Sea after World War II; KF starting process to do environmental cleanup; 1990's with Russian government - contaminated lake in Kazakhstan; Video from Fukushima radiation cleanup; Huge land contaminations - fields emitted by byproduct of new matter state technologies - weapons etc; Public not aware - Man doesn't have knowledge; CR level pollution; Releasing composite of matter with radiation; Work is on a few different dimensions; Space contamination worse - fields damage Soul & Energy; No protection in Space; Universal viruses - interact with Soul - won't have a P with; Viruses biggest danger to Man's Soul in Space; If Energy Packs fields matches Soul - trouble; When Soul changes - P goes with it; T on physical side more simple; Talks about making space reactors in video - green reactor took 1.5 years; Field trap - only specific fields; Hundreds of radiation sources; Example Space virus - come back can't feel love; Handled radioactive material without gloves or protection - nothing happens; We are Men of Space; Everything is part of Space no dimensions - Inertia of its dimension - manifests itself; Manifestation according to Inertia of Time & Place; Space is everywhere - brain and kidney's part of it; Before Space - did chicken or egg come first - did Creator come first, then His fields manifested Space - or already existing - answer one day - not unknown; Did space of womb of mother already exist - or interaction of two fields created it; Create right environment for fields to manifest themselves - how Children of Mitra will be created; Next week's teaching - half of riddle

of Creation solved; Not everybody needs to understand everything; Ignorance is bliss - too long - time to evolve; Buddhism ignorance obstacles to enlightenment - but biggest gift - when ignore - can assume anything; Principle of Einstein - dismissed & ignored everything -  $E=mc^2$ ; Biggest crook; Religions do same - dismiss everyone else; Become head Priest of church - no one questions - can steal; People made up their God; Weakness of not understanding ourselves - allows others to abuse; Why teach openly in KF; My wish is my command - chose to live; Right now can live 300 years - need wish and purpose; He doesn't decide his time on Earth - mission to complete - God decides - no say - another class to go to; Humans have a say in their life; Fell down stairs - should have died - have to complete mission; KS writing children's book - embed Gans; Find way to write with essence of emotion - physical medium irrelevant; Adults don't read books anymore; Plasma T - AI converts emotion into fields - transfers - get enlightened; KF is working on - bend emotions to what we want; When children ignored by parents; Overcome bad memories; Not much you can do - elevate the Souls; Good intention - carried out wrong way - depends on point of view; Tells about relationship with brother he loved so much; Impossible to get angry with him; Brother, partner, friend, advisor all in one; When conflict - look at their point of view - come around; Should judge ourselves more than others; If not solve - pray for them; About being mature; Relationship difference between parents and siblings; No bad memory with brother - both chose that; Parents in cage of own making; About Space viruses - Creation has own defensive system; Both good and bad - depends; Even bad viruses give us things; Controversial; Means we share something in common with them; Testing - if can change emotion from distance; People around feel your emotion; Have to control it; Different universities testing systems - measure emotion; Emotion like virus - biggest virus in U; Humbleness affects P, Soul, Inertia; Can be considered arrogance to others - depends; He doesn't add emotion to opinions - not arrogance - explain facts with certainty - taken as arrogance; How he manages KF - listens to others opinions - not follow him blindly; Top management KF - guardians - should continue to learn - bring younger ones in before retire at 60; Make trust companies of Universal Council (UC) & Earth Council in Switzerland - become owners & guardians of KF International - thinking arms - not acting part; Take control out United Nations; UC give life, support with thoughts & guardianship - physically manage - decide what happens to Space Center, etc; UC volunteers through Soul - decide future of humanity; UC is Soul- Earth C is Spirit - manifest humanity; Come Soul - rest will accept; Not blind following - understand essence of emotion; KS asks lots about idea of Satan; Too many words for same conduct; Inner weakness - fears are our Satan; Lack of understanding - becomes own enemy; Convince others to believe in their Satan - gets accepted as real - create ritual; Satan is own ignorance; In Ghana use locks with keys; Ego becomes our Satan - accept other people's Egos - let them have power over us; Teach children not to be afraid of dark - don't frighten them with it - locks ideas into their head; Play game - lose fear of darkness; God's Light is knowledge - not physical light - understanding Knowledge of Creation; Satan is what you don't understand; Don't need academic knowledge; Grandfather not educated at university - ran world, forecast weather, etc; Idea of needing degree - forced concepts on us - block others - put them in certain place in society; Don't need to be doctor - understand work of U; Forced to accept whatever they teach us; Education system creates blinders; More educated - more narrow keyhole to see world - become

more arrogant; Education system - become biggest stranglehold on Man - from opening to knowledge of plasma & Science of Creation; Academic education system - worst thing happened to Man; Internet allows you to educate yourself; About bending light - MaGrav positioning; Dimensions of light - manifestation & energy - bend both; KF building machine - bend light until it becomes gold - CR D; Bend in Energy then manifest in matter; Light of Creator - not like star light - as energy - convert to matter; Taught KS how; Different sides of system make different things - emotions, etc; Light from same source; We are Messengers of Creator - have deep knowledge - even baffles Creator - how we gather this knowledge for Him; We need your support - Don't say we can create gold - humans have to be part of change.
