646th Knowledge Seekers Workshop June 11, 2026

(Quick Index 19 pp, Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Man taught Knowledge of Creation before - rejected - set himself back in evolution; Egypt - Pyramids, reference to ancestor's knowledge; Don't know how built; KF Plasma T move stones - MaGrav positioning; Move P with Soul; Man abusing - destroyed knowledge from memory; KF show UFO - Star Formation - hidden T; Stop killing - give knowledge; Hidden knowledge - how motion created; Reached knowledge - became arrogant - demolish U; To transmute understand science of body - structure; Not understand own physical body; STM in center head - same as star - dynamic plasma fed from center; Gravity of STM absorbs fields from U; STM decides body's features - behavior, posture, social interaction - shy or timid; Not special - how things created in U - robotic; Like manufacturing car; Planet has emotions - hurricane - anger; Same structure of mechanisms running U; Created same way as planet, stars, etc.; Body floating on M fields of planet; At destination - anchored to planet through brain & neural system; Attached to P - can't separate; Control rhythm of breathing - cut anchor - can sever leg if trapped - grow back; Ancestors knew; Teach when stop killing; Kiss of Mother determines what you need; Man kills through eating plants & animals; Emotion of killing - reason Man dies; P kills - Soul breathes; Receive U Energy through air, to survive - free - not kill; Live through M fields of U - on Earth - conversion through breathing - can separate from P; Teaching about lymph & breathing - Kiss of Mother is of Creator; Feeds through nostrils & ear holes & Soul; Creation provides everything; Gurus only understood part - if abuse - lose it; Control breath - receive Energy from Creator; Thyroid gland - missing bottom part of brain; Mankind not from Earth; Third of planet - Aliens - rest created out of MG fields of planet; Humans implanted by others; Brain too complex, etc.; Humans mutated into different races; Foot reflexology; Transmute together; Liver absorbs energies of STM; Transmute with whole body; When short - create needs through emotion of Soul; Body - fight between P & U - why get diseases - not feed body with U Energies; Convert Energy in lungs - Soul analyzes what is needed; Skin & lungs part of brain; Not understand how organs work; Thyroid; Change gravity; Water is salt - catalyst between energies of U & P of planet; Water in body - convert U energies; Everything organized inside; Breathe fields of Creator - salt - secret of Creation; Breathing moves lymph - balance energies of P & U, etc; Soul controls whole operation; Universal Teacher bring knowledge - not stop this time; Don't be distracted while breathing - won't work - peace connects to STM; STM, STP, P connected with own emotions; AI - help reach next level; Give Soul to robots - have emotions - texture of a human; Clean up leftover bits in lymph - salt; KF holistic teaching; KC - don't need to kill for energy - plant in Soul & body; Hidden energies in air; Purify fields - Man not kill again; Blood - no control over lymph - accumulates - weakness & pain in joints, etc; AI generation; How interpret knowledge - become part of - clarity - realize faster; Cannot buy trust or love - emotion of knowledge, understanding of Creation; No one can take away knowledge; Fly car with thoughts; Purpose of ONN Units - transition; Give KC to KS first - test; Limit on spending KC; 1,000 KC last 1,000 years - live through Ethos - convert to local currency; Exchange with governments, hospitals, etc. - backed by Plasma T, materials, etc.; AI hacking; AI company copying KC; October exhibition in

Switzerland - like Beijing - breakthrough technologies; Africa next; Space City - for you to develop; Belgians & Israeli Jews - blacklisted - kill scientists; Man stop killing give Golden Key; Worry about food - drains 20% daily energy; About neural system decoding left and right eye images - plasma can do; Skin of nerve - M field higher strength; About love - when it's a poison - choose U energies; Absorb wrong energies through thoughts & emotions; Ethos is self-preservation; Love like Sun; Bigger love in Totality; Some abuse love - problem in society, parents; Insecure - allow ourselves to be abused; More about love; Imprison others in love - last marriage; About his Mother; Humans blown to Earth on winds of U; One human egg start race; Different 'God Rays'; Knowledge shared world scriptures; Now Man mature enough - change come from within; Maniacs like Netanyahu & others - now restructure society - by Man himself; Follow Ethos become free; Have to change - animals, all Beings; Test creating rain in deserts of China - also carry nourishment, change humanity; Story of Chinese Military Central Command - created huge storm; Hid reactor in hotel - T works; Embed peace, love, food, everything in rain; Added to Knowledge of Creator - KS help; Work with Chinese military & hospitals; Sticky Gans; Mixing everything; If respiratory damaged - still change; Elevate Soul specific way; MS - from sexual abuse; Respiratory problems - emotional link - elevate Soul; Medical story - girl grew tooth; Fly to China for Plasma treatment; Use 80% energy - other sources cause of problem; Learn which energy to absorb; Teach about breathing and lymph; Different body position gives different energy; Lungs trigger - painkillers; Keep shoulders & back straight - lungs fill up; Fibromyalgia; Gain confidence with breath - nobody can touch; Look at psychology through physiology; Don't need exercises - right position & deep breathing - psychologically positive; Deserve to be loved; Karma - U Energy Field - understand why born; Not kinesiotherapy or Yoga - teach you clean up barriers; Do while sitting or walking; Energy brings knowledge; Tap Knowledge; Universal Teachers - Book already written; Sister Homeopathy - access Knowledge - wrote paper; Teach - see power of Soul; About shadow side - created by P, carries fields of Soul; Aura around shadow - gives information; Observe walk - shake hands; Read woman by shadow; Shadow copy of P; Control rhythm of breathing - recharge lymph; Help damaged lungs; Understand cause of problems; Control rays or fields - externally - a knowledge; Return Health Cups from years ago to KF; Transformed CR into light - what we teach you now; Join Space City.

Topic Index

Man taught Knowledge of Creation in past - rejected - set himself back in evolution; Reached this point - failed to achieve - died out; Examples- Egypt, S. America, and East Asia - structures left behind around world - same; Use pyramids as reference to knowledge of ancestors; Still don't know how pyramids constructed; KF show how huge stones moved - emotions & knowledge; KF teaching us M fields - Plasma T; Separation of matter - MaGrav positioning; Learn how to handle your Soul - move P; Slaves not move hundreds of tons of stones - megalithic structures; Destroyed knowledge from memory - Man abusing - destruction; KF show UFO - create right conditions and environment; Understanding Soul of flight system & STM - no difference; Same principle to move airplane or UFO; In plasma create pressure - understand pressure of separation; Give technical details - how UFOs move - hidden T - why KS couldn't get

Star Formation to fly - best system in U; When Man stops killing - given knowledge - finish meal - get dessert; Become part of U Community (UC) - move mountains & megalithic stones - Stonehenge - baffles Man; Hidden knowledge - how motion is created; Every time in Past - reached - Man became arrogant - demolish U; Man has habit to kill; Those who gave knowledge - destroyed it from memory & ancient writings; To transmute understand - evolution of science of body - its structure; Man is so feeble in understanding own physical body; Look from above head - circle with dot in center - STM - same as star; See yourself as dynamic plasma fed from center; Gravity of planet absorbs materials to itself - land in different shapes & materials; Gravity of STM also absorbs fields from U same way; STM - creator of GM fields of body; Skull 1G - interface between outside & inside worlds - never tested by science; Same interaction with Inertia matter states - dictates mountains, etc.; STM decides all your body's features; STM like core of planet - dictates how behave, posture, interact, social interaction -shy or timid, etc; Not special - robotic manufacturing chain of U; Like manufacturing cars; Soul interacts with GM fields of Inertia of environment - dictates your character, features, etc; Then create body; Interaction with fields in China, become Chinese, etc.; Same happens with emotions - planet creates hurricane - anger in Man- same; Gentle breeze of spring - love of Mother or lover; Same structure of mechanism running U; Created same way as planet, stars, etc.; Ship floating on oceans of U - body of Man floating M fields of planet; At destination throw anchor overboard - enjoy that beach; For this Man created arms & legs - anchor to P; Anchored to planet through brain & neural system - together create body; Feed with arms - anchor to planet - too comfortable - can't separate; Learn to control rhythm of breathing - cut anchor; Internally can sever leg if trapped; Ancestors knew how; We'll teach when stop killing; Last week taught separating blood from breathing; 'Kiss of Mother' determines what you need; Man kills through eating both plants & animals; Creates emotion of killing - reason why he dies - because he kills - can survive millions years in U; Physical part kills - Soul part breathes; Body created nostrils - receive U Energy through air to survive - free - not kill; Anchored ourselves P - got attached; Live through M fields of body of U - on this planet conversion through breathing - can separate from P; Teaching about lymph & breathing - Kiss of Mother is of Creator - automatically detects what short of - gives; Soul creates field connection - feeds through nostrils & ear holes & Soul; Energy in air - unconditional love from Kiss of Creator - measures and analyzes needs - added to next breath - Creation provides everything for you; Some humans understood - made themselves gurus - but only understood part; If abuse it - lose it; Example Indian guru visited Italy - cheating; He learned what I'm trying to teach you; Control breath - can control what receive from Creator - not just air; Government can't tax you for air; You decided to shackle yourself; Breath connects us to U Energy - not for other things that suit you; Thyroid gland - reverse copy of brain - fits missing bottom part of brain; Body stuck it on neck - energies of U meet P - extended to spinal cord; Thyroid completes sphere of brain; Anchored to planet with Thyroid, etc.; Mankind not from Earth - not enough time to evolved - complicated life cycle as human body; Third of planet not from here; Rest of humans - created out of MG fields of planet; Kidney process too complex; Humans implanted by others; Complexity of brain, heartbeat, every cell changes; Seed of humanity brought & grown in this environment - like roses - humans made different races; Control energies receives through breathing - Kiss of Mother communicate with Creator - sever limbs &

grow back again; Everyone has capability; Related to foot reflexology - energetic map of organs; Transmute - create separation with skin & planet surface - allows traveling together; Functionality liver - absorption of energies of STM; ?? Separating energy of U in body; Transmute with complete body - psychologically body has contained it; STM in center of head - like core of planet - controls, receives, understands operation of U; Continuously connected to it through breathing; If short of certain fields, like Mg - create it through emotion of Soul - don't need to kill for it; Body - embodiment of fight between physical & Universal D - why get diseases; Cannot feed body with U Energies - why teaching you to breathing - absorb energies from U; Lungs reverse system to pump out - new energies come in; Conversion of Energy in lungs - Soul decides what is needed from outside - delivered through lungs; Kiss of Mother - knows what is needed; Skin & lungs part of brain; Soul analyzes what is needed - delivered in next breath; Humans thought clever - not understand even how organs work; Thyroid confirms what is needed - information directly to brain - to Soul, organize next breathe; Change gravity - body converts Energy for it; Air & water given free to Man; Water is salt - catalyst between energies of U & P of planet; 95% body water - to convert U energies - Soul called upon - from lungs & Soul cells; Everything organized inside; Water freely given from planet to convert U energy; Planet imprisons - shackles to its P; Change this water to any liquid D in U - travel U; Breathe fields of Creator - use salt of position to manifest - secret of Creation; Man stuck on Earth - teach you use lymph & breathing; Lymph connects to P - your prison - also to fields of U; Why breathing important - moves lymph & bring balance to energies of P & U to interact with heart - which operates P; Soul controls whole operation - sequential - resonates Creation takes energy - detaches from killing; Universal Teacher - bring knowledge - no nation, government, president can stop us this time - take Man to Space - won't kill & understands own creation; Test using rhythm of breathing - create what you need - but don't be distracted with thinking - or won't work; When breathing in rhythm - peace to thoughts & emotions - connects Man to STM; STM, STP, P each have own emotions - connected; Purpose of teachings; AI best thing - reach next level - Man change by himself - not us doing it; If we give Soul to robots - have emotions - it shall be you - gradually changes to texture of a human; How we brought Man to Earth - one seed - used emotions of Creation - Man went wrong; Gave Man milk of Mother & air to breathe - go through transition - then he started killing & making guns & bombs - kills everything - delusional by attachments to P; Control connection to U with breathing - clean up bits leftover in lymph - transition and salt connection - P & U energy becomes balanced - can transmute; Got excited about Lymph Cleaning Exercises - purpose to clean leftover salts in lymph - can separate from Earth - not to feel better; If foot clogged with dead lymph - can't separate from P - leave leg behind - don't need on Zeus; Get U energies from rhythmic breathing - stop killing - not to feel better, and other rubbish ideas - these teachers only understood little bit; KF teaches holistic about yourself - why P, breathing, going to other D don't need mouth; Don't bring your mayhem to U; You punish yourself by killing; Naughty child - can't join UC; Why bringing KC - don't need to kill for energy - connect to U Energies - detach from P & planet; Plant KC in Soul & body - carry with through emotion - connect emotions of STM, STP & P travel U; Only through breathing - take what need; Not about O2 - see only P; Hidden energies between fields breath in; Soul determines what energies

