667th Knowledge Seekers Workshop November 5, 2026

(Quick Index 16 pp, , Topic Index; Need to do; Key Phrases, Words) (Auto transcription from Elias)

Put Gans in oceans & waters of planet; Our life begins through Gans's, first cells, becomes body & life; Life on planet generated through Nano structured Fe blown & washed into oceans, Fe combines with AA - first plasmas, beginning of life, fish eat; Convert greenhouse CO2 to Gans, add to oceans, part of water cycle, change Global Warming to save planet - stop killing; Convert plastics in oceans to energy for life; Showed materials production in Beijing, converted energy to matter; CO2 Gans rain back on all creatures, become peaceful; Join UC- connection through C14 in CO2 Gans, attract Cosmic Energies - feed P, travel U; Release C12 & C14 into oceans, travel Unicos; Meeting China Gas Corporation, spend millions burying CO2 under ground, academician not accept; KF convert to Gans, change into anything, cell of body, elevate STM; fish first to stop killing; Feed all animals with plasma - not eat each other; Time of milk & honey; CO2 systems ready, replication unit, show governments; Menace has become solution; Wish of Man's Soul; 666 is completion; CO2 Gans - communication, transportation to UC - fulfill promise; Looking for elite scientists; Story of post-doctorate from leading university working with Nano T - didn't know it was KF T; Open patents, knowledge returns birthplace; UFO matter state, primitive; Man travel with STM, knowledge transferred through Soul; Universal students learn; Knowledge spreading from Earth, fulfilling promise of Creator; Spectrum C released - C2, C9 to C60 - structure of U cell; 667 KSW beginning world peace by Man himself; Soul & P work in unison; Golden Age of Truth & Gans; No temples in U - understand fields, reach Creator; Billions years isolation - Man matured, direct path through Energy to Creator; Travel with Soul to STC; We are Prophets of Creation; No one can stop; Universities, far behind KS & KF; Detach from P & planets of U - reach strength field of STC, part of Creation - ultimate goal of Promise; Gans station next to fuel burning station - elevate STM; Gans dissolve plastic islands, open up structure through M fields, Coke bottles; All living creatures receive energy - even Soul of Stones; Teachings - connect to UC; Plug ONN directly into Internet; Scientists to join Space City in China; Death not bring maturity of Soul - STM switch polarity, repelled from STP to destination U; Teaching about maturity of Soul - while in P; Maturity is understanding Knowledge of Creation; STM matures independent of STP; If mature - not prejudiced, comprehend Totality & share knowledge - love enemies; One man selling T for killing - love of God taken away; Learning never finishes - Creator learns more - new interaction of fields; About senses - more than 5 physical senses - 6th sense of emotion, 7th, etc; Senses of Energy & senses of P; Chinese not taught about falling in love; Orphans not know love; Feel love through touch - connect energy & emotion - love part of energy fields of Creation; 8th sense of love, emotion, feeling, energy; Sense of knowledge; Daughter of Mitra knows her mission - is amongst you; Have 12 UBESUS 26 - create flight, shielding, transfer of energy, communication, understand emotion of Man; Fantasy of spacesuit made up by Americans, today can't make spacesuit, not understand gravity - lied 50 years ago; New Space T - tell truth; Mental connection & emotions - replace spacesuit; Ancient Egyptians understood more flight than NASA; Open KF Space Center - invite government officials, see real Space T; Governments become part of KF Space research;

Trump mouth piece for new mass murderer, fake flying car; Discussion why leading world powers don't want China, Russia, Iran, Japan to join together - make money selling weapons - Rothschild's - cannot be peace; During WWII Japan murdered 300,000 Chinese a day; America dying, lack of money - trillions in debt from war; Opposition inside Chinese structure - oppose KF; About Middle East - Shia 5%, Sunnis 95%; Shia; Who sides with who in war; All wars are religious wars, not political; US & Israeli elections - path to peace; Schumann Resonance, 50 hour blackouts; Elon Musk new Hitler; Not matter as individuals - collective counts; STM collectively connects to Soul of planet, SS, Galaxy, etc - little change, big movement; Find path through communications & M fields - Communication is current, M fields are voltage - motion of U, STM, etc; 99 attributes of Creator in Koran - understand all is 100th, Peace; If US stops producing arms others will stop; Switch T into Space Travel - expand knowledge of Mankind; China not war mongering nation; US mistake was war - brought own end; Ready for peace; Nano and Gans T - open up chemical structure of plastics; Carbon becomes a gas; M fields change plastic - dissolve; KF Medicine Company in China officially set up - certified Gans materials for Wellness & Health, 100 products; Have to come to China - not export; Setting up factories; Wellness Center in Space City; Recovery Product for elderly; Markray for exporting; Everything ready for Shopify - can't discuss; Waiting for decisions from governments; Buy KF products from local KF representatives, our resellers.

Topic Index

KS already know about Gans materials - putting in oceans & waters of planet; Life begins through Gans's, first cells, multiple become body & life; Life on planet generated through Nano structured Fe blown & washed into oceans, North China Sea to Central Africa, Fe combines with AA - first plasmas, beginning of life, fish eat; We copy everything planet does - make life here; Now copy process, convert CO2 to Gans, not wait for chance, deliberately introduce; Put back into water cycle of planet - change Global Warming to save planet - stop killing; Convert plastics in oceans to energy for life; Showed materials production in Beijing, converted energy to matter; CO2 Gans in oceans - rain back on all creatures, energy becomes matter state bodies; Not pseudo-science, reality - Man become peaceful; Join UC- connection through C14 in CO2 Gans, waters saturated, line to CR, attract Cosmic Energies - feed P, travel U; Eating 20% to absorb 80% - converting C & matter into its energy level, releasing C12 & C14 into oceans, building atmosphere to connect to U through C14, C16, etc - can travel Unicos; Learn how - KF labs converting; Meeting with China Gas Corporation - academician not want to understand - burying CO2 under ground; KF convert to Gans put in oceans, change humanity; Change CO2 into anything, cell of body, elevate STM; Energy from CO2 Gans rescue humanity from killing, feed into oceans, fish first to stop killing - swim U; Aquatic tanks keep sharks, whales, etc in tanks with other fish - don't eat, live together; Feed all animals with plasma - not eat each other; Energy spread to rest of planet through rain - Love of God rains equally upon all creatures; Accept energies of U; Sign to UC, become peaceful, not kill anymore; Time of milk & honey; CO2 systems, fully operational, have replication unit - show world governments; Menace has become solution; Wish of Man's Soul, system is ready; 666 is completion; CO2 Gans -

communication, transportation to UC - fulfill promise; Looking for elite scientists to join KF; Post-doctorate came from leading university -working with Nano T - use electricity method; Didn't know it was KF T; Purpose of opening patents freely to public; Knowledge returns home to birthplace; KS already know; They are 50 years behind KF knowledge; We have allowed universities to advance T; Next step - make Gans of CO2; Take Man into Space as equals; UFO - still matter state; Man given knowledge to travel with STM - UC longing for this knowledge; Knowledge transferred through Soul & our work; Souls of Universal students learn as we teach you; Knowledge coming from Earth, fulfilling promise of Creator; Man enters UC, teach them, transfer through Soul; UFOs are primitive, taught Man travel through Energy - Book 2 & 3, Book 1 creation of matter; Shown in Beijing; KF factories producing CO2 Gans - invite governments, convert greenhouse gases, instead of burying in ground; Burn more CO2 - create more C14, connect to UC & Creator; Phoenix rising from Earth; Spectrum C released - C2, C9 to C60 - structure of U cell; One day understand this teaching 667 KSW, beginning world peace; Change by Man himself; Put back CO2 into waters of planet, bring peace to P, elevation & connection to STM, Soul & P work in unison, Golden Age of Truth & Gans; Man understand knowledge, teach rest of Creation to understand U energies, reach Creator; No temples, churches in U - understand fields to his Creator - for him and rest of UC; Billions years of isolation of Man - allowed him to mature, find direct path through Energy to Creator; UFOs - behind, not found way to Creator, travel U, but Man can travel his Soul to Soul of Creator (STC); We are the Prophets of Creation, know Knowledge of Creation; Time for Man to understand, no world leader can stop; After 20 years - world's top scientists bring knowledge KF shared, back home, as leading edge of science; Universities, far behind KS & KF, they have to learn Gans's to create energy, take another 20 years; Aliens switched to become, on donkey; Man lucky to be given knowledge - Aliens learn from humanity path to Creator, through plasma; Transmutation, transportation, etc - primitive, Man not attach himself to P, or planets of U - want to reach strength field of STC, become part of Creation - ultimate goal of Promise - take you to Creator, become part of Creation; Given key for saving physical life & path to Soul, match both Energy & P; Time for UC to accept Man has changed, become their leader to find Creator; Understand gift bestowed on humanity, not by shoving & crying - but through love; Governments, put Gans station next to fuel burning station - elevate STM; When Gans fed into oceans also dissolve plastic islands - open up their structure through M fields - demonstrated with Coca-Cola bottles, plastics source of elevation of STM & P, everything has a purpose; All living creatures receive energy - even Soul of Stones, reach a common denominator, plasma structure of U; KS knowledge super passed most advanced matter state technologies on planet; Path to peace & connecting STM to UC, through C14 & C16 in Unicos; See light at end of tunnel, ready to join Man to UC.

Part 2

Teachings entering new D - how to connect to UC; First sort out plasma problems in Man's physical D, everything is set, coming together; Plug ONN directly into Internet, own connection, not through computer; New plasma antennas, bring next phase, don't need satellites or Internet; Looking for elite scientists to join Space City in China, experts in plasma T, transformation of energy to plasma, and others; Scientists worldwide

collaborating; Death does not necessarily bring maturity of Soul; At death, balance with STP, STM separates - like two South Poles of magnet, STM gets repelled from STP, which returns back to Earth; Separation at death, not maturity, MaGrav positioning; North and South Poles of Souls don't match and reject each other; Soul can become mature while still within P; Maturity is understanding Knowledge of Creation; Soul can mature anywhere in U - within P, star, or in Space; Maturity of STM - is its own development, not in relation to STP; STM matures when understands all fields Creation & not prejudiced to one strength or another; Our Soul became prejudiced to M fields of Earth, led to creation of P; Maturity - understand Knowledge of Creation through Soul; Can tell if mature - can comprehend Totality & share knowledge with another STP - if you can't then not yet mature - still have prejudices & preferences; Maturity comes from detachment, not give up everything, has no value; Your knowledge - source of elevation for other Souls & their STP in any D of U; Thy shall love your enemies - don't have any enemies, because no prejudices; Your knowledge is collectively shared; Not all Souls leaving P matured; When someone says their Soul is fully matured, they have not understood - like rich man counting how much wealth he has - there is still more; Knowledge as wealth, unlimited within Knowledge of Creation; One man's greed - selling his T to any army for money - committed most heinous crimes; Recent killings through this man's T; Love of God has been taken from; You never know when Soul is matured, still more to learn; Inside Totality, same time in transition between the two; Accumulation of knowledge, everlasting, never finishes; Creator learns more about what He creates - constantly being developed, part of His Soul goes through this process; Nobody can claim to be fully matured, not even Creator; Sense an old Soul; Senses come with emotion of Soul; Children only taught 5 physical senses - more senses; 6th sense of emotion, sense of interaction, fields of Soul, denied them; Senses of energy & senses of P - need maturity; Feel someone with 6th sense: Emotion towards - 7th sense; Chinese not taught about falling in love; Born in orphanage - not know love; Bring senses of Energy together with senses of P - next D; Feel love through touch - connect energy & emotion - love part of energy fields of Creation; 8th sense of love, emotion, feeling, energy; Touch hot pan, not repeat - get burned in love - repeat more; Deny Energy part of life; Use sense of knowledge - for Knowledge of U; Daughter of Mitra knows her mission - take Mankind to UC - she is amongst you; UBESUS 26 - not plasma telescope of U - going through testing - create flight, shielding, transfer of energy, communication, understand emotion of Man; Create field around ourselves - nobody touch us - feel essence of emotion of what's in front of us; Can't cuddle with spacesuit; Fantasy of spacesuit - those who lied - Americans don't have material for spacesuit & not understand gravity - lied 50 years ago; New Space T - tell truth; Through mental connection & emotions, reduce fields & expand, feel safe, be close to Aliens; UBESUS 26 - made 12 Units - produce materials, energy, emotion, everything else; Today's Space organizations don't understand anything about flight; Ancient Egyptians understood more than NASA scientists, etc; Open KF Space Center - invite Chinese government officials, see real Space T; Advance their Space T, very high level; KF Space City greatest move; Were prevented in 2021, criminal organizations, now setup through governments; Are receiving enough support to go forward; Governments become part of KF Space research - not left behind; Bring humanity through change; Donald Trump announced new Space mission - talk - mouth piece for new mass murderer with fake flying car; Discussion why

leading world powers don't want China, Russia, Iran, Japan to join together - make money from selling weapons - Rothschild's - cannot be peace, show superiority; During WWII Japan murdered 300,000 Chinese a day - don't want KF to give them T; One government has to be more superior; America is dying, lack of money; Europeans rejected Trump surcharge, won't pay for debt; Animosities carried by governments and people; Opposition inside Chinese structure - oppose KF, want to change government and bring out themselves; About Middle East - Shia 5%, Sunnis 95%; Shia - Iranians, Houthis, Lebanese, Palestinians; Who sides with who in war; All wars are religious war, not political; US & Israeli elections - path to peace; Schumann Resonance, 50 hour blackouts; Elon Musk new Hitler - giving T to governments for killing, lost ethics; Earth tiny drop in ocean; Not matter as individuals - collective counts; STM collectively connects to Soul of planet, Soul SS, Galaxy, etc - then little change, bring big movement; Find path through communications & M fields - Communication is current, M fields are voltage - motion of U, STM, etc; We don't teach this secret; 99 attributes of Creator in Koran - merciful, kind, etc; If understand all - understand 100th - Peace; Muslims never understood own greeting - peace be upon you; 99 attributes - sense of emotion; Centuries not solve riddle; Completion of understanding of Koran; New beginning towards peace, Middle East & US; World of politics - 2 jealous daughter-in-laws in family; US started arms race to be superpower, others have to catch up, not be dominated; US bankrupt and broken nation - 40 trillion debt; US stops producing arms others stop; T for Space Travel - expand knowledge of Mankind; American President - lame duck, no support; Netanyahu cannot push Americans anymore, not Prime Minister - army against him; America's debt 15% for Israel's war - lost all bases - American people have to pay back; China spent billions on One Belt, One Road program - financial disaster; China not war mongering nation - capitalist communist country, benefit themselves financially; American economy and military collapse - end of wars - British trying but don't have power; Mistake was war - brought own end; Ready for peace; Nano and Gans T - open up chemical structure of plastics; Tested plastic Coca-Cola bottles - cap and bottom dissolve; Carbon becomes a gas; M fields change plastic - open shields - dissolve; KF Medicine Company in China officially set up - certified Gans materials for Wellness & Health; Have to come to China - not export; Release 100 products; Tested in Chinese hospitals, setting up factories; Part of KF Space City - give links; Open Wellness Center in Space City - 12 months - in conjunction with authorities, not as KF program, in a visible structure; Recovery Product for elderly; Markray for exporting; Everything ready for Shopify - can't discuss; Waiting for decisions from governments; Have to be in line with governmental policies, what they want to do with us; Buy KF products from local KF representatives, our resellers.

To read the English Transcription of this 667 KSW and others materials of the KSW click in the following link:
