649th Knowledge Seekers Workshop July 2, 2026

(Quick Index 16 pp, , Topic Index ; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Yawning: 10th Anniversary - Fabio assassination - naming building Space City; Teachings - P joins STM - uses eyes; About yawning - why contagious - one electron flips - others flip; Soul hands over body to P; Lungs connect STM to P; Yawning in Plasma Science - Soul hands body to P - travels U; Yawning releases energy - conversion from air to P - free acids M fields into lungs - give to Soul - synchronized with lymph - P follows; Contagious - connect to other Souls; Frequency & bandwidth M field - meeting Souls - P doesn't know; Soul travels without P sleeping - back in microsecond; Soul has schedule - P tuned don't need to yawn; Interrupt schedule - Soul pushes to bed - purpose of yawning - 2 schizophrenics using same body; Agreement - Souls time 10 to 6 AM; Measure M fields of emotion when yawn; Transmutation of Soul - pre-set - conversion of U Energy to P; People yawn together - Souls on same strength; Can't stop yawn - politeness; Observe space gap yawning; If delay - Soul does trip without P knowing - pay for later; 10 minutes later not tired; Real handover - twitching as fall asleep - Soul disconnecting from P; Measure length of inhale & exhale; Inhale shorter - problems; Inhale & exhale same - balanced; Exhale longer - good health; Soul - gets rid leftover energies from lungs; Exhale release energies from lymph; Lymph Cleaning exercise - longer exhale; Inhale what P needs; Exhale lymph; Teach about lymph operation & breathing; Death long exhale - releases Soul; No blood in brain - Soul doesn’t take energy from blood - Soul released by lungs; T to measure - when Soul & P separate; Lungs - shape of brain, Spherical shape like Soul of Creation - Lungs, brain, Thyroid - direct ratio - space Inertia - why get different races - determine time of death - learn transmutation - bring STP inside STM; Knowledge of Creation - same; Creation is Energy & P - same with Gans - matter, vegetation, Man, or life in U at strength of Plasma; Different characteristics of races - from different fields; Position between STM, STP, Thyroid - decides behavior - why all Chinese behave this way, etc; If slightly move space Gap - will change; Chinese became Black; Last breath - yawn - supernova - all Plasmas of U; Soul brings gifts from U - journey affects our P; Soul changes through eyes; Use knowledge transmute; Control transmutation - rhythm of breathing; Makes difference - inhale through nose exhale through mouth, etc - different strength; Masters of East - didn't teach humanity - release pressures in blood vessels & control blood - encages STM - transmute; Make M fields of blood vessels lose connection & control over STM - easily transmute; STM - gift to invite through P to U; Fabio; First batches ONN Units out; KC come into operation - start change; KC 1,000 Euro - only exchangeable within KF; Purchase KC as donation; KC not exchangeable for currency - not Cryptocurrency game; Trusted KS - 30 KC; Promotion video KC; Distribution of KC by age; Receive needs through KF Apps; No speculation on currencies; Humanity looked after from birth to death; KC offered to Iranian government; Palestinians shared atrocities - double KC allocation; KC taken from Israel & Belgium; Ruthlessness of Mankind - not bring to UC - not part of KF; Support Governments, etc.; Sign World Peace Treaty; 2008 Iranian Parliament signed; Rules of KC - belongs to humanity; Link together all KF worldwide with KF Association Austria; Job of KS; No deviations allowed; Structure for commercialization to KF China & Space City; No loopholes for abuse; Markray will

sign; Nobody from outside can touch KF - nor rule over you; Bring Humanity on equal basis with each other; If governments resist - other ways; Mitra will take us to UC - my job only prepare; Groups killing off humanity - believe overpopulated - wrong; KF T can feed U; KC bring change - Rothschild's, etc; T to build buildings & homes; Gold reserves - worth nothing; Signed contracts to produce gold; 9 billion Souls not enough to seed U; For you & next generations to complete; Russian vaccine for cancer; Humanity vaccine - eliminate killing from memory, etc; About global governance; Interactive video game teaching children to kill - stop; Protect children from killing; Animal behavior - American culture spreading to world; British teach to steal; Problem from pharmaceuticals; KC operating in Africa before materials production; Need hundreds of millions; Governments have to follow U Council & Earth Council; Can think and receive Energy; KC is transition to U way of living; Energy within; ONN to mature; Emotion create gold ring - not greed; ONN controlling Units; KS will receive private call - accept 30 KC - test systems; Don't tell anybody; Depends who leads humanity; Society collectively work together; Keep busy - not go insane; Rich also get 30 KC; KC not transferable; Make own business - but not force others to work for you; KS have to spread KC; First get systems running; KF systems will supply all needs - App; Initial reaction not to work; Systems for paralysis; ONN system 80% functional; New plasma battery; 2 years away; If it stops - humanity loses; Complete cycle; Rectangular pupils; Monocular myopia - physical damage; Soul doesn't damage anything; Psychosomatic - Soul psychosomatic; All 3 move together - STM, psychology, symmetry P - controlled by STP & STM; Out of balance - cancer - evolutionary cancer; Manipulate process - have best life; Mix liquid plasmas of different strengths - different ways - need new T - digitalize it - see physically; Register for Swiss Exhibition; Study of water contamination of Baltic Sea; Experts in environmental contamination; Start factories; Lost 5 million in America; Swiss KF will invite ambassadors or politicians; Talk about Swiss Exhibition; Need support to bring in new T;

Topic Index

Yawning: 10th Anniversary - Fabio assassination - remember joy; Naming building - Space City; Teachings - P joins STM - uses eyes; About yawning - why contagious - one electron flips - others flip; Soul hands over body to P; Lungs connect the STM through energy to P - get tired or see somebody yawning; Yawning in Plasma Science - Soul hands body to P - travels U; Tells P time to change over positions; Yawning releases energy - conversion of energy from air to P - raise functionality of conversion of free acids of M fields into our lungs - given to Soul - energy is synchronized with lymph - our P has to follow; Yawning is contagious - connect to other Souls by energy balance - same room, same food, same atmosphere - one electron flips - others follow; Soul creates energy to hand over body to P - has frequency & bandwidth M field - touches other Souls - Souls that match - join together for meeting; P doesn't know - strangers - he yawns you yawn - Souls are friends journey together; Black Hole (BH) in eye; Soul subconsciously tells - time to hand over - can't stop yawning; Magic to yawning - don't need to sleep - Soul still travels - back in microsecond; Remember dreams - nights you yawned before sleep; Soul has similar schedule for doing things like P; We are tuned to handover time - internal computer - don't need to yawn; Younger people interrupt schedule - Soul has to

push them to bed; Purpose of yawning - 2 schizophrenic's - using same body - like Beautiful People talking to themselves; Agreement - Souls time 10 to 6 AM; Measure M fields of emotion when yawn - find matching wave - body creates M field to transfer Soul; Transformation & transmutation of Soul - pre-set - specific frequency, bandwidth, specific space gap - humans create at handover time - conversion of U Energy to P; Yawn means - Soul wants to go & play - time to lay body down; When people yawn together - Souls on same field strength - those don't match - nothing happens - 10 people around table - only 4 yawn - Souls related & meet; Try not to yawn - British polite - delaying Soul's process; Yawning 3 consecutive times - observe space gap; Soul did trip without P knowing - pay for delay later - observe what happens; Felt tired - 10 minutes later not - Soul made trip; Real handover - when body starts twitching as fall asleep - 'neural adjustment' - really Soul disconnecting from P - traveling; Measure length of time for inhale & exhale; When inhale shorter - problems in physical life; Inhale & exhale same - balanced; Exhale longer - good health; Soul - gets rid leftover energies from lungs; Exhale release energies in lymph - not needed by Soul & P; Lymph Cleaning exercise - longer exhale; Inhale is what P needs; Exhale for lymph; Teach about lymph operation & breathing; At death long exhale - releases Soul; No blood in brain - Soul's release not related to blood circulation stopping at death; Soul released by lungs & energy - switches - because Soul does not take energy from blood - energy from air through nostrils & throat; Develop T to measure - when Soul & P separate; Lungs - shape of brain, upside down vertical; STM in center brain - Creator put STP in heart - protected by STM within lungs; Spherical shape like Soul of Creation - Man's structure same as Creator; Thyroid gland sits in between; Copy of Creation; P needs large lungs - STM smaller in brain - more powerful; Direct ratio - space Inertia - relates to brain, lungs, Thyroid - why get different races, etc.; Understand ratio - determine time of death - learn transmutation - bring STP inside STM to protect; Knowledge of Creation - no different; Process of Creation has 2 D - Energy & P; Gave Cu wire in P - converted to Gans - no difference in Creation; Matter state objects, vegetation, life as Man, or life in U space of Time, Place, Position, strength of Plasma - all the same; Different characteristics of races - from different fields; Position between STM, STP, Thyroid - decides behavior - why all Chinese behave this way, etc.; If slightly move any of 3 - their inherent space gap of life - then they will change; We saw Chinese become Black - Time of 'Virus'; Can change to anything - how fields are orientated through strength of Ca; Last breath on Earth is yawn - no more to hold on to in P; Happens to stars - supernova; Happens to Man, planets, body cells, all Plasmas of U - no exceptions; When yawn - think Soul wants to go out - he will bring me some gifts from U; Where Soul goes affects what we do in P; Understand more about eyes & emotion of yawning; See through eyes - Soul sees other Souls; Soul changes through eyes; Learn how to use knowledge - closer to controlling transmutation; About changing rhythm of breathing - control transmutation - this is way to do it; Way you breath creates different D of transmutation - inhale through nose exhale through mouth will be different Plasma field strength, and vice versa, etc.; Teach you how to change this - balance position; Masters of East learned how - but selfish - didn't teach humanity; Have to release pressures in blood vessels & control blood - encages STM; Teach next week; Make M fields of blood vessels lose connection & control over STM - easily transmute; Teach another of the senses - complete transmutation - further understand can call upon Soul of U enter life of Man - become Man of U;

Bring U to you by invitation of STM - cannot go where you cannot invite - STM has gift to invite through P; Invite lover in - not force; Learn from Fabio.

Part 2

First batches of ONN Units - soon be with KS; Keshe Coin (KC) come into operation - start change; Clear up misunderstandings about KC - legally; KC is valued at 1,000 Euro - only exchangeable within KF to buy our products - not outside KF; Can purchase KC as a donation; At this moment - KC restricted to KF website; Chinese can use to buy agricultural products, etc.; You used KC - converted to Gans, CR Balls, etc.; What you do with KC - only your business not ours; KC not exchangeable for currency - not a Cryptocurrency game; Coin within structure of KF - why we can keep it equivalent to 1,000 Euro; First batches KC getting allocated - gradually getting divided amongst 'the People'; Those we trust - given first chance to get 30 KC - following guidelines for distribution; Receive annually based on age; safe against hackers; Promotion video for KC shown; Ages 0 to 10 - 10 KC per year, 10 to 20 receive 20 KC, 20 and above 30 KC per year; KC actually worth millions; When KF Apps operational receive energy & emotion through CR T of apple for 1 cent, and everything else; Education in Plasma T - 1 cent per year; Won't even spend 1 KC per year; KC guaranteed to have same value entire world - no speculation on currencies; First time bringing security and peace of mind to humanity - looked after from birth to death - way Creator does; Not a dream - systems and KC are out; KC offered to Iranian government - every national receive 100 KC - government call on 10 - for 10 years; Met Palestinians - because of suffering - initially offer double KC allocation to resettle lives; All KC taken from nation of Israel & anyone in that structure; KC taken from Belgium; Support those who become homeless through acts of aggression by any nation; They have stolen enough from P & STM; Palestinian family shared atrocities experienced by Israeli soldiers - will record, murder and rape; Father died heart attack - soldiers raped Mother and daughter - lost 42 members of family; We are not taking sides - explaining ruthlessness of Mankind; Cannot bring this behavior into UC; These people have lost their humanity - worse than animals - no room in KF structure - same thing happened with Fabio; ONN Units out - trusted KS defenders - KC allocated - everything on move; Support Humanity - 100 years Governments build universities, etc. support nation; Have to sign World Peace Treaty; Iranian government will sign; 2008 Iranian Parliament signed - T not used for offensive purposes; World Peace Treaty ratified one by one - companies, governments, individuals sign - adhere to rules of KC - work through KF Association in Austria; KC belongs to humanity - understand how to use, protect, spread - after I'm gone; Every Man's right needs to be protected; I set structure - you are guardians - no nationality, color, race can change any of it; KS have to set up KF associations in country - same rules as KF Association of Austria - register & link together with KF Austria - allows free flow of KC within our structure; Become one family worldwide; Job of KS to do - not ours; No deviations allowed; Structure for connecting industrial use - getting set up in Switzerland; Swiss have voting - very close to Austria; Connected financially, industrially, to KF China & Space City; Everything connected - no loopholes for abuse; KF Association Austria - based on everyone having a say - industrialization connection to companies in China - locked into work on both ends - commercialization will go ahead; Markray Corporation

will sign same agreements with KF Austria - lock in . This means financial markets with KC - soon completing; Nobody can touch KF from outside - nor rule over you; No one need to worry how to survive on Earth; Video how KC setup shown - part of series; KC not exchangeable - value only within KF; Taken years of work to reach this - KS with 20 years helping step by step; Bigger goal - bring Humanity on equal basis with each other; If we get resistance from governments & those who see their position in danger - other ways to do; Once completed, Mitra will come take us to UC; My job only set ground - Her Majesty's job to invite 'UN of U' - unite with Humanity; Setup platform - a just Humanity - nobody needs to kill, worry about survival; There are groups who are killing off humanity - believe overpopulated - can't feed everyone; KF T can feed U; KC will take control out of hands of those controlling world as governments, Rothschild's, etc.; The People will walk away from needing them; T to build buildings & homes for one cent - KF Apps; No difference between energy apple & making a building; Billions of dollars in gold reserves - worth nothing; Signed contracts to produce gold; Freedom from physical chains of planet - started breaking; 9 billion Souls not enough to seed U - wants more beautiful human Souls; No more killing of humans; U here - make sure human Souls nourished from birth all needs; KS - tested T - tasted energy & emotion of orange - water - changed illnesses - grow tooth, etc; Fulfill patents - buildings - transportation, etc; For you & next generations to complete; Mitra - see Man to become Child of U - no longer murderer of U; Chinese - grow third tooth & Russians vaccine for cancer; Humanity make vaccine - eliminate killing from memory & blood - killing uprooted from inside; Started beautiful life for descendents to join UC - remember us - what we sacrificed for Mankind - first was Fabio - hope no more; About global governance - sign World Peace Treaty to receive KC; Easy if they work with us - difficult if don't; Interactive video game teaching children to kill - allowed in all nations - Turkey stopped it - part of signing Treaty - stop this game; Governments have change this - protect children from killing; Animal behavior deeply rooted American culture spreading around world; British teach to steal; KF will bring development to nation, building dams, Space programs, etc.; Problem from pharmaceuticals - lose control; Have to get KC operating in Africa before materials production - not harm economy; Need hundreds of millions - next 2 years; Not concerned if governments listen - we setup T - they have to follow U Council & execution by Earth Council; We'll deliver food, medicine, education, etc.; ONN temporary - think and receive it - not pay; KC is transition to Universal way of living; Man has energy within himself - use ONN to mature; Use emotion create gold ring - not greed; ONN controlling Units in 4 nations - go to 8, 12; KS will receive private call from me - accept 30 KC - test systems; Don't tell anybody - trust you; Wealthy can keep money - not have workers - fed with App; British mentality - don't work if government gives money - happen with KC; Depends who leads humanity - start serving others; Adapt to new situation; Society collectively work together - satisfy needs; Keep busy - not go insane; Rich also get 30 KC; Cannot transfer KC to somebody else; Still can innovate make own business - but not force others to work for you; KC to Third World nations - priority; Not going to governments - KS have to spread - grow like wildfire; Get systems running first; KF systems will supply all needs - App; Initial reaction not to work - gradually teach; Govern in correct & just way - world peace - use Man's emotion; Systems for paralysis; ONN system 80% functional - do other 20% online; New plasma battery - give to grandchildren; 2 years away; If it stops - take

humanity thousands of years to return; Have to complete cycle; Not have rectangular pupils - goats; Monocular myopia - physical damage; Soul doesn't damage anything; How emotion P connected to emotion of Soul - psychosomatic - Soul psychosomatic; All 3 move together - STM, psychology, symmetry P - controlled by STP & STM; Problems if get out of balance - cancer - evolutionary cancer; Manipulate the process - best of life in both worlds 3 D; Mix liquid plasmas of different strengths - different ways - need new T - digitalize it - see physically, detect, analyze - systems available; Seen but don't understand; Register for Swiss Exhibition; Study of water contamination of Baltic Sea - WWII - chemicals; Need more time; Experts in environmental contamination; Start factories; Lost 5 million in America; Swiss KF will invite ambassadors or politicians; Talk about Swiss Exhibition; Need support to bring in new T.