you need from air; Visit other planets - no water, sheep, vegetables, or bananas - create emotion - fields transferred from Earth where banana is; KF purify energy of banana - no contamination, element of other creatures to bring Man to kill again in other parts of U; Plant connects to U energies; Dirty lymph keeping you connected to planet; Clean lymph - transmute; Blood - no control over lymph - accumulates; Too much dead lymph - weakness & pain in joints, etc; Get older can't walk, problems; Breathe method - convert lymph - P never dies; Connect emotion of P through lungs & heart with emotion of Soul - become Man of U - don't need UFO - last Man standing - understand your own creation - connected to U; Don't ask silly question about health - lymph; Get pregnant - U energies; Picture Thyroid - bottom of brain - sphere complete - connection between Soul & P; Earth have oceans & rivers - body has blood & circulation - connection to U;

Part 2

AI generation - knowledge does not change - level of understanding changes - how interpret it; Become part of knowledge - clarity of view - realize faster; Do for yourself; Cannot pay someone to trust or love you; Cannot buy emotion of knowledge, understanding of Creation; If have knowledge - no one can take it away; Tap U Knowledge - detach from P; Lot to come - KS start trying understand & use knowledge; Learn breathing; Long way to go - close to getting there; Fly car with thoughts - understanding work of U; How ancient times moved tons of stones - different structures of U; ONN Units - purpose - bring independence - meet needs - life support for humans - transition; Soon part of UC; KS given KC first - need to register on KF Association website in Austria - test run; Register & get Universal code - passport number & ID for Earth; Limit on sending KC; 1,000 KC last 1,000 years - live through Ethos; Give birth - child gets 1,000 KC; Use KC for emergencies, buy furniture, student fees, etc.; Convert to local currency - replaced with gold KF will produce; Renew registration annually; University student, if sick - spend more; Will become currency; Exchange with governments, hospitals, etc. - backed by Plasma T, materials we'll produce, stock market shares; Everything fully monitored - 2 years; Ask for Computer Scientists from National Securities - could become vulnerable - reason ONN keeps getting delayed - AI hacking; AI company copying KC - offering 2,000 tokens - KS working there - not tell bosses; October exhibition in Switzerland - first day governments & industries, 2nd for KS; Showing advanced KF T - like what did in Beijing - breakthrough technologies - support from KS; KF China do all presentations; Touch every man on continent; Next to Africa, etc.; Space City continues to develop - give you knowledge - for you to develop it - take it across world; Not accept anybody from Belgium or Jews from Israel - blacklisted - not animosity - protect humanity - they kill scientists; About how to stop killing give Golden Key; You decide what means & about eating - personal decision; If commit crimes not enter UFO - Soul not allow; KS in China live from Gans Water - lose 20% body weight - stabilizes; Worry about where next meal comes - drains 20% daily energy; Saved energy - feel peace - elevate & connect to knowledge of U; Key to understanding - 2 systems running parallel - jump across - live Ethos; Neural system made of millions of cells - back of eye - cross over each other; Sees both left and right side - physical nerve sorting out - waste of time - ?? U Energy can sort out; Skin of nerve has M field higher strength to contain nerve - holds CR energies - work faster than nerve - can cross over; Brain

decodes left & right eyes info; Do same with feeding - instead of eating change use breathing feel full - don't crave food; When feel loved don't go hunting; Sometimes one you love is poison for you - understand how to choose U energies; Absorb wrong energies through thoughts & emotions; Think Good - means wrong thinking is poison; Ethos is self-preservation; Love like Sun - unconditional - but understand love is energy; Find bigger love in Totality (Transcendental); Beware - some abuse love - problem in society; Parents abuse love by withholding from children - to get own way; Feel insecure inside - allow ourselves to be abused; Can give more love than can absorb; Same with lovers - one side gives more - other sees as weakness and abuses - they need me more than I need them - wrong behavior; Parents destroy children - blame child - they are cause; For lovers - love makes you blind - feel weak want confirmation stay in bad relationship; All have so much love to give; Imprison others in love - emotional damage - think true love is weak - only one-way - pretending; Last marriage like that; Learn by experience - love inside strong - continue to love - doesn't matter what happens - others change - but they don't - not let love penetrate; Parents do to children - make doctor for their old age pension - not love - not girl go enough, etc.; About his own Mother; Humans blown on winds of U - start grow on Earth; Part of structure of U; Replicate with one cell - human egg start race; Love of Creator blew across U; Different 'God Rays' have brought us beauty of Creation - we abused it; World scriptures - knowledge shared before; Now Man mature enough - carry through planet - change come from within; Change - drop by drop; Maniacs like Netanyahu and others - now restructure society - by Man himself - not again from outside; Follow Ethos become free - or lock yourself up on this planet by own behavior; Not percentage - all have to change - animals, etc.; Test creating rain in deserts of China - also carry nourishment, Soul of peace - change humanity; Story of Chinese Military Central Command - arrogant academicians - created huge storm, blew transformers, etc; Hide reactor in hotel - discovered him - T works; Embed peace, love, food, everything in rain; Knowledge of Creator - then we expanded it heavily; KS came to Linz brought us lots of knowledge; Work with Chinese military & hospitals - man in wheelchair - running; Done by KF Space City; Developed a sticky Gans condition in rain - energy sticks to you; Backbone of KF Resin products; Mixing everything - best combinations - change every Being; KSW is like fertilizer of energy; If respiratory system damaged - still can change; MS & others result in difficult breathing - can change; Elevate Soul specific way; Story helping lady with MS - first understand condition - sexual abuse - change by own emotion; Respiratory problems - emotional link; Elevate energy of Soul - change; Medical story - girl grew tooth; Have to fly to China - Plasma treatment - won't export; Use 80% energy provided by environment; Manmade, vegetables etc. won't work - they are cause; Absorb energy & direct it; Learn which energy to absorb; Teach about breathing and lymph; Shop U energies - different body position gives different energy - breathing - creates painkiller - position of lungs trigger whatever body needs to kill pain; Lungs create tone - position heart, how to breathe, what span of breathing creates what; Kiss of God; 80% Energy - make drugs in body; Keep shoulders & back straight - lungs fill up - slouching cuts off energy - same when get old; Fibromyalgia - prey - confidence nobody can touch; If abused change posture - they treat you different; Look at psychology through physiology; Don't need to do exercises - right position of sitting - deep breathing; Breath in count of 4, hold 6 to 10; Vision, emotion, feeling towards life will change; Pay attention to breathing, etc - be

psychologically positive; Deserve to be loved; Don't need medicine; Control your life; Don't take revenge on others - all equal; You call it Karma - we call it U Energy Field - understand why born, etc.; Aura; Girl turned life around; Not kinesiotherapy or Yoga; We'll teach you - clean up barriers - find block within; He does while sitting or walking, etc; Energy brings knowledge; Not art - knowledge; No script when teach - tap Knowledge; Universal Teachers - Book already written - just read from it; Souls ready to accept; Story of sister dentist & Homeopathy - watched him access Knowledge - wrote paper; Teach you how to see power of Soul - use right way - if wrong hurt yourself; Try to understand knowledge; About shadow side - created by P, carries fields of Soul; Aura around shadow - gives information; Stand in front of Sun - shadow tells everything - diagnosis and prescription; Know about person by walk - intention, etc.; Read from shaking hands; Read woman by shadow; Shadow copy of P - passport; teach other ways to control rhythm of breathing - recharge lymph - also for people with damaged lungs; Have to understand cause of problems; - cancer, etc.; Control rays or fields - externally - a knowledge; Those who receive Health Cups years ago - please return to KF - do not open contaminated - share knowledge with scientists - transformed CR into light - what we teach you now; KS want to join Space City; Now have 7 rooms filled; Need people with experience in Sales, etc; List posted next week.

To read the English Transcription of this 646 KSW and others materials of the KSW click in the following link:
